THURSDAY MORNING, JUNE 3, 1887.

A LILY POEM.

In my hand I took a lily
That had opened with the May;
Hand or lily, which was whitest,
Whilst the slightest? Who can say?

'Gainst my brow I laid the lily;
Both were pure and both were fair.
But the lily soon will wither,
And the brow be marked with care.

And I said this to the lily:
Our strength is very frail,
And we can not bid defiance
When the winter storms assail."

And the lily softly answered:
"You and I are very weak;
But God careth for the fragile,
For the lowly and the meek.

"Cruel storms may bruise and crush us
To the earth, but while we live,
Our all, the simple fragrance
Of our lives, we gladly give.

"Our looks must not be haughty,
Our heads must not be high;
And perhaps some one will love us,
Some one miss us when we die."

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup; Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

SPRING PROSE.

Worms derange the whole system. Mother Graves' Worm Exterminator deranges worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

Shiloh's cough and Consumption Cure is sold by us on a guarantee. It cures consumption. Sold by N. McGarvin.

A lady writes: "I was enabled to remove the corns, root and branch, by the use of Holloway's Corn Cure." Others who have tried it have the same experience.

The Rev. Geo. H. Thayer, of Bouborn, Ind., says: "Both myself and wife owe our lives to Shiloh's Consumption Cure. Sold by N. McGarvin.

Sleepless nights, made miserable by that terrible cough. Shiloh's Cure is the remedy for you. Sold by N. McGarvin.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

At a negro wedding in Georgia recently, when the words "love honor and obey" were reached, the groom interrupted the preacher and said: "Read that again sah; read it once mo' so's de lady kin ketch de full solemnity of de meaning. I'se been married befo'."

Croup, whooping cough and Bronchitis immediately relieved by Shiloh's Cure. Sold by N. McGarvin.

That hacking cough can be so quickly cured by Shiloh's Cure. We guarantee it. Sold by N. McGarvin.

Will you suffer with Dyspepsia and Liver Complaint? Shiloh's Vitalizer is guaranteed to cure you. Sold by N. McGarvin.

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Eclectric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy. "besides two Buffalo Physicians," without relief; but the Oil cured him; he thinks it cannot be recommended too highly.

A Business Letter.

T. Milburne & Co., Tilsonburg, March 15th, 1887. Sirs,—Please ship at once three dozen B. B. Bitters. Best selling medicine in the shop. Sold seven bottles to-day. Yours truly, C. Thompson.

The above sample is but one of hundreds of similar expressions regarding the popularity of B. B. B.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

A Living Miracle.

"My infant daughter was taken ill with cholera infantum, the doctor said she could not live. The Reverend Wm. McWilliams would not allow her head to be lifted when he baptised her, she was so weak. Dr. Fowler's Wild Strawberry gave immediate relief. She is a living miracle, hale and hearty. Since that time (7 years) our house has never been without that remedy." • • • • • From statement of George Johnston, Harwood, Ont.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhœa, and have to use great precautions to avoid the disease. Change in water, cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for summer complaints. If a few drops in water when the symptoms are first felt trouble will be experienced.

CONSECRATION HYMN.

Christ of Calvary, slain for me,
I surrender all to thee;
I will trust thy sacred blood,
Plunge beneath the crimson flood,
Rise in resurrection power,
Crown with service every hour.

I am consecrated now,
To thy will I humbly bow;
At thy summons I will go,
Though the floods should overflow;
Sure am I of welcome meet,
Following the Master's feet.

Let me walk where he has trod,
Loyal to the Son of God;
Let me share his grief and pain,
Stand beneath the cross again,
Bound by chains of holy love
To his great white throne above.

Fill my soul with power divine,
Make me always, only thine;
Crown my life with Christly grace,
Let me see thy smiling face;
Then at last from earth I'll rise
To a mansion in the skies.

—*Rev. W. F. Arme.*

Does it Pay to be a Woman?

This question is answered by a lady with an emphatic negative. She says that a woman pays the same railroad fare as a man, and that all her postal cards cost her a cent a piece. But when pay-day comes she receives little more than half the wages of a man for the same work. This is true; but then she has a fair chance, through marriage, to get a large share of some good man's wages: and that good man will not only pay her fare, but her postage also.

A Pretty Incident.

A little time ago a gentleman in Boston gave a dinner to some friends. Every dish was perfectly cooked, and the guests were waited upon by two very modest, pretty waitresses, who did their work quietly and well. When dinner was over and coffee was served, the host asked his friends if they would like to be introduced to the cook. Very much astonished, they said "Yes, they would," upon which he went out and returned in a minute or two with a charmingly-dressed young lady on his arm. It was his eldest daughter. Expecting further revelations, one of the guests now asked if they might not be introduced to the waitresses also. They were summoned, and proved to be the younger sisters of the cook. It is scarcely necessary to add that on that occasion compliments were at a discount.—*Exchange.*

Nasal Balm.

The only medicine in the market that will immediately cure Cold in the Head, and permanently cure Catarrh, Hay Fever, etc.

Miraculous.

"My miraculous cure was that I had suffered from kidney disease for about two years, was off work all the time. A friend told me of B. B. B., I tried it, and am happy to say that I was cured by two bottles." Wm. Tier, St. Mary's, Ont.

Cholera Infantum.

That terrible scourge among children may be speedily cured by Dr. Fowler's Extract of Wild Strawberry. All forms of bowel complaints, nausea and vomiting, from an ordinary diarrhœa to the most severe attack of Canadian cholera, can be subdued by its prompt use. It is the best remedy known for children or adults suffering from summer complaints.

After years of suffering, persons who have vainly sought remedical help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, renews activity of the Bowels and Liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

A Professional Opinion.

Rev. F. Gunner, M.D., of Listowel, Ont., says regarding B. B. B., "I have used your excellent Burdock Compound in practice and in my family since 1884, and hold it No. 1 on my list of sanative remedies. Your three busy B's never sting, weaken or worry."

Nature Makes No Mistake.

Nature's own remedy for bowel complaints, cholera morbus, cholic, cramps, vomiting, sea sickness, cholera infantum, diarrhœa, dysentery, and all diseases of a like nature belonging to the summer season, is Dr. Fowler's Extract of Wild Strawberry, which can be obtained of all dealers in medicine.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds," and is for sale by all Druggists at 25 cents a bottle.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

JOHN J. DALEY, ESQ.

"JOHN J. DALEY & CO.,

REAL ESTATE DEALERS.

There is a very large amount of farm property continually changing hands, nearly all of which is handled by the firm of JOHN J. DALEY & CO., who are well known, not only in this Dominion, but also in the United States and Europe.

MR. JOHN J. DALEY, whose portrait heads this sketch, succeeded Messrs. Thompson & Jackson two years ago in the Royal City; he is now the principal owner and sole manager of the most extensive and most systematically conducted real estate business in farming lands in Canada.

MR. DALEY purchases a large amount of farm property, having within a few months' time bought six farms at an aggregate price of $40,850.00 This firm have the best and most complete system of conducting their business known, which can be easily observed by any practical person in looking over their books, and reading and examining their letters, pamphlets, etc., and more particularly when MR. DALEY briefly and ably explains the system which he himself has adopted.

They have prominent agencies established in Europe as well as in Canada, and they have thousands of applications for farm property from all parts of Canada, the United States and Europe, and many from the Island of Jamacia and South Africa.

The Canadian Farm Advertiser, published by this well-known firm, has a very large circulation throughout Canada, Europe and the United States, and the sales effected recently through this medium are unprecedented in the history of real estate transactions in farming lands in Canada.

The firm are well known for their honorable and straightforward system of doing business, and have quickly secured the full confidence of all with whom they have transacted business. They are active and energetic, and highly esteemed in commercial and social circles. December 24th, 1886."

The above portrait of MR. JOHN J. DALEY and the business notice and sketch of his firm in Guelph, are taken from a book entitled "*The Industries of Canada*," which has been recently published by Messrs. M. G. Bixby & Co., of Toronto, for the purpose of showing the industry, improvement and enterprise of most of the principal cities and towns in Western Ontario, and also for the purpose of giving sketches, and in some instances portraits, of the most prominent and reliable business men in the cities and towns.

And the following is taken from the Guelph *Daily Herald* newspaper of the 30th of April respecting the success of the real estate firm of JOHN J. DALEY & CO., of that city, who sell a great many farms at very high prices. A similar notice appeared in the Guelph *Daily Mercury* of the same date:

"The well-known real estate firm of JOHN J. DALEY & CO. have already this spring posted upwards of 8,200 sealed letters, besides over three-quarters of a ton in weight of other mail matter, principally *The Canadian Farm Advertiser*. This gives some idea of the extent of the firm's business. They now have in the neighborhood of 1,000 agencies established, and are making preparations to establish several thousand more, many of which are to be in Europe, for the purpose of placing their *Canadian Farm Advertiser* in the hands of intending buyers, and in getting them to come to Western Ontario to buy farms placed in the firm's hands for sale."

Those wishing to sell their farms should write for terms to the firm, JOHN J. DALEY, & CO., Guelph, Ont.

PRIDE OF THE VALLEY

Yes. Pride of the Valley—that is the name of the medicine. It cured me of dyspepsia. I bought a sample package for 25c; then, packages for $1; and before I had taken the contents of four packages I was entirely well. Have never felt the symptoms since; that is four years ago. I also bought a bottle of Pride of the Valley Liniment last spring for my husband, who sprained his ankle so badly he could not bear his weight on it. After using Pride of the Valley Liniment for 24 hours he was able to go to work as well as ever. And what is the name of that other Medicine? Why, Pride of the Valley Catarrh and Rheumatic Cure! That is the greatest known remedy in the world for the cure of Catarrh, not an inhaler, but the Medicine to be taken internally once a day. It strikes at the root of the disease and removes the cause at once, as thousands will testify who have used the Catarrh remedy. The three above remedies go hand in hand. And where can I get them? At L. G. MATTHEWS', Acton, Ont. Also at all first-class Medicine dealers in Canada. Manufactured by PROF. A. M. SHREVES, LONDON, ONT.
