THURSDAY MORNING, APRIL 7, 1887.

IN AN OLD FASHIONED CHURCH.

'Twas an old fashioned church in a new-fashioned town,
Shrinking back from the turbulent street,
And the sun through the untinted windows shone down
Like a blessing beseeching to meet.

If the old-fashioned worshippers knelt in the pews
To hear the good minister pray,
Was that cause for an unkneeling stranger to lose
The prayer and to let his eyes stray?

It was not? Then suppose his straying eyes met,
Just over the top of a pew
And beneath a hat laughing with feathers and jet,
Two eyes of a heavenly blue—

Was that very susceptible stranger to blame
If he heard not the minister's prayer,
If he thought of the creature and guessed at her name
And forgot the Creator up there?

You insist that 'twas wrong? Well, perhaps you are right,
But this much let a sinning man say:
Every maiden's blue eyes should be kept out of sight
When she kneels in the old-fashioned way.

Dangers of Delay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not disease of the throat and lungs, bronchitis, asthma, consumption and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs is Bickle's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

"An Aching Void."

"You are not looking very well this evening," said Miss Snyder, smiling kindly on him. "Is there anything the matter?"

"Aw," replied De Jones, taken off his guard by the world of sympathy there was in her words, "I've a most beastly pain in my head; been aching all day, you know. I cawn't, for the life of me, imagine what it can be?"

"Perhaps," she returned, and a cruel look came into her eyes as she put her hand caressingly on his head, "perhaps, dear, it is what the poets mean when they speak of "the aching void'?"

B. B. B. One of Many. B.B.B.

Mrs. Agnes Black, of Orton, Ont., says "For five years I have been a sufferer from dyspepsia and indigestion. I tried one bottle of Burdock Blood Bitters, and was getting better; I then bought three more and it has cured me."

Worms derange the whole system. Mother Graves' Worm Exterminator deranges worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

Shiloh's Catarrh Remedy—a positive cure for Catarrh, Diphtheria and Canker Month. Sold by N. McGarvin.

Are you made miserable by Indigestion, Constipation, Dizziness, Loss of Appetite, Yellow Skin? Shiloh's Vitalizer is a positive cure. Sold by N. McGarvin.

Criticism.

A lady in Brockville states—I was induced to try Nasal Balm for a long standing cold in my head that was pronounced Catarrh. The Balm gave immediate relief and permanently cured me. It was so pleasant and agreeable to use that I at first thought it "no good." I now use it with my children for colds and stoppage of the nasal passages.

Remarkable.

There have been many remarkable cures of deafness reported from the use of Yellow Oil. The proprietors of this medicine have a large number of such testimonials. It is the great household remedy for pain, inflammation, lameness, and soreness of every description, and can be used internally and externally,

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Eclectric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy. "besides two Buffalo Physicians," without relief; but the Oil cured him; he thinks it cannot be recommended too highly.

B. B. B. A case of duty B. B. B.

"I should not think it right did I not give my testimony of what B. B. B. has done for me. I was troubled with biliousness. I took one bottle—it gave immediate relief. I can recommend it as a sure cure for biliousness." —Minnie Smith, Orillia, Ont.

B. B. B.—In working order.

"My husband was troubled with dyspepsia for more than four years. Two experienced physicians did him no good. We got discouraged, until we read of Burdock Blood Bitters; he took only two bottles and now is as well as ever, and doing heavy work all the time." Mrs. Richard Rowe, Harley, Ont. B. B. B. has cured the worst cases of chronic dyspepsia.

How He Missed a Brilliant Future

Bill Mortimer is one of those smart fellows who can tell about a man by merely looking at his hand writing or the shape of the back of his head, or the way he moves his legs when he walks. Bill was standing on the corner of Austin avenue talking to Colonel Dan Beaty.

"Do you see that boy across the street there with his back to us, looking in the store window?" asked Bill.

"Yes."

"Well, that boy is going to be a hero. He is going to conquer the world. He will be an American Napoleon Bonaparte. The boy has, right now, more will and intellect than any forty men in Austin."

"What makes you think so?" asked Dan Beaty.

"I don't think so at all. I just know it. Notice how he shrugs his right shoulder. That gesture was peculiar to Napoleon the Great, and to no other man."

"Nonsense," replied Dan. "That boy belongs to me. He has been vaccinated and it took. That's why he hunches up his shoulder."

"Is that so?" responded Bill. "Well, if he hadn't been vaccinated he would have had a brilliant future before him.

"Yes, and caught the small-pox, perhaps."—*Texas Siftings.*

Varieties.

Why will you cough when Shiloh's Cure will give immediate relief. Price 10 cents., 50 cts., and $1. Sold by N. McGarvin.

The Rev. Geo. H. Thayer, of Bourbon, Ind., says: "Both myself and wife owe our lives to Shiloh's Consumption Cure. Sold by N. McGarvin.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

Where the Danger Lies.

The chief danger from taking cold is its liability to locate upon some internal organ, as the lungs, the pleura, the bronchial passages etc. Hagyard's Pectoral Balsam loosens and breaks up the cold, allays irritation and often prevents or cures pulmonary complaints.

Cure for Inflammatory Rheumatism.

Procure from your druggist a bottle of Hagyard's Yellow Oil and use according to directions. J. D. Cameron, of Westlake, Ainslie, Cape Breton, was cured by this remedy after all other treatment had failed. It may be taken internally for coughs, colds, sore throat, etc., etc.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and neve fails to effect a cure.

After years of suffering, persons who have vainly sought remedical help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, renews activity of the Bowels and Liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhœa, and have to use great precautions to avoid the disease. Change in water, cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. WINSLOW'S SOOTHING SYRUP," and take no other kind.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds, and is for sale by all Druggists at 25 cents a bottle.

HALL'S
Vegetable Sicilian
HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp.

HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe.

Its unparalleled success can be attributed to but one cause; *the entire fulfilment of its promises.*

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

PRIDE OF THE VALLEY.

Yes. Pride of the Valley—that is the name of the medicine. It cured me of dyspepsia. First, I bought a sample package for 25c; then, five packages for $1; and before I had taken the contents of four packages I was entirely well. Have never felt the symptoms since; that was four years ago. I also bought a bottle of Pride of the Valley Liniment last spring for my hired man, who sprained his ankle so badly he could not bear his weight on it. After using Pride of the Valley Liniment for 24 hours he was able to go to work as well as ever. And what is the name of that other Medicine? Why, Pride of the Valley Catarrh and Rheumatic Cure; That is the greatest known remedy in the world for the cure of Catarrh, not an inhaler, but the Medicine is to be taken internally once a day. It strikes at the root of the disease and removes the cause at once, as thousands will testify that have used the Catarrh remedy. The three above remedies go hand in hand. And where can I get them? At L. G. MATTHEWS, Acton, Ont. Also at all first-class Medicine dealers in Canada. Manufactured by PROF. A. M. SHRIEVES, LONDON, ONT.
