TUESDAY MORNING, MARCH 8, 1887.

SAVING MOTHER.

The farmer sat in his easy chair between the fire and the lamp-light's glare; His face was ruddy and full and fair, His three small boys in the chimney nook Contained the lines of a picture book; He lit his pipe and his honest heart, Baked the tobacco and the tea, laid the table and steeped the tea, Dearly, swiftly, silently! Tired and weary and weak and faint, She bore her trials without complaint, Like many another household saint— Content, all selfish blisses gone, In the patient ministry of love.

At last, between the clouds of smoke That surfeited his lungs, the husband spoke "There's taxes to raise, an' interest to pay—" And of there should come a rainy day, "Would be mighty hard, I'm bound to say, To have somethin' put by. For folks must die—" At these funeral bills, and gravestones to lay—

Enough to swamp a man, parry nigh, Besides, there's Edward and Dick and Joe To be provided for when we go. So, if I was son, I'll tell what I'd do: I'd be savin' of wood as over I could— Entry bro don't do any good— I'd be savin' of soap, and savin' of oil, And run up some savings once in a while; I'd be saving of spring water an' tea, For drinkin' is health.

And all to buy.

And older and good enough for me. I'd be kind o' careful about my clo'es And foot wear, sharp how the money goes— Gave, gave is used, never known;

Extra trimmin' 'tis the bane of women.

I'd save the best of the cheese and honey, And eggs as good, high up 'tis the same. What do they know about woman's work? Du they saltate women were born to?

Dick and Edward and little Joe Sat in the corner in a row, They saw the patient mother go On ceaseless errands to and fro; They saw that her form was bent and thin, Her temples gray, her cheeks sunken in; They saw the quiver of lip and chin— And then, with a warmth he could not smother, Outspoke the youngest, frailest brother—

"You talk of savin' wood and oil An' tea an' sugar, all the while, But you never talk of savin' mother!"

WINTER SNAPS.

A lady writes: "I was enabled to remove the corus, root and branch, by the use of Holloway's Corn Cure." Others who have tried it have the same experience.

Nine-tenths of the disease denominated Cartarrh is the result of protracted or repeated colds in the head. Nasal Balm will give immediate relief and permanently cures.

It is spring. A resurrection of nature's latent forces is taking place. Like the world around you, renew your complexion, invigorate your powers, cleanse the channels of life. Ayer's Saraparita is the means to use for this purpose.

A Person Unable to sleep in bed, unable to work, unable to take ordinary exercise from the effect of Asthma until using Southern Asthma Cure. A sample package relieved, three packages permanently cured.

Is your hair turning gray and falling out? Hall's Hair Renewer will restore it to its original color, and stimulate the follicles to produce a new and luxuriant growth. It cleanses the scalp, eradicates dandruff, and is a most agreeable and harmless dressing.

HIGH LIVING. High living is unquestionably bad for the liver, but whether from that or other cause, the liver becomes deranged, the best cure for liver complaint, or biliousness, is standard medicine for sale by all druggists. Burdock Blood Bitters. Remember B. B. B. is the special trade mark of this medicine.

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Electric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy, 'besides two Buffalo Physicians,' without relief; but the Oil cured him; he thinks it cannot be recommended too highly."

A GOOD NAME. The best recommendation of anything is its popularity, where it has been longest known. Through the Dominion of Canada there is no more effective medicine for coughs, colds, hoarseness, sore throat, bronchitis and asthma, than Hayard's Pectoral Balsam, for sale by druggists.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victim before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

HE FEARED NO FOL. Nero fiddled when Rome was burning. Many now-a-days seem equally indifferent to danger by the manner in which they neglect ill-health. If taken in time, there is scarcely a chronic disease which Burdock Blood Bitters will not eradicate by its purifying, regulating powers.

After years of suffering, persons who have only sought remedial help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Dyspepsia and Diarrhoea Cure, which puts a stop to the torment of Dyspepsia, removes activity of the Bowels and Liver, relieves maladies incident to the genito-urinary system, and purifies the blood, and tones up the whole system.

FROM MANITOBA. In a letter from James Irwin, Beaver Creek, Manitoba, he says, "I was taken ill last summer with a very severe pain in my back. By using one bottle of Hayard's Yellow Oil I was completely cured." Yellow Oil also cures lumbago, rheumatism and all external pains.

NOBODY BUT MOTHER.

Nobody knows of the work I make: To keep the house together; Nobody knows of the steps it takes. Nobody knows—but mother.

Nobody listens to childish woes: Which kisses only another; Nobody painted by naughty blows; Nobody—only mother.

Nobody knows of the sleepless care, Bestowed on baby brother; Nobody knows of the tender pray'r— Nobody—only mother.

Nobody knows of the lessons taught, Of loving one another; Nobody knows of the patience sought— Nobody—only mother.

Nobody knows of the anxious fears Least darlings may not weather The storm of life in after years, Nobody knows—but mother.

Nobody kneels at the throne above To thank the Heavenly Father, For that sweetest gift—a mother's love. Nobody can—but mother.

PROHIBITION AND POLITICS.

The anti-liquor question is a strong plank in the political platform, and one safe to hold off. All intoxicating beverages except wine let alone, even in medicine. Burdock Blood Bitters is not a bar beverage, but a strictly pure medicine, reliable for disease of the stomach, liver, bowels, kidneys and blood, and will aid in masking drunkards.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhea, and have to use great precautions to avoid the disease. Change in water, cooking, and green fruit, is sure to bring on the attack. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

AMONG THE INDIANS.

"While my husband was trading in fur he came across an Indian who was taken to his lodge to die. He had inward colds and pains in all his limbs. He gave some Yellow Oil internally and applied it externally, and cured him. It also cured my husband of rheumatism, and I find it valuable for coughs and colds, sore-throat, etc. Mrs. A. Besaw, Cook's Mills, Serpent River, Ont.

Dangers of Decay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure but with many it is only when the monster disease has fastened its fangs upon our lungs that we awoke to our folly. What follows a neglected cold? It is not disease of the throat and lungs, bronchitis, asthma, consumption and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs is Bickell's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy respiration, soothes irritation and drives the disease from the system.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that Green's August Flower, will make them free from disease, as when born. Dyspepsia and Liver Complaint are the direct causes of seven-five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Constiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

INDIGESTION AND CONSTIPATION

ARE CURED BY

AYER'S PILLS.

Dyspepsia.

One of the most common complaints of the digestive functions, and are not of a exceedingly painful in themselves, but have symptoms, such as *Dropsy* and *Rheumatism*, which are of the gravest character. The *Causes* of the *Kidneys* is the *overworking* of the *bowels*, and through *liver*, they cease to do this.

The Only Cure. For the various forms of dyspepsia, it is a medicine that will remove its primary cause, by restoring the stomach, liver, kidneys, and bowels to a healthy condition. It is a safe medicine, as it is not so strong that it would be likely to injure the body, but it is strong enough to make it effective.

Ayer's Pills. Are the best medicine to accomplish the necessary work of cleansing, stimulating and restoring. They are more thorough in their curative effects than any other, yet not so strong that they are not a powerful influence for good upon the other vital organs as well as upon the bowels and stomach.

Ayer's Pill. Do this more effectively than any other. Their diuretic effect is not less marked and beneficial than their purgative power. Not only do they, at once, by a moving influence, expel the accumulated attacks of constipation, but they are equally effective in removing the heat and tension of the bowels and stomach.

Restore Health and Vigor. For all the several varieties of hepatic disorders, as well as those of the kidneys, there is no better medicine than *AYER'S PILLS*. They are also by far the best remedy in regulating the digestive functions, of the greatest value to women in the most critical stages of existence.

He Who Lives Learns, and Who Learns Lives. "I am using Ayer's Pills in my practice, and find them excellent." —Dr. J. W. Brown, Ocean, W. Va.

"One of the best remedies for biliousness and rheumatism." —Dr. Wm. W. Thompson, Cincinnati, O.

"A safe and reliable Cathartic." —Dr. W. C. King, Spencer, Mich.

"They have entirely corrected the constipation of my wife, and given me my health again." —Rev. F. B. Harlowe, Boston, Ga.

"Better than any other Cathartic." —Dr. P. SUMMERS, Austin, Texas.

The Best Cathartic Medicine in the World.
