a farmer residing in Toronto township, about one and a half miles from Streetsville was visited by a couple of burglars one day last week, who after affecting an entrance began to go through the place in search of aluables. The Pas times were at a disadvantage owing to the absence of several of their foremost players who had not returned from their jaunt to Muskoka, and of course the Toronto boys scored an easy victory. A number of good plays were credited to both sides. The score is as follows :- :
