TUESDAY MORNING, April 21, 1887.

AN UNANSWERED QUESTION:

Tell me a story, Grandma;
Of the days when you were a child!
Did your dolls have eyes that would open
and close?
Were your dresses full covered with flut-
tings and bows?
Could you eat all the candy and sweet-
meats you liked?

While Mama indulgently smiled?

Tell me a story, Grandma;
Of the days when you were young!
Were there weekly gowns, with lace and
gold?

Had you silken gowns of Parisian make?
Could you dance a gallop without mistake,
And converse in a foreign tongue?

Tell me a story, Grandma;
When you were young and fair,
Did the youth come wooing with courtly
grace?

Till they heard that Pappa had mortgaged
his place?

Then suddenly neck for some fairer face?

Why? She's fast asleep in her chair!

—South Hadley, Mass.

Bangers of Policy.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would we course be; could we realize our danger, how speedily we would seek a cure but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? It is not disease of the throat and lungs, bronchitis, asthma, consumption and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs is Bickle's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the dross from the system.

A Good Life Preserver.

T. Milburn & Co., March 16th, 1886.
I was completely relieved from that dreadful disease dyspepsia, with only four bottles of that life preserver—B. B., and cheerfully recommend it to any one subject to such disease. P. Devany, Morrisburgh, Ont.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years. It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

Overworked.

"My husband strained himself with over-work, causing a large swelling in the groin. He suffered great agony, which doctors failed to relieve; he could not eat nor sleep. B. B. quickly cured him. He says he never had such quick relief in his life." Extract from a letter from Mrs. George Cook, Cooksville, Ont.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

A Severe Attack.

"I never felt better in my life than I have since taking Burdock Blood Bitters. I had a severe attack; I could not get up for several days, and was unable to work. One bottle cured me." John M. Richards, St. Tarc, Ont. For all those troubles use B. B.

FOR HUSBANDS ONLY.

Tom Brown was always in a first Debbie, somehow, he kept in debt. Yet he imagined he was wise, And he knew how to economize. He earned enough to live with pride, And lay a little up beside.

Although he nothing did for sport, He borrowed, and was always short.

"O, Tom!" his wife would say, "a man Can't manage as a woman can."

"Do try me once, and soon you'll be From horrid debts and worries free."

Tom only laughed. "No woman can Handle finances like a man."

At length his debts and worries grew So big he knew not what to do.

Then he, in time to save his life, Gave all his earnings to his wife.

"Now, wife," he groaned, in woe complete, "See if you can make both ends meet."

Bright years now passed: Tom, freed from care,

Waited fat upon his wife's good fare.

His debts were paid, and laid away.

Was something for a rainy day.

What had Tom's burden been in life Was pleasure to his careful wife.

MORAL.

Man's life is earning gold alone; In spending is his weakness shown.

A woman's forte, by nature meant, Is taking care of every cent.

And he who lets his wife do this, Is always rich and lives in bliss.

SPRING PROSE.

After years of suffering, persons who have vainly sought remedial help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure, which puts a stop to the tormented Dyspepsia, renews activity of the Bowels and Liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

A Common Occurrence.

Many bad joints by which people are crippled for life, are made by neglected and badly treated rheumatism. Ida Plank, of Stratford, Ont., was afflicted with rheumatism in her fingers so that she could not bend them. Yellow Oil cured her, and is a prompt cure for all painful complaints.

Sure to Satisfy.

There are many remedies for coughs and colds, but there are few that prove so satisfactory as Hagyard's Pectoral Balsam, which is a pleasant and reliable cure for all throat and lung troubles, including bronchitis, asthma, croup, whooping cough and the pulmonary complaints of young or old.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhea, and have to use great precautions to avoid the disease. Change in water, cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

Astounding Success.

It is the duty of every person who has used Boeche's German Syrup to let his friends know of its wonderful qualities to be known in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the German Syrup, cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.
