ONE LESS AT HOME

One less at home! The cheerful circle broken—a dear face missed day by day from its accustomed place.

One less at home! One voice of welcome hushed, and evermore the farewell word spoken on the steps.

One less at home! One smile that brightened the eyes, and where parting comes not, the soul laments.

One less at home! One smile that brightened the eyes, and where parting comes not, the soul laments.

In Brief, And to the Point.

Dyspepsia is dreadful. Disordered liver is a misery.

The human digestive apparatus is one of the most complicated and wonderful things in existence.

Grainy food, tough food, sloppy food, bad coffee, and all such things, late hours, irregular habits, and many other things which ought not to be done, have made the American people a nation of dyspeptics.

Dr. Williams' Pink Pills for Pale People has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals as they should.

Remember—No happiness without health. But Dr. Williams' Pink Pills bring health and happiness to the dyspeptic.

Ask your druggist for a bottle. Seventy-five cents.

Frances S. Smith, of Elmwood, Montreal, writes, "I was troubled with vomiting for two years, and I have vomited as often as five times a day. One bottle of Dr. Williams' Pink Pills cured me."

The great Gen. Nicholas used to remark that it was "amusing to see a camel sneeze, but you only ought to hear a Russian." The defeat of Russia in the Crimean war is directly traceable to this foolish observation on the part of Nicholas.

It is a well known fact that the cholera epidemic of 1849 was due to the fact that the cholera germ was introduced into the country by a Russian merchant.

I have used Dr. Fowler's Extract of Wild Strawberry for summer complaints, and have given it to my friends. It gives instant relief when all other remedies fail. I would not be without it in my house."

A man may be theoretically a thundering advocate of moral suasion and at the same time keep a good shot-gun to protect his chickens.

"For six years I suffered with my throat and enlarged tonsils. I was very weak; I doctored four years and had advice from three doctors; they said I would have to undergo an operation. I tried B. B. B. instead. One bottle cured me." M. A. Squech, Raglan, Ont.

The choicest illustration of mixed metaphor we have seen for some time is from the Buffalo News: "One lady interested in understood to be related to an ex-Senator who will not let up on the luckless cat-paws until he has them scalped."

There is no remedy known to medical science that can expel Dr. Fowler's Extract of Wild Strawberry as a cure for cholera morbus, dysentery, or any form of summer complaint afflicting children or adults.

One ingenious lady of foreign birth has produced the theory that the reason that Americans have such good forms is that their restlessness and nervousness prevent their being long in one position, so that any defect is not likely to become fixed.

Scientist say that the sun is losing its heat. No scientist would have dared last month to make such a statement.

To effectively cure a bad Cough or Cold, and do it quick, use Tamarac Elixir. It strikes at the root of the trouble and gives immediate relief.

A Wonderful Organ. The largest organ, and one that plays a controlling part on the health of the body is the liver. If torpid or inactive the whole system becomes diseased.

Dr. Chase's Liver Cure is made especially for Liver and Kidney diseases, and is guaranteed to cure. Receive book and medicine free.

Absent-minded business men to office boys. Tommy, go up to my house and tell my wife I have again forgotten my watch.

Bring it back with you. He pulls out his watch and continues: "Now, Tommy, it is 9 o'clock, and so back at ten."

Be in Your Guard. Don't allow a cold in the head to slowly and surely run into catarrh, when you can be cured for 25c by using Dr. Chase's Catarrh Cure. A few applications cure insipid catarrh; 1 to 2 boxes cure ordinary catarrh; 2 to 5 boxes is guaranteed to cure chronic catarrh. Try it. Only 25c and no cure.

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Electric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy, besides two Buffalo Physicians, without relief; but the Oil cured him; he thinks it cannot be recommended too highly."

After years of suffering, persons who have vainly sought medicinal help from other sources, have obtained the long desired relief from Northrop & Eymann's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the tormenting Dyspepsia, renews activity of the Bowels and Liver, relieves malaise incident to the gastric sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

Rest and Comfort to the Suffering. "Brewer's Household Remedies" has got quite for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowel, Sore Throat, Rheumatism, Toothache, Lumbago, and any kind of a Pain or Ache. It will most surely quicken the Blood and heal as its acting power is wonderful."

"Brewer's Household Remedies" is the great Pain Reliever, and of double the strength of any other Elixir or Linctum in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds, and is for sale by all Druggists at 25c per bottle."

Advice to Mothers.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will soothe the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, softens the Gum, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all Druggists throughout the world. Desires to inform the people of Acton and surroundings that he is prepared to take orders for weaving all kinds of Fancy Rag Carpets, Flannel Sheetings, Shirtings and Dress Goods, striped, plain, or plain, also Bed Blankets and Horse Blankets, two yards wide and over.

And I will guarantee that I will give good satisfaction to all farmers and others who will favor me with their patronage.

T. MITCHELL.
