

The Acton Free Press.

THURSDAY MORNING, SEPTEMBER 9, 1886.

WATER THAT VOTE.

I'm a temperance man, I will do what I can. I will abstain from wine and spirits. I will labor with might for the cause of right.

With eloquence warm I will urge reform. Let all the world take note. I never shrink from temperance work. Excepting when I vote.

I will labor so that the world may know. I'm a zealous temperance man. I will talk of laws that will aid the cause. But I cannot vote that way.

My tongue shall delight to talk of right. I will speak its praise each day. I will urge its strength on the listening throng. But I cannot vote that way.

A vote for the right is lost from sight. For the cause is weak to-day. It might grow strong if helped along. But I cannot vote that way.

With the party strong, though the cause is wrong. My vote will still be cast. Though want and woe in streams may flow. And whiskey rule at last.

The widow's groan and the orphan's moan. Shall not affect my will. I will pity them though, and tell them so. But vote for whiskey still.

ALL SORTS.

A lady writes: "I was enabled to remove the corns, root and branch, by the use of Holloway's Corn Cure." Others who have tried it have the same experience.

Worms germinate the whole system. Mother Graves' Worm Exterminator de-ermines worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

Ayer's Ague Cure acts directly on the liver and biliary apparatus, and drives out the malarial poison which induces liver complaints and bilious disorders. Warranted to cure or money refunded.

To the Rescue. "When all other remedies fail," for Bowel Complaint, Colic, Cramps, Dysentery, &c., then Dr. Fowler's Extract of Wild Strawberry comes to the rescue. Thus writes W. H. Crocker, Druggist, Wakefield, and adds that "its sales are large and increasing."

A. Mayhew, Merchant, Warkworth, writes: "I have sold some hundreds of bottles of Dr. Thomas' Electric Oil, and it is pronounced by the public 'one of the best medicines they have ever used.' It has done wonders in healing and relieving pain, sore throats, &c., and is worthy of the greatest confidence."

A Great Awakening. There is a great awakening of the sluggish organs of the human system whenever Burdock Blood Bitters are taken. It arouses the torpid liver to action, regulates the bowels and the kidneys, purifies the blood, and restores a healthy tone to the system generally.

Have you ever tried McGregor & Parke's Carbolic Cerate for sores of any kind? It is beyond doubt the very best preparation in the market for healing and curing Sores, Burns, Cuts, Pimples, Blotches, and is the only proper method of applying Carbolic Acid. Sold at Dr. McGarvin's Drug Store for 25c. a box.

A Sure Cure for Summer Complaints.—Procure from your druggist one 37c bottle of Dr. Fowler's Extract of Wild Strawberry, and use according to directions. It is infallible for Diarrhoea, Cholera Morbus, Canker of the Stomach and Bowels, and Cholera Infantum.

Mr. James Ford, of Demington, sold 90 sheep to Mr. Geo. Featherston, who shipped them to England and resold them to Baxter & Goodfellow, of Liverpool, who have written to Mr. Ford, stating that they were the finest lot of sheep they ever saw shipped from any country and compared very favorably with their Scotch and English sheep.—Champion.

A Complete Breakdown.—"For ten years," says Jennie M. Harrett, of Wallaceburg, Ont., "I did not see a well day—was all broken down with dyspepsia, liver complaint, catarrh and debility. Three doctors abandoned hope for me, when Burdock Blood Bitters came to my rescue. It is the best medicine I have ever taken. I say this for the benefit of all suffering as I did."

We have no hesitation in saying that Dr. J. D. Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhoea, cholera and all summer complaints, sore sickness, &c. It promptly gives relief and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.

The fruitless season of this year is prolific with many forms of Bowel Complaints, such as Diarrhoea, Dysentery, Colic, Cholera Morbus, Cholera Infantum, &c., as a safeguard and positive cure for those distressing and often sudden and dangerous attacks nothing can surpass that old and reliable medicine, Dr. Fowler's Extract of Wild Strawberry.

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, &c. These persons are not aware that they can indulge to their heart's content if they have on hand a bottle of Dr. J. D. Kellogg's Dysentery Cordial, a medicine that will give immediate relief, and is a sure cure for all summer complaints.

Have you Toothache? Use Fluid Lightening. Have you Rheumatism? Use Fluid Lightening. Have you a Stiff Joint? Use Fluid Lightening.

Have you Neuralgia? Use Fluid Lightening. Have you Lumbago? Use Fluid Lightening. Are you troubled with Headache? Use Fluid Lightening.

Have you any Pain? Use Fluid Lightening. It will cure you the instant it is applied. Try it. 25c. per bottle at Dr. McGarvin's Drug Store.

Fluid Lightening.

There are but few that have never suffered almost intolerable pain from Toothache, Neuralgia, or like acute pains. To them such an instant relief as Fluid Lightening is an untold blessing in time of trouble. No disgusting offensive medicines to be taken or days. One application of Fluid Lightening cures. Sold at J. E. McGarvin's Drug Store.

The latest remedy for Coughs, Colds, Croup, Hooping Cough, Bronchitis, etc., is McGregor's Lung Compound. There is no remedy in existence containing any one of the active ingredients composing McGregor's Lung Compound, so do not say you have taken everything until you have tried this for your cold or cough, and your opinion will be the same as all who have used it, viz., that it is the best. Sold in 50c. and \$1.00 bottles by Dr. McGarvin, Druggist.

Great results are speedily accomplished by the leading alternative, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. Indigestion ceases, biliousness disappears, constipation gives place to regularity of the bowels in consequence of taking it. Ladies suffering from complaints peculiar to their sex experience long wished relief from it, and impurities in the circulation no longer trouble those who have sought its aid. Give it a trial and you will not regret it.

Merit Proven. Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with McGregor's Speedy Cure; you are not asked to purchase it until its merits are proven. Call at J. E. McGarvin's drug store and get a free trial bottle and if not convinced it will cure you of the worst forms of Dyspepsia, Liver complaint, etc., no matter of how long standing, it costs you nothing. Sold in 50c and \$1 bottles. (See testimonials from people in your own town.)

Rest and Comfort to the sufferer.—"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds" and is for sale by all Druggists at 25 cents bottle.

Holloway's Ointment and Pills.—Sure Relief.—The weak and enervated suffer severely from nervous affections when storms or electric disturbances agitate the atmosphere. Neuralgia, gouty pangs, and dying pains, very distressing to a delicate system, may be readily removed by rubbing this Ointment upon the affected part after it has been fomented with warm water. The Pills, taken occasionally in the doses prescribed by the instructions, keep the digestion in order, excite a free flow of healthy bile, and regenerate the impoverished blood with richer materials resulting from thoroughly assimilated food—wanting which, the strongest must inevitably sink into feebleness, and the delicate find it difficult to maintain existence. Holloway's Ointment and Pills are infallible remedies.

Prominent among the greatest medical discoveries, by the many cures it has effected, McGregor's Speedy Cure leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a relief but an absolute cure for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impure Blood. Free trial bottles at J. E. McGarvin's Drug Store.

Every observer who walks the streets of a great city, and scans with intelligent eye the colorless faces of more than fifty per cent. of the people he meets, can easily agree with us in the statement, that this age, which makes such drafts upon the working energies of the greater part of men in the intense pursuit of business, has destroyed in a proportionate degree the animal health and robust constitution. Nature, in this stage of exhaustion, cannot be restored of itself, but requires some stimulating tonic, to strengthen and keep the system in regular order, and in Northrop & Lyman's Quinine Wine we have the exact remedy required. The peculiar operation of the medicine, in cases of general debility and nervous prostration, has undergone long and close observation, and it is believed it will never fail, if properly and judiciously administered. Prepared by Northrop & Lyman, Toronto, and sold by all druggists.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

GOLD. Gold is scarce, but those who write to J. E. McGarvin, at 533, Oxford Street, London, Eng., will receive a full information about the gold which they can get, and if it is in their power, they will send them from 25c. to \$1.00 per ounce, and if they do not, they will send them from 25c. to \$1.00 per ounce, and if they do not, they will send them from 25c. to \$1.00 per ounce.

Better than Gold.

So easily is a cold taken that not infrequently one is at a loss to tell when or how it has originated, and is prone to expect it will pass off as lightly as it came. It is not so, however, if it is not treated at once. A little neglect or delay may give it a dangerous hold. Let it once become firmly seated, and the work of dislodgment will be very difficult. The simple Coryza, or cold in the head, may then develop into a Catarrh, and is a locked exceedingly likely to do so. That such is the case is evidenced by the fact that seven persons out of every nine, who in the Atlantic and Gulf States, have caught in a severe form. Or, if it does not take that form, the little cough that is at first but an annoyance, is almost certain to become dry, hard, rasping and constantly recurring, worrying in waking hours, banishing sleep, and momentarily weakening the patient. The larynx, vocal cords, and tonsils, become inflamed. The inflammation extends into the bronchial tubes. "Lungs" AYER'S Cherry Pectoral, and the trouble goes on working until the CHERRY PECTORAL, which is the only medicine that can be relied upon to break up a cold and cure a cough, and is invaluable in the treatment of all affections of the throat and lungs.

Ayer's Cherry Pectoral.

Is the only medicine that can be relied upon to break up a cold and cure a cough, and is invaluable in the treatment of all affections of the throat and lungs.

The following are samples of what people say who know it: "Medical science has produced no other and more expectorant so good as AYER'S CHERRY PECTORAL. It is invaluable for diseases of the throat and lungs."—Prof. F. SWARTZ, (Maine Medical School) Brunswick, Me.

"AYER'S CHERRY PECTORAL affords more relief in cases of Whooping Cough than any other medicine."—Dr. ARTHUR Y. COX, St. Louis, Mo.

"I have used AYER'S CHERRY PECTORAL in my family for 20 years. It is a wonderful remedy for Whooping Cough and Croup."—Dr. J. E. MCGARVIN, French Camp, Me.

"Several members of my family suffered severely with influenza. All were cured by AYER'S CHERRY PECTORAL in a few days."—HENRY RUSSELL, Somerset, N.J.

"The best remedy that can be had for Coughs and Colds is AYER'S CHERRY PECTORAL."—E. M. SARGENT, Lowell, Mass.

AYER'S CHERRY PECTORAL, PREPARED BY DR. J. C. AYER & CO., [Analytical Chemists] LOWELL, MASS. For sale by all Druggists.
