**CRUMBS FOR BREAKFAST.**  
Compiled by the Ever Thoughtful Free Press Reporters.

Delightful weather.  
Water crosses are now plentiful.  
The early worm gets the better.  
Council meeting next Tuesday evening.  
Lacrosse meeting to-night at seven o'clock.  
The Board of Education will meet next Monday evening.  
The late rains have made the farmers and gardeners happy.  
Open air exercise in this splendid June weather is congenial to all.  
Fifteen to twenty minute sermons are the class now most appreciated.  
A preacher should wind up his discourse with the breaking thread of it.  
Mr. James Robertson has opened a lumber yard at the C. P. R. station, Hurby.  
The annual crop of flax has been shed by the silver poplar the past few days. It's a nuisance.  
Building operations are in full swing in Acton just now. Building is booming all over town.  
Crewson's Corners intend celebrating Independence Day this year by a jubilee demonstration.  
Two Mount Forest boys were fined \$9 and costs last week for disturbing a Salvation Army meeting.  
The Dufferin Post has again changed hands. Seneca G. is out of the traces for the half dozen time.  
Our readers will perceive with interest the article in this issue on Commercial Union by W. H. Storey, Esq.  
The baseballists tell us that it is unreasonable to expect a pitcher will do anything without some crowd-encore.  
Rev. R. Phillips is attending conference at Galt, but services will be held next Sunday morning and evening as usual.  
Guelph Conference opened the annual session at Galt yesterday morning. Over 350 ministers and lay delegates are present.  
Mr. A. W. Green's new residence, corner of West, Bowyer Avenue and Main Street, will be a very neat edifice when completed.  
Acton will require to bestir herself or the celebrations in the surrounding villages and townships will handicap her proposed jubilee for the 21st June.  
Mr. Hamilton, of Wycliffe College, preached in St. Alban's Church last Sunday morning and evening. It is an earnest and acceptable minister.  
It is said a young lady in town is so very tender-hearted that she refuses to pare the potatoes for her mother. She says she is afraid she might injure her eyes.  
The Georgetown Herald man has purchased a rifle in which to store his wealth. There is no danger in connection with the rifle's office, hence this large expense.  
The by-law submitted to the ratepayers of Pelvicin recently, asking permission to expend the sum of \$2,000 on public buildings, was carried by the decisive majority of 249.  
The Wizard Oil Company gave free concerts on the street every evening last week. They had large audiences and succeeded in flooding the country with their patent medicine.  
Our Little One for June came to hand last week, replete with seasonal illustrations, stories and poetry for the children. It is a gem. Send 15 cents for a copy to Russell Pub. Co., Boston.  
At the Fergus Division Court an Elora bailiff was condemned to pay the balance of a rent debt which remained due through his failure to make a sufficient seizure to liquidate it.  
Farmers say that the late rains have done a great amount of good throughout the country. Vegetation has taken a fresh start and everything betokening that next season's crops will be large.  
Children playing with firecrackers has week started a conflagration that destroyed the residence of Mr. Thomas, a farmer living near Tranquilly, Brant county. Loss, \$1,000. Mrs. Thomas was badly burned.  
The residents of the East End would like to have the three lamps on Young street removed to the corners of Arthur, Peel and Queen streets. At present they are situated some distance from the corners of these streets.  
The Queen never fails to send \$5 to every new English mother of twins. Her Majesty means kindly—and has raised a numerous family of her own—but it is questionable whether or not twin-raising should be encouraged.—Y. O. Progress.  
If the Council of 1887 desires to have themselves immortalized in the eyes of citizens and townships generally, they will continue the sidewalk in the G. T. B. yards, to Mill street, and connect it with the town sidewalk there. The G. T. B. is evidently too poor to give their patrons this accommodation.  
The reminders of summer days have been with us during the week. The bathers have already opened a big hole in their hose, the soda water, and ice cream men jostle against us very numerous, the thermometer rises to the dignity of ninety degrees in the shade, and a sigh for a breath of north wind has already been heard. And there's more to follow.

The month of roses again.  
Wood is selling at 20 to 24 cents.  
Hired is up to 12 cents in \$1. Thomas.

Some Erasmus farmers complain that their barley has been nipped by the frost.  
Two rights cannot make a wrong, unless they are shoes and the lefts are missing.  
A lot of this cattle were shipped from Rockwood last week. Prices ranged from \$10 to \$15.  
The new from in the trunk and saddle factory gives it a decidedly improved appearance.  
An exchange asks: "What shall we do with the warm weather?" We might put it on ice.  
Mrs. James Ryler is building a new brick house on the corner of Young and Arthur Streets.  
A little bigger sprinkler, Mr. Water-carrier, please. Nature can beat you all hollow when she tries.  
Mr. Wm. Brown, of Esquating, raised a fine new barn last Saturday. About 200 men assisted at the raising.  
Mr. Arch. Campbell is ready for the bricklayers to proceed with his new house on Mill and Wellington Streets.  
Our Rockwood correspondent has taken his holidays. It is hoped his much appreciated epistles will now be renewed.  
Limehouse "Sprinkles" are anxiously looked for week after week by many of our readers. Will "Citizen" please renew his interesting weekly notes.  
The Paris Council has donated \$100 to the Nanaïno B. C. mipe sufferers. The disaster left 39 widows and 106 children without means of support.  
The Queen recently presented 10,000 poor children of London with jubilee nugs at Hyde Park.  
It was the biggest collection of happy little nugs on record.

Earning a Reputation.  
Dr. E. A. Hall, a native of Hornby, is winning for himself a reputation as an oculist. He recently operated on a lady patient who had cataracts on both eyes and had been blind for four years. The result was that her sight was restored. The Paisley Advertiser says, "The operation was a very delicate and difficult one, the obstruction being taken, not off the pupil, but out of the eyeball, behind the pupil."  
Dr. Hall is a careful physician and is making marked progress in his profession.  
The American Agriculturist as a Daily.  
During the continuance of the great Dairy and Cattle Show, held in New York City in May, the American Agriculturist Monthly, issued a daily paper of eighteen pages on the grounds every morning at ten o'clock, describing the scenes and incidents of the various cattle and farm implements as premiums were awarded them. Every number contained from thirty to forty engravings, etc., etc. It was rather a novelty for the veteran American Agriculturist, now not far from his fiftieth birthday.  
Posters are out announcing that the people of Esquating will celebrate the 50th anniversary of Her Majesty's reign by a monster picnic, on the 21st June, to be held on Lot 16, Con. 6, near Stewartstown. One of the features of the demonstration will be a procession of the Old Settlers Militia Officers of the township; the retired officers and men of the Volunteer Force who served at the front in 1866; all other retired volunteers; the old settlers of the township, 50 years of age and upwards, and the children of the public schools. An address will be delivered by Rev. Jas. Alexander, J. A., music, games, etc., will take place, and an enjoyable time is anticipated. Worthy Laborers Who Never Strike.  
There is one class of laborers who never strike and seldom complain. They get up at five o'clock in the morning and never go back to bed until 11 o'clock at night. They work without ceasing the whole time, and receive no other emolument than food and the plainest of clothing. They understand something of every branch of economy and labor, from finance to cooking. Though harassed by a hundred responsibilities, though driven and worried, though reproached and looked down upon, they never revolt, and they cannot organize for their own protection. Not even sickness releases them from their posts. No sacrifice is deemed too great for them to make, and no incompetency in any branch of their work is excused. No essays or books of poems are written in tribute to their steadfastness. They die in harness and are supplanted as quickly as may be. These are the housekeeping wives of the laboring men.  
Mrs. Miller Hemstreet, of Cleveland, Ohio, is visiting Acton friends. Mrs. Hemstreet was for some years a resident of Acton in its primitive days. A few of the oldest residents will remember when her husband opened the first grocery, before Acton was christened, forty-six years ago, and called it "Denville Grocery." Mrs. Hemstreet is enjoying remarkably good health.  
Rev. Wesley Kerr, of Rockwood, met with a painful accident last Thursday. He mounted his bicycle and started out to see one of his parishioners, but had not gone far when the machine upset and Mr. Kerr was thrown heavily to the ground. He received some severe bruises about the face and will be incapacitated for a couple of weeks.

**THE WEEK'S TAKINGS.**  
Which are Principally Local and All Interesting.  
A Government Contract.  
Messrs. W. H. Storey & Son, of the Canada Glove Works, here, have just received a good order from the Militia Department for their justly celebrated military buck gaiters. The gloves are for the use of the Northwest Mounted Police. This with a previous order filled, some months ago, amounts to about \$4,000.  
Worth Getting.  
The Jubilee issue of Grip's Own Library will be out next week. It will be a book of 52 pages, with pictures on nearly every page. Every picture to appear is either original or is being specially re-produced for this issue, and there will be a great demand for it. It will be for sale at all book-stores, or can be had by sending 10 cents direct to Grip Office, Toronto.  
A Fruitless Errand.  
A Deputation, consisting of Messrs. David W. Campbell, Wm. Fenton, J. H. McCulloch, and D. McGibbon, waited on the Ontario Government last week, asking for the dismissal of the Police Magistrate, but did not meet with any success. Pantou hawked a petition round town, for the magistrate's removal, but to his surprise, got only a few signatures.—Reformer.  
Fruit Prospects.  
The St. Catharines Journal says:—A leading fruit grower was in the city on Thursday, and informs us that not in many years has he observed the prospects for a large fruit crop better than the present. He says that in his orchard he has already observed the young pears well formed, and many of his apples are as large as hickory nuts. He believes the peach crop is now beyond danger and will be prolific.  
Another Sentence for a Jail Bird.  
Hiram Smith was arraigned before His Honor, Judge Miller yesterday, convicted of having stolen a watch from John Rylea of Nelson, and breaking into the house of Robert Simpson, near Oakville, and stealing clothing. He was sentenced to three years in the Provincial Penitentiary at Kingston. Smith has already put in one term at Kingston, one in the Reformatory at Penetanguishene and one in the Central Prison at Toronto.—Champion.  
The Press at the Industrial.  
The Industrial Exhibition Committee have arranged to erect a building on their grounds for the exclusive use of the press. The building will be 30 x 75 feet, to include separate rooms for the Toronto dailies, a large room with desks for visiting journalists, a restaurant, lavatory and other essentials and the exhibition architect has been instructed to design a building which will meet these requirements. Mr. H. J. Hill, the Manager and Secretary, announces that the Exhibition Committee purposes giving a dinner to the press on September 13th.
