

When Washington was president. As cold as any body. He never on a winter's day. And never saw a telephone.

The Odd Corner.

A Bostonian visiting Washington recently went to the Capitol, and thinking it would be comfortable in the gallery...

An English clergyman, settled for many years in Devonshire, relates the following as a fair illustration of the quaint simplicity of the Devonshire folk.

A Frenchman, after three weeks' residence in England, proposed to write a book on the country; after three months, found he was not quite ready; after three years, concluded that he knew nothing about it.

WINTER SNAPS.

On one bottle of Hagar's Pectoral Balm, a man of a sore throat and loss of voice. One trial relieved me when all other medicine failed.

Worms derange the whole system. Mother Graves' Worm Expeller deranges worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

I was subject toague for two or three seasons, which nothing would eradicate until I tried Burdock Blood Bitters, since which time, four years, I have had no return of the disease.

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Eucalyptic Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy."

I had dyspepsia for a long time. Was entirely cured by two bottles Burdock Blood Bitters. The best medicine for regulating and invigorating the system I had ever taken.

There could be no offer more fair than that of the proprietors of Hagar's Yellow Oil, who have long offered to refund every cent expended for that remedy if it fails to give satisfaction on fair trial for rheumatism, neuralgia, sore throat and all painful complaints.

In the spring of 1883 I was nearly dead, as everybody around my neighborhood knows. My trouble was caused by obstinate constipation. One bottle of Burdock Blood Bitters cured me entirely.

It is certainly glad tidings to the poor invalid to be informed of a remedy that will give prompt and sure relief in case of painful suffering. Such a remedy is Hagar's Yellow Oil, adapted for internal and external use in all aches, pains, lameness and soreness.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up.

Nothing but pure extracts from plants and roots are used in preparing McCreger's Lung Compound, the modern and now popular remedy for Colds, Coughs, Bronchitis, Croup, Asthma, and all affections of the throat, lungs and chest.

McCreger's and Parke's Carbolic Cerate. Have you an old Sore, Cut, Burn, Bruise, Corn, Bunion, Salt Rheum, Pimple, Blotches, Rough Hands or Face? If so, there is but one cure, namely, McCreger's and Parke's Carbolic Cerate.

Just a few hours' worth of coughing. Just a few days' worth of sneezing. Just a few weeks' worth of hoarseness. Just a few months' worth of weakness. Just a few years' worth of suffering.
