The Young Folks.

SYMPATHY.

BY MARY E. VANDIKE.

Ah! stop and weep for sweet Bo-peep.
Think what it must have cost her;
The critters of those foolish sheep
No trifle can have lost her.
She might have sold them one by one
At some high valuat ou,
At wholesalemon it must be done
Without discrimination.

"But why?—Of course I will explain
If your dull wits still need it.—
To me it seems so very plain
That he who runs may read it.
Like Humpty Dumpty come to ill.
What effort could avail them?
No human will, no mortal skill,
Could ever have retailed them.

—*Harper's Young People.*

LIZZIE'S REBELLION.—THE FIRST AND THE LAST OF IT.

BY MRS. ANNETA PRESTON.

This was the first of it: Four-year-old Dewey, in his long white night gown, was kneeling by mamma's knee, saying his prayers, and when to "Jesus, tender Shepherd, lead me," he added, "God bless papa and mamma and little sister," Lizzie, who was sitting upon mamma's lap, like any other two-year-old baby, piped up, to every one's surprise,

"Not little sister: little sister take care her's self."

This Lizzie repeated every evening, and she grew so naughty and rebellious over it that grandma said,

"It is only a baby's freak, and it will be soon forgotten if we don't take any notice of it."

So every night for some time Dewey waited until his little sister's blue eyes were fast asleep before his prayer was uttered.

One morning, after several weeks had slipped by in this way, the two children were at play in the grain-room at the barn.

"Don't leave little sister, Dewey," and, "Don't climb, baby," said mamma, as she left them and ran across the garden to a neighbor's.

Lizzie, who was as fond of climbing as if she had been made with claws, like a kitten, instead of with plump, dimpled fingers and toes, paid no heed to her mamma's words, but scrambling upon a rickety chair, she soon gained the top of a high bench, and from there climbed upon a hogshead, over the open top of which was thrown a large piece of sacking, perhaps to keep the chickens out of it.

Instead of the firm foundation she expected to find, there was nothing to hold her, and down she went nearly to the bottom upon a few bushels of green oats. But she was not hurt, and not very badly frightened.

"Oh! oh! Lizzie!" shrieked Dewey. "Are you dead?—are you dead?"

"No," came the smothered answer; "I'm awful s'prised."

Pretty soon she called again, "Are you crying, Dewey? What are you crying for?

"Oh Yes," sobbed the little boy. "I don't know what to do. I can't get you out, and I mustn't leave you to go for mamma. Oh dear!"

"Why don't you pray?" said Lizzie encouragingly. "Tell God Lizzie's tumbled into a hole where she can't take care her's self."

Just then the butcher appeared in his white frock, and seeing Dewey's grief, he inquired what the matter was. Then, as he reached down his long arms and lifted Lizzie by her upreached hands, she sobbed for the first time:

"Oh, thank you, God, for coming down for me. I'll let Dewey ask you to take care of me every time now." And she did. So that was the last of it.—*Harper's Young People.*

In Brief, And to the Point.

Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a notion of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

Dangers of Delay.

If we were allowed to look into the future and see the fatal consequence that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure; but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not diseases of the throat and lungs, bronchitis, asthma, consumption, and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs, is Bickle's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

D. Sullivan, Malcolm, Ontario, writes:—"I have been selling Dr. Thomas' Eclectric Oil for some years, and have no hesitation in saying that it has given better satisfaction than any other medicine I have ever sold. I consider it the only patent medicine that cures more than it is recommended to cure."

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

Barber—"Thin out your hair a bit, sir?" Customer—"No, never mind; my wife attends to that. But you oil it well."

"Two souls with but a single thwart," as John Henry remarked when Susan's mother said she wouldn't hear of such a thing.

Worms often destroy children, but Freeman's Worm Powders destroy Worms, and expel them from the system.

Sleep is said to be a tranquilizer, but just the same, when a man wraps the drapery of his downy couch about him, he gets on his ear.

National Pills are the favorite purgative and anti-bilious medicine; they are mild and thorough.

Pat says that if men could only hear their own funeral sermons and read their own headstones, there would be no living in the world with them.

A crying evil.—Children are often fretful and ill when worms are the cause. Dr. Low's Worm Syrup safely expels all Worms.

Nil Disperandum.

"Never despair," is a good motto for all. If afflicted with any lingering disease, remember "while there is life there is hope." Never despair of relief until you have tried Burdock Blood Bitters. It cures diseases of the stomach, liver and blood when all other remedies fail.

Wheezing, gasping sufferers from Asthma receive quick and permanent relief by using Southern Asthma Cure. Sold by all druggists or by mail on receipt of price.

We Think it High Time

that people came to their senses and stopped using the cheap, trashy, injurious, health destroying Baking Powders. Imperial Cream Tartar Baking Powder is pure, reliable and the best article.

Holloway's Corn Cure is the medicine to remove all kinds of corns and warts, and only costs the small sum of twenty-five cents.

James H. Gilmour, of T. Gilmour & Co. Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

A Hint to Housekeepers.

Mrs. Robert Williamson, of Glenila, Parry Sound, Ont., says, "I could not keep house without Hagyard's Yellow Oil at hand. I have used it in my family for croup, sore throat, and a cut foot and can highly recommend it to everybody."

A Postmaster's Opinion.

I have great pleasure in certifying to the usefulness of Hagyard's Yellow Oil," writes D. Kavanagh, postmaster of Umfraville, Ont., "having used it for soreness of the throat, burns, colds, etc. I find nothing equal to it."

To remove Dandruff.—Cleanse the scalp with Prof. Low's Magic Sulphur Soap. A delightful medicated soap for the toilet.

A Matter of Economy.

As a matter of economy B. B. B. is the cheapest medicine in use for it takes less to cure chronic diseases of the stomach, liver, kidneys and blood, than of any other known remedy. B. B. B. is only One Dollar a bottle.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

A Claim Verified.

B. B. B. claims to cure all curable diseases of the stomach, bowels, liver, kidneys and blood. That is actually performs all it claims, is proven by testimonials from parties which none can dispute. Send for testimonials of remarkable cures.

Be on Your Guard.

Don't allow a cold in the head to slowly and surely run into catarrh, when you can be cured for 25c. by using Dr. Chase's Catarrh Cure. A few applications cure incipient catarrh; 1 to 2 boxes cures ordinary catarrh; 2 to 5 boxes is guaranteed to cure chronic catarrh. Try it. Only 25c. and sure cure.

Mr. George Tolen, Druggist, Gravenhurst, Ont., writes: "My customers who have used Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure say that it has done them more good than anything they have ever used." It has indeed a wonderful influence in purifying the blood and curing diseases of the Digestive Organs, the Liver, Kidneys, and all disorders of the system.

In a Dreadful Condition.

Hattie E. Manthorn, of Mill Village, Ont., says, "My cough was dreadful, I could not sleep at nights on account of it, but when I used Hagyard's Pectoral Balsam I had rest and was quickly cured. All druggists sell this invaluable cough remedy.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds and is for sale by all Druggists at 25 cents a bottle.

PRIDE OF THE VALLEY.
Yes. Pride of the Valley—that is the name of the medicine. It cured me of dyspepsia. First, I bought a sample package for 25c; then, five packages for $1; and before I had taken the contents of four packages I was entirely well. Have never felt the symptoms since; that was four years ago. I also bought a bottle of Pride of the Valley Liniment last spring for my hired man, who sprained his ankle so badly he could not bear his weight on it. After using Pride of the Valley liniment for 24 hours he was able to go to work as well as ever. And what is the name of that other Medicine? Why, Pride of the Valley Catarrh and Rheumatic Cure! That is the greatest known remedy in the world for the cure of Catarrh, not an inhaler, but the Medicine is to be taken internally once a day. It strikes at the root of the disease and removes the cause at once, as thousands will testify that have used the Catarrh remedy. The three above remedies go hand in hand. And where can I get them? At L. G. MATTHEWS', Acton, Ont. Also at all first-class Medicine dealers in Canada. Manufactured by PROF. A. M. SHREVES,

MANHOOD
How Lost. How Restored!
Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical cure of Spermatorrhœa or Incapacity induced by excess or early indiscretion.
The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be radically cured, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
