## The Poet's Folly.

### AUGUST.

August, month when Summer lies
Sleeping under sapphire skies;
Open all the windows wide,
Drink the orchard's fragrant tide,—
Breath of grass at morning mown
Through the leafy vistas blown,—
Hear the clinking of the scythe
Sound mellifluent and blithe.
August, month when everywhere
Music floats upon the air
From the harps of minstrel gales
Playing down the hills and dales:
August, month when sleepy cows
Seek the shade of spreading boughs
Where the robin quirks his head
Contemplating cherries red:
August, month of twilights when
Day half goes, and comes again:
August days are guards who keep
Watch while Summer lies asleep.

—*Frank Dempster Sherman, in St. Nicholas for August.*

### TELL MOTHER IT'S BROTHER WILL.

At a meeting in Chicago, Major Hilton related the following incident which occurred on the Scottish coast:—

Just at break of day of a chilly morning, the people of a little hamlet on the coast were awakened by the booming of a cannon over the stormy waves. They knew what it meant, for frequently they had heard before the same signal of distress. Some poor souls were out beyond the breakers, perishing on a wrecked vessel, and in their last extremity calling wildly for human help. The people hastened from their houses to the shore. Yes, out there in the distance was a dismantled vessel, pounding itself to pieces, with perishing fellow-beings clinging to the rigging, every now and then some one of them swept off by the furious waves into the sea. The life-saving crew was soon gathered.

"Man the life-boat!" cried the men.

"Where is Hardy?"

But the foreman of the crew was not there, and the danger was imminent. Aid must be immediate, or all was lost. The next in command sprang into the frail boat, followed by the rest, all taking their lives in their hands in the hope of saving others. Oh! how those on shore watched their brave, loved ones as they dashed on, now over, now almost under the waves! They reached the wreck. Like angels of deliverance, they filled their craft with almost dying men—men lost but for them. Back again they toiled, pulling for the shore, bearing their precious freight. The first man to help them land was Hardy, whose words rang above the roar of the breakers: "Are they all here? Did you save them all?"

With saddened faces the reply came: "All but one. He couldn't help himself. We had all we could carry. We couldn't save the last one."

"Man the life-boat again!" shouted Hardy. "I will go. What? leave one there to die alone! A fellow-creature there, and we on shore! Man the life-boat now! We'll save him yet."

But who was this aged woman with worn garments and dishevelled hair, who with agonizing entreaty fell upon her knees beside this brave, strong man? It was his mother!

"O my son! Your father was drowned in a storm like this. Your brother Will left me eight years ago, and I've never seen his face since the day he sailed. You will be lost, and I am old and poor. Oh stay with me!"

"Mother," cried the man, "where one is in peril, there's my place. If I am lost, God will surely care for you."

The plea of earnest faith prevailed. With "a God bless you, my boy!" she released him, and speeded him on his way.

Once more they watched and prayed and waited—those on shore—while every muscle was strained toward the fast-sinking ship, by those in the life-saving boat. It reached the vessel. The clinging figure was lifted and helped to its place, where strong hands took it in charge. Back came the boat. How eagerly they looked and called in encouragement, then cheered as it came nearer.

"Did you get him?" was the cry from the shore.

Lifting his hands to his mouth to trumpet the words on in advance of the landing, Hardy called back: "Tell mother it is Brother Will!"

### TEN THINGS A BABY CAN DO.

It can beat any alarm clock ever invented, waking up the family in the morning.

Give it a fair show and it can smash more dishes than the most industrious servant in the country.

It can fall down oftener and with less provocation than the most expert tumbler in the circus ring.

It can make more genuine fuss over a simple brass pin than its mother would over a broken back.

It can choke itself black in the face with greater ease than the most accomplished wretch that ever was executed.

It can keep a family in a constant turmoil from morning till night and night till morning without once varying its tone.

It can be relied upon to sleep peacefully all day when its father is down town and cry persistently at night when he is particularly sleepy.

It may be the naughtiest, dirtiest, ugliest, most fretful baby in all the world, but you can never make its mother believe it and you had better not try it.

It can be a charming and model infant when no one is around, but when visitors are present it can exhibit more bad temper than both of its parents together.

It can brighten up a house better than all the furniture ever made; make sweeter music than the finest orchestra organized; fill a larger place in its parents' breasts than they knew they had, and when it goes away it can cause a greater vacancy and leave a greater blank than all the rest of the world put together.

### THE CHURCHES IN THE UNITED STATES.

The New York *Independent* has collected statistics showing the strength of the principal religious denominations in the United States:

| | Churches. | Ministers. | Communicants. |
|---|---|---|---|
| Methodist | 47,302 | 23,493 | 4,539,578 |
| Roman Catholics | 6,910 | 7,656 | 4,000,000 |
| Baptists | 40,854 | 27,940 | 3,727,193 |
| Presbyterians | 12,958 | 9,422 | 1,032,436 |
| Lutherans | 7,751 | 2,950 | 230,800 |
| Congregationalists | 4,277 | 4,050 | 426,379 |
| Episcopalians | 4,324 | 3,865 | 430,531 |

In this table only the actual communicants of the Roman Catholic Church are counted with that body. The aggregate Catholic population is put at about 7,000,000. The small, separate bodies of christians are classified and counted with the denominations to which they belong, and the total number of communicants or actual church members is estimated at 16,000,000.

*Do not Forget*

When you intend purchasing a first class Organ or Piano to go to J. C. McLean, of the Guelph Temple of Music. He is no agent but buys his goods in large quantities, at rock bottom figures, and only the highest grades are handled.

### WIT AND HUMOR.

The best thing on record is the dead of a corner lot.

When looking for lodgings inquire within or go without.

It was the lady who thought she was going to swoon who had a faint suspicion.

"You say you were very lucky the first time you bought a lottery ticket?" "Yes; I drew a blank, and have never invested since."

It was the editor of one of our esteemed morning contemporaries who once characterized a "gent," as being the vulgar fraction of a gentleman.

Contributor: Here is a manuscript I wish to submit. Editor (waving his hand): I'm sorry. We are all full just now. Contributor (blandly): Very well; I will call again when some of you are sober.

Young lady: Gardener, don't make a flower-bed there; it will spoil our croquet ground. Gardener: Can't help it, miss; them's my orders. Your papa says he is bound to have this plot devoted to horticulture, not husbandry.

"Are you having much practice now?" asked an old judge of a young lawyer. "Yes, sir, a good deal, thank you." "Ah? I'm glad to hear it. In what line is your practice particularly?" "Well, sir, particularly in economy."

Poetic Caller (who has just arrived in Bermuda): What is that balmy, spicy odour that wafts in at the casement, and seems to send the new life spinning through my sluggish Northern blood? Practical Caller (who has been there three weeks): Onions.

Once a pig was lying by the side of the road. On the other side was a man. The pig was sober, the man was drunk. The pig had a ring in his nose, the man had a ring on his finger. Some one passing exclaimed, so that the pig heard it, "One is judged from the company he keeps." Instantly the pig arose and went away.

Total—thirty pounds.—*Rural Canadian.*

**In Brief, And to the Point.**

Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

**Very Valuable.**

"Having used B. B. B. for biliousness and torpid liver, with the best results I would recommend it to all thus troubled. The medicine is worth its weight in gold." Tillie White, Manitowaning, Ont.

**Without Equal.**

Wilson Montrose, of Vienna, Ont., having used Dr. Fowler's Extract of Wild Strawberry in his family for summer complaints, says, "I cannot speak too highly of it, for children as well as aged people troubled with diarrhœa it has no equal."

Shiloh's Vitalizer is what you need for Constipation, Loss of Appetite, Dizziness, and all symptoms of Dyspepsia. Price 10 and 75 cents per bottle. Sold by N. McGarvin.

**A Valuable Discovery.**

F. P. Tanner, of Neebing, Ont., says he has not only found B. B. B. a sure cure for dyspepsia, but he has also found it to be the best medicine for regulating and invigorating the system that he has ever taken. B. B. B. is the great system.

Are you made miserable by Indigestion Constipation, Dizziness, Loss of Appetite, Yellow Skin? Shiloh's Vitalizer is a positive cure. Sold by N. McGarvin.

Forlame back, side or chest, use Shiloh's Porous Plaster. Price 25 cents. Sold by N. McGarvin.

**An Undoubted Opinion.**

"I was severely troubled with diarrhœa and having used some of the wonderful Dr. Fowler's Wild Strawberry, I was in a short time completely cured. I can recommend it as a splendid medicine." Wm. A. Stafford, Shedden, Ont.

That hacking cough can be so quickly cured by Shiloh's Cure. We guarantee it. Sold by N. McGarvin.

Sleepless nights, made miserable by that terrible cough. Shiloh's Cure is the remedy for you. Sold by N. McGarvin.

**R. B. B. Stood The Test.**

"I tried every known remedy I could think of for rheumatism, without giving me any relief, until I tried Burdock Blood Bitters, which remedy I can highly recommend to all afflicted as I was." Henry Smith, Milverton, Ont.

The Rev. Geo. H. Thayer, of Bonborn, Ind., says: "Both myself and wife owe our lives to Shiloh's Consumption Cure. Sold by N. McGarvin.

**Have You Tried It.**

If so you can testify to its marvellous powers of healing and recommend it to your friends. We refer to Dr. Fowler's Extract of Wild Strawberry, the grand specific for all summer complaints, diarrhœa, cholera morbus, dysentery, cramps, colic, sickness of the stomach and complaints of infants or adults. Let its merits be known to all who have not used it.

**Give Them a chance,**

That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and chocked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family throat and nose and head and lung obstructions, all are bad. All ought to begot rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

### SEASONABLE NOTES.

It is the saddest day in a man's life when he feels prompted to gain a dollar without working for it.

Shiloh's Cure will immediately relieve Croup, Whooping Cough, and bronchitis Sold by N. McGarvin.

Croup, whooping cough and Bronchitis immediately relieved by Shiloh's Cure. Sold by N. McGarvin.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

A Nasal Injector free with each bottle of Shiloh's Catarrh Remedy. Price 50 cents. Sold by N. McGarvin.

Shiloh's Catarrh Remedy—a positive cure for Catarrh, Diphtheria and Canker Mouth. Sold by N. McGarvin.

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Eclectric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy. "besides two Buffalo Physicians," without relief; but the Oil cured him; he thinks it cannot be recommended too highly.

**Tamarac.**

A cold will often cause an irritation, dryness and soreness inside the throat. The first dose of Tamarac Elixir will afford relief.

**Physicians**

Are usually averse to proprietory medicines. Nasal Balm is a specific for cold in the head and catarrh, and having faith and evidence that it will cure those troubles, we ask and court a fair trial of the discovery, and a full investigation at their hands.

After years of suffering, persons who have vainly sought remedical help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, renews activity of the Bowels and Liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

**Astonishing Success.**

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 89,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

**Rest and Comfort to the Suffering.**

"Brown's Household Panacea" has no qual for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds, and is for sale by all Druggists at 25 cents a bottle.

PRIDE OF THE VALLEY.

Yes, Pride of the Valley—that is the name of the medicine. It cured me of dyspepsia. First I bought a sample package for 25c; then, five packages for $1; and before I had taken the contents of four packages I was entirely well. Have never felt the symptoms since; that was four years ago. I also bought a bottle of Pride of the Valley Liniment last spring for my hired man, who sprained his ankle so badly he could not bear his weight on it. After using Pride, of the Valley Liniment for 24 hours he was able to go to work as well as ever. And what is the name of that other Medicine? Why, Pride of the Valley Catarrh and Rheumatic Cure! That is the greatest known remedy in the world for the cure of Catarrh, not an inhaler, but the Medicine is to be taken internally once a day. It strikes at the root of the disease and removes the cause at once, as thousands will testify that have used the Catarrh remedy. The three above remedies go hand in hand. And where can I get them?
