### SPRING.

Tripping through the bushes,  
Singing in the mud,  
Watching flowers bud,  
Listening to the songbirds,  
Piling on the coal,  
Spring is surely coming,  
Cheer up, weary soul.  
  
Whipping dusty carpets,  
Settling monstrous hills,  
Lifting stoves prodigies,  
Taking liver pills,  
Flaking out one's duster,  
Clearing walks of snow,  
Isn't springtime jolly  
In this climate, oh!

Hunting after Maydows,  
Skating home from work,  
Doffing my coat,  
Singing like a Turk,  
Speaking, snorting, snuffing,  
Hands and feet like iron,  
This is gentle springtime,  
Gracious! isn't it nice!

### Bangers of Peas.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be? could we realize our danger, how speedily we would seek a cure but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not disease of the throat and lungs, bronchitis, asthma, consumption and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs is Bickie's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

### SPRING PROSE.

**A Matter of Fact.**  
One of the few preparations that seldom disappoints on trial, is that old standard throat and lung medicine, Haggard's Pectoral Balsam, for coughs, colds, bronchitis, asthma, sore throat and other diseases of the air passages.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for forty years. It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

My wife has been a sufferer from liver complaint for many years. I am glad to be able to testify to the benefit received from Burdock Blood Bitters, as well as in the case of my little boy, who had glandular swellings." J. S. Miller, 77 Victoria Ave North, Hamilton, Ont. B. B. B. regulates the entire glandular system.

For Dyspepsia and Liver Complaint, you have a printed guarantee on bottle of Shiloh's Vitalizer. It never fails to cure. Sold by N. McGarvin.

—Persian lamb caps the best quality at low prices; also black Astrachane, good and cheap at J. Fyfe's.

**Find The Clock.**

The best clock needs regulating and winding when the main-spring runs down. So, too, when the human machinery gives out; it needs regulating and the main-spring (pure blood) needs toning. Burdock Blood Bitters will regulate and tone all broken down conditions of the system. It is purchasing B. B. B. for counters of counterfeiters.

C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Electric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy, besides two Buffalo Physicians," without relief; but the Oil cured him; he thinks it cannot be recommended too highly.

**Froze His Feet.**  
While out skating last winter, G. Vareco, of Brandon, Man., got his feet badly frozen. He rubbed them with snow, and then applied Haggard's Yellow Oil, which speedily cured them, and saved him from being a cripple.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity, and never fails to effect a cure.

### Hot Shot.

The criminal master is as guilty as the criminal.

Prohibition is the liveliest living issue of to-day.

It is your son that the whiskey and beer men want.

No agency to-day so incites our holy religion as the saloon.

The party that crucifies a principle is a political malfeasance.

Party slavery is lower in moral grade than African slavery.

The rum-mill manufactures paupers for other people to support.

Don't put Prohibition in your prayers and whiskey in your ballot.

The vested rights of man are vested wrongs.

The liquor traffic has a murderous grip on the Canadian home.

The party that dares to fight the saloon has the future in its grasp.

If moral suasion is right, legal suasion is inevitable.

An evil should be killed and not rogaled.

The liquor traffic is organized to boycott its way to power.

Criminal is that "industry" which reduces women and children to bone soup diet.

### Varieties.

To the very large class who do not discover the wealth of opportunity that opens amid commonplace duties and uneventful lives, we offer for thoughtful consideration these words from Prof. Phelps: "Every day is a day of crisis. Every hour is an hour of destiny. Every minute is the nick of time."

### A Fair Offer.

For many years the proprietors of Haggard's Yellow Oil have offered to refund the money to all purchasers of that medicine where it failed to give relief in cases of pain or painful affections, such as rheumatism, neuralgia, sore throat, deafness, burns, bruises, sprains, stiff joints and cords, and internal and external inflammation.

After years of suffering, persons who have vainly sought remedial help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the tormented Dyspepsia, removes activity of the Bowels and Liver, relieves maladies incident to the genitor sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

### In Bad Condition.

I was so bad with dyspepsia that I could not take food of any kind without distress, and could not take a drink of water for a month at a time. I have been a great sufferer from liver complaint and dyspepsia for many years," says Mrs. Nelson W. Whitehead, of Nixon, Ont., whom two bottles of Burdock Blood Bitters cured.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhea, and have to use great precautions to avoid the disease. Change in water, cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

### Astonishing Success.

It is the duty of every person who has used Boesch's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 50,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as this cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

**ADVICE TO MOTHERS.**—Are you disturbed at night and broken of your rest by sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is unequalled. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it.
