TO-MORROW AND YESTERDAY.

It is better to lean towards to-morrow than to weep over suns that are set; The future holds hope that we borrow, The past only offers regret.

From the past we can gain no concession— It is useless and clothed like the night; But the far distant hills of progression Are crowned with a glory of light!

To-morrow's white, beautiful pages Are yours to write on as you may; But with the closed ledgers of ages Are yesterday's leaves looked away.

To the future let NOW be beholden, And not to a year that is gone; There was never a sunset so golden But lovelier still is some dawn.

No remorse, no satisfaction, Rewards those who seek for the past, But the soul that is restless with action Will find all it longs for at last.

—By Miss W. Wilcox.

FUN FOR EVERYONE.

Is there anything more annoying than having your corn stepped upon? Is there anything more delightful than getting rid of it? Holloway's Corn Cure will do it. Try it and be convinced.

Their tenacity with which people abide by their faith in Ayer's Sarsaparilla is explained by the fact that it is the best blood medicine ever used, and is not equalled in excellence by any new candidate for public favor.

A National Ail. There is no question but that Dyspepsia is the national disease of our country, and when complicated with diseases of the Liver and Kidneys is the cause of untold misery. Burdock Blood Bitters will almost invariably cure the worst case known.

Worms cause feverishness, moaning and restlessness during sleep. Mother Graves' Worm Expeller is pleasant, sure, and effective. If your druggist has none in stock, get him to procure it for you.

Creolin Cure.

A cure for Cholera Morbus.—A positive cure for this dangerous complaint and for all acute or chronic forms of Bowel Complaint incident to Summer and Fall, is found in Dr. Fowler's Extract of Wild Strawberry; it will be procured from any druggist.

Have you ever tried McCreagor & Parke's Carbolic Ointment for sores of any kind? It is beyond doubt the very best preparation in the market for healing and curing Sores, Burns, Cuts, Pimples, Blisters, and is the only proper method of applying Carbolic Acid. Sold at Dr. McCreagor's Drug Store for 25c. a box.

In Season.

It is now in season to warn our readers against the sudden attacks of Cholera, Cramp, Colic and the various Bowel Complaints incident to the season of ripe fruit, vegetables, etc. Dr. Fowler's Extract of Wild Strawberry is the grand specific for those troubles.

Mr. W. Maguire, merchant, at Franklin, writes: I was afflicted with pain in my shoulder for eight years—almost helpless at times—have tried many remedies, but with no relief, until I used Dr. Thomas' Electric Oil. After a few applications the pain left me entirely, and I have had no pains since.

Of Vital Importance.

It is just as essential that the human body should have pure blood, as that a tree or plant should have sap to nourish and invigorate its growth. Nearly all our bodily ills arise from unhealthy blood. Burdock Blood Bitters purifies this fountain of life, and regulates all the vital organs to a healthy action.

Nearly all infants are more or less subject to diarrhoea and such complaints while teething, and as this period of their lives is the most critical, mothers should not be without a bottle of Dr. J. D. Kellogg's Dysentery Cordial. This medicine is a specific for such complaints and is highly spoken of by those who have used it. The proprietors claim it will cure any case of cholera or summer complaint.

The best way to repair strength and increase the bodily substance is to invigorate the stomach and improve the circulation with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. Simultaneously with the disappearance of indigestion it relieves that morbid despondency, and the nervousness which are as much the product of dyspepsia as the weakness of the stomach and loss of vigor and flesh which proceed from it; as a blood purifier it has no equal.

The latest remedy for Coughs, Colds, Croup, Hooping Cough, Bronchitis, etc., is McCreagor's Lung Compound. There is no remedy in existence containing any one of the active ingredients composing McCreagor's Lung Compound, so do not say you have taken everything until you have tried this for your cold or cough, and your opinion will be the same as all who have used it, viz., that it is the best. Sold in 50c. and \$1.00 bottles by Dr. McCreagor, Druggist.

No person should go from home without a bottle of Dr. J. D. Kellogg's Dysentery Cordial in their possession, as change of water, cooking, climate, etc., frequently brings on summer complaint, and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering, and frequently valuable lives. This Cordial has gained for itself a widespread reputation for affording prompt relief from all summer complaints.

Holloway's Pills.—With the darkening days and changing temperatures the digestion becomes impaired, the liver disordered, and the mind despondent, unless the cause of the irregularity be expelled from the blood and body by an alternative like these Pills. They go directly to the source of the evil, thrust out all impurities from the circulation, reduce disordered organs to their natural state, and correct all defective and contaminated secretions. Such easy means of instilling health, strength, and cheerfulness should be in the possession of all whose stomachs are weak, whose minds are much harassed, or whose brains are overworked. Holloway's is essentially a blood-purifying medicine, whereby the influence, reaching the remotest fibres of the frame, effects a universal good.

When symptoms of malaria appear in any form, take Ayer's Ague Cure at once, to prevent the development of the disease, and continue until health is restored. A cure is warranted in every instance.

A Word of Explanation.

The liver secretes bile to move the bowels; the kidneys secrete urine to carry off uric acid, which would poison the blood; the stomach secretes gastric juice to digest or dissolve the food, etc. Burdock Blood Bitters acts upon these organs and purifies the blood by cleansing all the secretions of the system.

Fluid Lightening. There are but few that have never suffered almost intolerable pain from Toothache, Neuralgia, or like acute pains. To them such an instant relief as Fluid Lightening is an untold blessing in time of trouble. No disgusting offensive medicine is taken or days. Our application of Fluid Lightening cures. Sold at J. E. McCreagor's Drug Store.

Honesty the Best Policy. An honest medicine is the noblest work of man, and we can assure our readers that Dr. Fowler's Extract of Wild Strawberry is not only reliable, but is almost infallible to cure Cholera Morbus, Dysentery, Cramp of the Stomach and Bowels, and the various Summer Complaints, whose attacks are often sudden and fatal.

This is to certify that I have used McCreagor's Speedy Cure for Dyspepsia, and Liver Complaint, and do honestly say that if it cost me one hundred dollars (\$100.00) a bottle I would not be without it, as it has done me more good than all the medicines I ever used, and I feel like a new man. I am truly, ALAN STARK, Carleton Place, Ont. This medicine is for sale at 50c. and \$1.00 per bottle at Dr. McCreagor's Drug Store.

Merit Proves.

Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with McCreagor's Speedy Cure; you are not asked to purchase it until its merits are proven. Call at J. E. McCreagor's drug store and get a free trial bottle and if not convinced it will cure you of the worst forms of Dyspepsia, Liver complaint, etc., no matter of how long standing, it costs you nothing. Sold in 50c. and \$1.00 bottles. See testimonials from people in your own town.

Have you Toothache? Use Fluid Lightening. Have you Rheumatism? Use Fluid Lightening. Have you a Stiff Joint? Use Fluid Lightening. Have you Neuralgia? Use Fluid Lightening. Have you Lumbago? Use Fluid Lightening. Are you troubled with Headache? Use Fluid Lightening. Have you any Pain? Use Fluid Lightening. It will cure you the instant it is applied. Try it—25c. per bottle at Dr. McCreagor's Drug Store.

Rest and Comfort to the Sufferer.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quiet the Blood and Heat as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Linctum in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds, and is for sale by all Druggists at 25 cents a bottle.

Prominent among the greatest medical discoveries, by the many cures it has effected, McCreagor's Speedy Cure leads the van. Subjected to the most exact chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a relief but an absolute cure for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impure Blood. Free trial bottles at J. E. McCreagor's Drug Store.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

If you have a cough or cold do not neglect it; many without a trace of that hereditary disease have drifted into a consumptive grave by neglecting what was only a slight cold. Had they used Bickel's Anti-Consumptive Syrup before it was too late, their lives would have been spared. Mr. A. W. Levy, Mitchell, writes: I think Bickel's Anti-Consumptive Syrup the best preparation in the market for coughs and severe colds. About six years ago I caught a severe cold which settled on my lungs, and for three months I had a cough. I had a physician attending me, but gradually grew worse until I was on the verge of Consumption, and had given up hopes of being cured, when I was induced to try Bickel's Syrup. Before I had taken one bottle I found myself greatly relieved, and by the time I had finished the second bottle I was completely cured. I always recommend it for severe colds and consumptions.

REGESTION AND CONSTIPATION

AYER'S PILLS.

Also spring from disorders of the digestive functions, and are not only exceedingly painful to themselves, but have symptoms, such as Dropsy and Rheumatism, which are of the gravest character. The work of the kidneys in the purification of the blood. When, through disease, they cease to do this, the consequences are most serious. Medicines that dull their sensibility, or that stimulate them to unnatural activity, do infinitely more harm than good. To restore them to health, the kidneys must be cleansed, their inflammation allayed, and their strength restored.

Ayer's Pills Do this more effectually than any other. Their diuretic effect is not less marked and beneficial than their purgative power. Not only do they, at once, by a moving dose, free the clogged, and rouse the torpid organs, but their continuous effect, when taken in small doses, is to regulate the machinery of life, and

Restores Health and Vigor. For all the several varieties of Piles, and for the many Chronic Diseases produced by Blood Impurities thrown into the circulation during attacks of constipation, no cure is so quick and easy as AYER'S PILLS, which free the bowels and aid nature.

"Ayer's Pills" searching and effectual, but not irritating or drastic."—Dr. J. M. COCHRAN, Cincinnati, O. "As a mild and thorough purgative they are unequalled."—O. THOMPSON, West Cross, Va.

"They have entirely corrected the colic habit and vastly improved my general health."—Rev. F. B. HARLOWE, Atlanta, Ga.
