Poetry.

A BOY'S PROMISE. A school was out and down the street / A boy crowd came thronging.

THE MAGIC BOX. A young story of olden times, recently told in Golden Days.

JUSTICE TO MRS. JOB. Job was a wonderfully afflicted man, but as a partial compensation for it he had the sympathy of the human race for 4000 years.

THE GAME OF THE DUTIFUL DAUGHTER. The Chicago Mail has discovered a little daughter who by her dutiful conduct

EXERCISE FOR GIBBETS. However just much of the criticism upon the management of children at the present time may be it is certainly true that in some respects at least modern mothers are wiser than their mothers and grandmothers

A CASE OF CASUALISM. Some time ago an English gentleman found a large turpin in his field of the shape of a man's head

THE WORKER AS A PHILOSOPHER. The young man asked him for the hand of his daughter, and a pang wrung the fatherly heart of Mr. Kajones

RICHLY Rewarded and those who will find a profitable employment that will not only enable them to support their families

Justice to Mrs. Job.

Job was a wonderfully afflicted man, but as a partial compensation for it he had the sympathy of the human race for 4000 years.
