HOME GLEANINGS.

Which are full of a local character and interest.

Burglaries at Streetsville.

Burglaries have been very frequent at Streetsville, several instances having been broken into on Thursday night. Among these were Mr. T. Allen's carriage factory, Mr. Beatty's jeweler's shop, also that of Mr. T. H. Geddes. The following persons have been arrested: Charles Davis, William Card, George Fowler, Billy Barlow and Howard Lake.

Find Woods never die.

The Acton Free Press, which a few weeks ago had a new paper printed in the city, has now added a steamer engine. Our friend, Mr. A. L. Moore.

—Mother earth is pretty well covered up again.

—Easter services were held this week.

—Spring is seen, but it is not yet.

The darning-needle will now take over.

The harness has started out 30 days in here.
