citated, and is now as well as over.

arrived at. It was then decided to settle

the matter by arbitration, and Messrs. D.

Henderson, Acton, John Warren, Esques-

ing, and J. J. Craig, the P. S. Inspector,

were appointed arbitrators. A meeting

was held by them in the town hall, Acton,

on Saturday afternoon, when all the pros

and cons of the case were heard and con-

isfied. The erection of a neat and com-

prodious school house will now be proceeded

Arbor Day was right royally observed

connoil supplied between two and three

hundred trees free of charge and many calls

were made for a supply by citizens who

failed to arrive bright and early. Quite a

number of people went to the bush for their

own trees and altogether a fine lot were

planted. At the Public School the day

was observed with a will by the children

and their teachers. There was an army of

hearty workers, some with hoes, rakes and

brooms engaged in cleaning and beautifying

forks, trimming and planting trees, and

thus they accomplished a large amount of

tee, I. Francis and H. P. Moore, Secretary

of the board, complimenting them upon

selves as best they could. This announce-

ment was of course hailed with delight by

them all. The school grounds are as neat

and tidy as a new pin and they contain the

finest lot of-healthy maples in town, in

various stages of maturity. There are now

eighty of them varying in age from twenty

years to two or three. The public school

grounds in Acton will eventually present a

very handsome and attractive appearance,

and around each tree will cling pleasant

recollections to the pupils of each succeed.
