TUESDAY MORNING, AUGUST 26, 1886.

THE LAIRD'S CHOICE.
Which one shall I marry, the Lowland Laird
With his silver an' tife an' land,
Or the Highland laddie, see braw in his
plaidie.

Whose health is his heart; an' his hand?
The Laird has a coach an' horses fine,
An' a house that's fit for a queen.
But the laddie in all weather roams over the
heather.

Like the proudest king ever was seen.

My mother declares that the laird's a great
catch.

"An' we'll wed whenever he will,
An' she says I'm a dainty, misguided young
lady."

To think o' my Jock o' the hill.

But she's wrang; for a' tis his a' gowd.

The laddie can marry me.

Gin they'll bairn him marry let him have
carry.

Some lady o' high degree.

Let him wed whae he will, I shall still
remain.

In the Highlands, for I dearly love
The glens an' the fountains, the rocks an'
the mountains.

An' the bairns over which I rove.

Save the man whom I love best;

For I'll remain singin' till I sit in hisingle

Beside him, an' there'll be blest.

An' thy mither, I know, will be happier far.

When she dwells wi' my laddie an' me,

Than in the laird's castle, where he drinks
deep wassail.

Wi' his high-born company;

For didnae he marry the man of his choice?

His dochter will do the same;

And here I will tarry till my laddie shall
carry.

Me off to his mountain home.

ALL SORTS.

Thos. Sabin, of Elginton, says: "I have removed ten corns from my feet with Holloway's Corn Cure." Reader, go thou and do likewise.

It Never Fails.

Dr. Fowler's Extract of Wild Strawberry will never fail you when taken to cure Dysentery, Colic, Sick Stomach or any form of Summer Complaint. Relief is almost instantaneous; a few doses cure when other remedies fail.

The best medical authorities acknowledge the value of Ayer's Cathartic Pills, and frequently prescribe their use with the utmost confidence, as the most effectual remedy for diseases caused by derangements of the stomach, liver, and bowels.

A Successful Result.

Mr. Frank Hendry, writing from Saforth, says: "I purchased one bottle of Dr. Fowler's Extract to purify my blood. It did purify it, and now I have excellent health." As a blood purifying tonic and system regulator the result of taking B.B. B. is always successful.

P. M. Marcell West Jeddore, N. S., writes: I wish to inform you of the wonderful qualities of Dr. Thomas' Electric Oil. I had a horse so lame that he could scarcely walk; the trouble was in the knee; and two or three applications completely cured him.

Be Not Distracted.

Do not delay, if suffering any form of Bowel Complaint, however mild apparently may be the attack, but use Dr. Fowler's Extract of Wild Strawberry. It is the old reliable cure for all forms of Summer Complaints that require prompt treatment. Ask your druggist and all dealers in patent medicines.

Salt Rheum Cured.

McGregor & Park's Carbolic Cerate has been tried and found to be the only positive cure for Salt Rheum. Pimples, Blotches on the face and hands, Cuts, Burns, Bruises, or any sore that nothing else will heal. Try McGregor & Park's Carbolic Cerate. 25c. per bottle at Dr. McGavin's Drug Store.

A Pleasing Duty.

"I feel it my duty to say," writes John Burton, of Desert, P. Q., "that Burdock Blood Bitters cured my wife of liver complaint, from which she has been a chronic sufferer. Her distressing, painful symptoms soon gave way, and I can highly recommend the medicine to all suffering as she did."

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhoea, and have to use great precautions to avoid the disease. Change of water, cooking, and green-fruits, is sure to bring on the attack. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

Invisible but Instantaneous.

All pains or aches will be instantly removed by a few drops of Fluid Lightning applied over the affected parts. No time lost; no nauseous medicines needed; no poulticing or nausing greasy liniments. It will not blister or discolor the skin. Sold at 25c. per bottle by Dr. McGavin, Druggist. Suffers from Neuralgia assure us that they never fear it when their house contains a bottle of Fluid Lightning.

Holloway's Ointment and Pills.—Notable Facts.—Intense heat augments the annoyance of skin disease and encourages the development of febrile disorders; therefore they should, as they can, be removed by these detergent and purifying preparations. In stomach complaints, liver affections, pain and spasms of the bowels, Holloway's Ointment well rubbed over the affected part immediately gives the greatest ease, prevents congestion and inflammation, checks the threatening diarrhoea, and averts incipient cholera. The poorer inhabitants of large cities will find these remedies to be their best friend when any pestilential ravages, or from unknown causes eruptions, boils, abscesses, or ulcerations point out the presence of taints or impurities within the system, and call for instant and effective curative medicines.

Just the Thing.
W. J. Guppy, druggist, of Newbury, writes: "Dr. Fowler's Wild Strawberry is just the thing for Summer Sickness. I sold out my stock three times last summer. There was a good demand for it." Dr. Fowler's Extract of Wild Strawberry is invaluable for Dysentery, Colic, Sick Stomach and Bowel Complaint.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victim before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

A Dangerous Condition.

One of the most dangerous conditions is a neglected kidney complaint. When you suffer from weary aching back, weakness and other urinary troubles, apply to the back a Burdock Poultice, and take Burdock Blood Bitters, the best system regulator known for the Liver, Kidneys, Stomach and Bowels.

Fluid Lightening.

There are but few that have never suffered almost intolerable pain from Toothache, Neuralgia, or like acute pains. To them such an instant relief as Fluid Lightning is an unfold blessing in time of trouble. No disgusting offensive medicines to taste or day. One application of Fluid Lightning cures. Sold at J. E. McGavin's Drug Store.

It contains entirely new specifics, of which one dose is more effectual than a whole bottle of the old time remedies. It is put up in 50c. and \$1.00 bottles. Sold by Dr. McGavin, Druggist. Try it, and you will never have reason to complain.

Merit Proven.

Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with Mc Gregor's Speedy Cure; you are not asked to purchase it until its merits are proven. Call at J. E. McGavin's drug store and get a free trial bottle and if not convinced will you care to the worst forms of Dyspepsia, Liver complaint, etc., no matter of how long standing, it costs you nothing Sold in 50c and \$1 bottles. See testimonials from people in your own town.

Resist and Conquer the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back, Bowels, Sore Throat, Rheumatism, Toothache, Lambago and any kind of Pain of Ach. "It will most rapidly quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea" being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds' and is for sale by all Druggists at 25 cents both.

Prominent among the greatest medical discoveries, by the many cures it has effected, McGregor's Speedy Cure leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a relief but an absolute cure for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impaired Blood. Free trial bottles at J. E. McGavin's Drug Store.

Every observer who walks the streets of a great city, and scans with intelligent eye the colorless faces of more than fifty per cent. of the people he meets, can easily agree with us in the statement, that this age, which makes such drafts upon the working energies of the greater part of men in the intense pursuit of business, has destroyed in a proportionate degree the animal health and robust constitution.

Nature, in this stage of exhaustion, cannot be restored of itself, but requires some stimulating tonic, to strengthen and keep the system in regular order, and in Northrop & Lyman's Quinine Wine we have the exact remedy required. The peculiar operation of the medicine, in cases of general debility and nervous prostration, has undergone long and close observation, and it is believed it will never fail, if properly and judiciously administered. Prepared by Northrop & Lyman, Toronto, and sold by all druggists.

Advice to Mothers.—Are you disturbed at night and broken of your rest by a sick child suffering and dying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children's Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children's teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup" and not any other kind.

A SURE THING.

Baldness is only incurable when the hair roots are dead and absorbed, which is a rare condition. In nearly all cases the hair roots remain, and can be stimulated to put forth a new growth, and by the use of AYER'S HAIR VIGOR, the only preparation that cures baldness and restores youthful colors to gray hair.

Baldness Cured and Age Revived.

J. W. HAMMOND, Lake Preston, D.T., when he was but 40 years old found his hair had turned gray to white. So they remained so 80 years, during which time they tried many hair "restorers" without success. Eventually she used AYER'S HAIR VIGOR, four bottles of which covered her head, three bottles of which removed her hair, twelve inches long.

Mrs. O. O. PRISCOOT, Charlotte, N. Y., had lost two-thirds of her hair, and though she made use of many of the so-called "restorers" she had no success. Finally she used AYER'S HAIR VIGOR, did what nothing else could do, and now the lady again has a full head of hair, thanks entirely to it.

Mrs. AUGUST VALENTINE, Plattsburgh, N. Y., had become nearly bald, and though she made use of many of the so-called "restorers" she had no success. Finally she used AYER'S HAIR VIGOR, and one bottle of it caused her to grow again, more handsome than ever before.

Mrs. D. N. PARKS, Clio, Michigan, was 67 years of age, and her hair was quite gray, but one bottle of AYER'S HAIR VIGOR, which she had been using for 12 months, has turned her hair brown again, and she now has "the finest hair of hair at any age."

VINCENT JONES, Richmond, Ind., lost all his hair in consequence of a severe attack of measles, and after six months of hair loss, he used AYER'S HAIR VIGOR, which he had been using for 12 months, and his hair grew back to a full head of hair.
