

The Acton Free Press.

THURSDAY MORNING, MARCH 14, 1887.

BRIEF PHOENIXES.

One word is worth a hundred promises. One try is a thousand says. The try and the say.

Our Odd Corner.

Country Parson (to city visitor): "Didn't I see you at church to-day?" City Visitor: "Yes, and if you will believe it, it was the first time that I can remember that I didn't go to sleep before the sermon was half over."

WINTER SNAPS.

A lady writes: "I was enabled to remove the corns, root and branch, by the use of Holloway's Corn Cure."

Many Persons Suffer.

From Impure Blood and suppose it comes from a disordered stomach. In many cases the actual cause is Catarrh. Nasal Balm will remove the cause, and cure.

Highly Spoken of.

Mr. James M. Lawson, of Woodville, Ont., speaks in high terms of Yellow Oil for rheumatism, lame back, sprains and painful complaints.

Care For Cramp.

Prompt relief to prevent suffocation from the accumulation of tough mucus—the formation of false membranes—and the constriction of the air passage, is necessary in case of a sudden attack of croup.

Satisfied Customers.

J. B. Girard, of St. Edwidge, Clifton, P. O., says, "I am well satisfied with the use of Burdock Blood Bitters; it has cured me of dyspepsia that I had for three years."

The Story of Hundreds.

In a recent letter received from Mrs. Sarah A. Mills, of Wheatley, Ont., she says, "I was a sufferer for six years with dyspepsia and liver complaint."

ALMOST.

A little apple-blossom fluttered down And lightly came between the lips of two.

Who, just that moment would have changed a kiss. But for the warning that the light breeze

She started back and in a nervous laugh Redoubled his kiss, and in her boy hand Gaily held up the dainty cup of pink.

And so she kept it for a little while. And in a few short, fleeting months from then

She sent it to him on his wedding day. Writing "An emblem of the hearts of two."

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years.

A Lucky Escape. For six years I suffered with my throat and enlarged tonsils. I was very weak, I doctored for four years, and had advice from three doctors; they said I would have to undergo an operation.

A Good Matter. Harry Ricardo, of Toronto, agent for Fine Art Publications, states that he was so troubled with deafness for eight years that he could scarcely attend to business.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims, before they are aware that danger is near.

Have you a cough? Sleepless nights need no longer trouble you. The use of Ayer's Cherry Pectoral, before retiring, will soothe the cough, allay the inflammation, and allow needed repose.

After years of suffering, persons who have vainly sought remedial help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable

Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, renews activity of the Bowels and Liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

It is the duty of every person who has used Becker's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases.
