THURSDAY MORNING, MARCH 10, 1887.

ROOM AT THE TOP

Never mind the crowd, lad,
Nor fancy your life won't tell;
The work is done for all that,
To him that doeth it well.

Fancy the world a hill, lad;
Look where the millions stop;
You'll find the crowd at the base, lad,
But there's always room at the top.

Courage and faith and patience!
There's space in the old world yet;
You stand a better chance lad,
The further along you get.

Keep your eye on the goal, lad;
Never despair or drop;
Be sure that your path leads upward—
There's always room at the top.

The Way of the World.

Anxious Daughter—Mother, did papa have his salary increased when he was married?

Omaha Matron—"No, my child."

"I don't suppose he had any money saved up, did he?

"Not a penny; he spent all he earned."

"Did you get along comfortably?"

"We were very happy."

"Well, you know, George hasn't been able to save a cent, but"——

"See here, if that poverty stricken fellow dares to show his face here again I'll get your father to kick him out."—*Omaha World.*

They Arbitrated.

An old tramp who had agreed to saw wood for half an hour for his breakfast from a Baltimore woman quit at the seventh stick and said:

"Madam, I have struck for more breakfast and less wood; are you willing to arbitrate?"

"Certainly," she replied, and she left the case in the hands of her bull-dog, who ran the tramp half a mile and decided that a lock-out was inevitable.

WINTER SNAPS.

A lady writes: "I was enabled to remove the corns, root and branch, by the use of Holloway's Corn Cure." Others who have tried it have the same experience.

Where it ends.

Nine-tenths of the disease denominated Catarrah is the result of protracted or oft-repeated colds in the head. Nasal Balm will give immediate relief and permanently cure.

It is spring. A resurrection of nature's latent forces is taking place. Like the world around you, renew your complection, invigorate your powers, cleanse the channels of life. Ayer's Sarsaparilla is the means to use for this purpose.

A Person

Unable to sleep in bed, unable to work, unable to take ordinary exercise from the effect of Asthma until using Southern Asthma Cure. A sample package relieved, three packages permanently cured.

Worms derange the whole system. Mother Graves' Worm Exterminator deranges worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

Worthy of Confidence.

The preparation sold by druggists known as Hagyard's Yellow Oil is worthy of all confidence as a household remedy for pain. It has been over a quarter of a century in the market, and never fails to cure or relieve rheumatism, neuralgia, sore throat, quinsy, deafness, burns, scalds' bruises, frost bites and internal or external pains and injuries.

Is your hair turning gray and falling out? Hall's Hair Renewer will restore it to its original color, and stimulate the follicles to produce a new and luxuriant growth. It cleanses the scalp, eradicates dandruff, and is a most agreeable and harmless dressing.

More Than Claimed.

"For the past four or five years," says Mrs. Emery, of Cottam, Ont., "I have been subject to kidney troubles. I was advised to try Burdock Blood Bitters. It has done me more good than what was claimed for it. I can recommend it to all sufferers from like diseases."

Take Ayer's Sarsaparilla in the spring of the year to purify the blood, invigorate the system, excite the liver to action, and restore the healthy tone and vigor of the whole physical mechanism.

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Eclectric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy, "besides two Buffalo Physicians," without relief; but the Oil cured him; he thinks it cannot be recommended too highly.

Cholera and all summer complaints, are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

After years of suffering, persons who have vainly sought remedical help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, renews activity of the Bowels and Liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhœa, and have to use great precautions to avoid the disease. Change in water, cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

Varieties.

Aim in life—shall it be internal or external? Shall man seek first the completest development of which his nature is capable, other gains, such as riches, reputation, power, being allowed to fall to him by the way? Or shall he seek worldly success, the foundation of character being allowed to be a secondary and incidental matter?—*Mawdsley.*

Humorous.

The most humorous man is not always the happiest; the man who has scrofulous humor or any obstinate humor of the blood, does not feel very lively, at least not until he is cured, which, by the way, Burdock Blood Bitters will do in the most troublesome of blood humors.

Many a man has never even begun to learn the alphabet of a mother's love until he was taken sick, or lost his property, or was forsaken by his friends, or was in some sort of trouble; then, beholding the constancy of his mother's affection for him, he began to pick out the letters, and for the first time in his life to spell the word love.—*Rev. G. R. Robbins.*

Important.

It is of the utmost importance that some good household remedy should be kept within handy reach in case of pain and accidental injury. The most useful remedy of this kind is undoubtedly Hagyard's Yellow Oil, for internal and external use in all painful complaints.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years. It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

Don't Be It.

Don't rack and ruin your lungs with a tight, harrowing, distressing cough, when a few doses of Hagyard's Pectoral Balsam will loosen the phlegm, soothe the irritation and heal the sore throat and bronchial pipes and may avert that destructive disease consumption.

Doubly Benefitted.

There is no one remedy known that has more curative power over dyspepsia and liver complaint than Burcock Blood Bitters. "I had liver complaint and my husband was so bad with dyspepsia that he could not labor. One dozen bottles of B. B. B. has enabled us both to attend to our usual work," reports Mrs. John A. Campbell, of Brighton, N. B.

Dangers of Decay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not disease of the throat and lungs, bronchitis, asthma consumption and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs is Bickle's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentary and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. —Spring suits and overcoats at extremely low prices and made in the latest styles. Be sure to call and see them at J. Fyfe's, Acton.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds," and is for sale by all Druggists at 25 cents a bottle.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

PRIDE OF THE VALLEY.

Yes, Pride of the Valley—that is the name of the medicine. It cured me of dyspepsia. First, I bought a sample package for 25c; then, five packages for $1; and before I had taken the contents of four packages I was entirely well. Have never felt the symptoms since; that was four years ago. I also bought a bottle of Pride of the Valley Liniment last spring for my hired man, who sprained his ankle so badly he could not bear his weight on it. After using Pride of the Valley Liniment for 24 hours he was able to go to work as well as ever. And what is the name of that other Medicine? Why, Pride of the Valley Catarrh and Rheumatic Cure! That is the greatest known remedy in the world for the cure of Catarrh, not an inhaler, but the Medicine is to be taken internally once a day. It strikes at the root of the disease and removes the cause at once, as thousands will testify that have used the Catarrh remedy. The three above remedies go hand in hand. And where can I get them? At L. G. MATTHEWS', Acton, Ont. Also at all first-class Medicine dealers in Canada. Manufactured by PROF. A. M. SHREVES,
