OUR FLEETING QUEEN

For fifty years our country's flag Hath borne o'er earth and main The name of Empress Queen beloved, With neither ego nor claim; How may it bear Victoria's name, Long o'er us may she reign, And for our Empire bleed and grand May she new honour gain!

Upon our Queen, our country, first God's blessing ever rest, With peace and plenty everywhere For people's homes be blest! God save the Queen, her people pray, From hearts sincere and free, God save our loved Victoria, And crown her Jubilee!

What a truly beautiful world we live in! Nature gives us grandeur of mountains, plains and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up...

Sleepless nights, made miserable by that terrible cough. Shiloh's Cure is the remedy for you. Sold by N. McGarvin.

Croup, whooping cough and Bronchitis immediately relieved by Shiloh's Cure. Sold by N. McGarvin.

Worms derange the whole system. Mother Graves' Worm Exterminator discharges worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

Forlame back, side or chest, use Shiloh's Porous Plaster. Price 25 cents. Sold by N. McGarvin.

That hacking cough can be so quickly cured by Shiloh's Cure. We guarantee it. Sold by N. McGarvin.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years...

Shiloh's cough and Consumption Cure is sold by an excellent guarantee. It cures consumption. Sold by N. McGarvin.

The Rev. Geo. H. Thayer, of Doubron, Ind., says: "Both myself and wife owe our lives to Shiloh's Consumption Cure. Sold by N. McGarvin."

Liabile to Happen. Sudden attacks of colds, sore throat, croup, swollen glands, rheumatism, neuralgia, and similar troubles, are very liable during the winter and early spring. As a prompt remedy there can be nothing excel Yellow Oil. "I never feel safe to be without it," says Mrs. Henry Dobbs, of Berri-dale, Ont.

Will you suffer with Dyspepsia and Liver Complaint? Shiloh's Vitalizer is guaranteed to cure you. Sold by N. McGarvin.

Catarth cured, health and sweet breath secured, by Shiloh's Catarrh Remedy. Price 50 cents. Nasal Injector free. Sold by N. McGarvin.

A lady writes: "I was enabled to remove the corn, root and branch, by the use of Holloway's Corn Cure." Others who have tried it have the same experience.

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Electric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy, besides two Buffalo Physicians, without relief; but the Oil cured him; he thinks it cannot be recommended too highly."

A Good Test. What everyone says must be true, or have some foundation at least, and every one who has tested it, says that Hagyard's Pectoral Balm is a prompt and reliable cure for the various throat and lung troubles caused by colds, which are always prevalent at this season of the year.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kallogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

Sudden Disappearance. "My face was covered with sores, arising from bad blood. By the use of three bottles of Burdock Blood Bitters I was completely cured." R. E. Sinclair, of Port Burwell, Ont.

On Work. "For two years I was not able to work; being troubled with dyspepsia. One bottle of Burdock Blood Bitters relieved me; three bottles cured me as well as ever." John A. Kappell, of Farmville, Leeds Co., Ont.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhoea, and have to use great precautions to avoid the disease. Change in water, cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kallogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

Some Advice To Wives.

Remember that you are married to a man and not to a god; be prepared for imperfections. Anticipate the discovery by your husband that you are, 'only a woman.' If you were not he would not care about you.

Once in a while let your husband have the last word; it will gratify him and be no particular loss to you. Do reasonable; it is a great deal to ask of a woman to be a saint.

Remember that servants are made of the same material as you are; a little boisterous, perhaps, but the same in essentials. Try and forget yourself, as to your husband, forget that you married him, and remember that he married you; he will then probably do the reverse.

Let him read the newspaper and take it; it is unbecomingly, but then, it is only a trifle, after all, and he likes it. Let him know more than you do once in a while; it keeps up his self respect, and you will be none the worse for admitting that you are not actually infallible.

Read something in the papers beside fashion notes and society columns; have some knowledge of what is going on in foreign countries.

Be a companion to your husband if he is a wise man; and if he is not, try to make him become your companion. Raise his standard, do not let him lower yours.

Look out for Your Wills.

It becomes more and more evident every year that much of the sickness prevalent in the country is attributable to the water. By careful study of the matter it is found that in nine cases out of ten typhoid fever originates in families whose water supply is from a well into which impure water comes. This may be from the farm yard, and quite generally such is the case. For some years the water in a well near the house may be pure and wholesome, but by and by the soil between it and the barn yard will become so impregnated with pollution that an unhealthy quality will be imparted to it, and disease will result from its use.

An Open Letter.

Messrs. T. Milburn & Co., Nov. 25th, 1886. I wish I had used B. B. sooner, which would have saved me years of suffering with erysipelas, from which I could get no relief until I tried B. B. B., which soon cleared away the itching, burning rash that had so long distressed me. Mrs. Edward Romkey, Eastern Passage, Halifax, N.S.

What to Know.

Mrs. John Siddle, of Orton, Ont., was afflicted for years with contraction of the bronchial pipes and tightness of the chest. She was cured by the internal and external use of Hagyard's Yellow Oil. This remedy cures rheumatism, neuralgia, inflammation, congestion, and all external and internal pains.

After years of suffering, persons who have vainly sought remedial help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, renews the activity of the Bowels and Liver, relieves maladsis incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

Whooping, gasping sufferers from Asthma receive quick and permanent relief by using Southern Asthma Cure. Sold by druggists or by mail on receipt of price.

Astonishing Success.

It is the duty of every person who has used Byecher's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported: Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all Druggists throughout the world. PRIDE OF THE VALLEY. Yes, Pride of the Valley—that is the name of the medicine. It cured me of dyspepsia. I bought a sample package for 50c; then, five packages for \$1; and before I had taken the contents of four packages I was entirely cured. I have never felt the symptoms since: that was four years ago. I also bought a bottle of Pride of the Valley Linctum last spring for my husband, who complained of a hoarse voice; he could not bear his weight on it. After using Pride of the Valley Linctum for 24 hours he was able to speak as well as usual. It strikes at the root of the disease and removes the cause at once. As thousands will testify that have used the Catarrh Remedy. The three above remedies go hand in hand. And where can I get them? At G. M. THAYER'S, Acton, Ont.
