HOW TO BE MISERABLE

How ter be miserable—Well, I allow
There's precious few mortals ez feelin's incread how!
Mebbe there's some, tho', es haven't enjoyed
The simon-pure article, un-cut-ioyed;
Seem-lein' so, they must hanker tew know
Their most expedishus route tew go.
Tew Misery-ville. Well, I should say
That the most reliablest, quickest way . . .
Tew "get thar, Eli" is First tew get
Clean over your head and ears in debt;
(There's a fust-class "starter" tew tu'rd feelin' glum.
An' almost shal to gurglin' rum;)
Be a second pureceedin', I'd think a lot
'Bout ther things I needed an' hadn't got;
I'd say mean things of my feller men,
Let my hair grow long an' sharpy, an' then
I'd screw my boots to run down at the heels;
Find fault with the quality of my meals.
In short, I'd act ezlarly ez sin,
Keep the unsatisfied out an' the shadders in;
By doing this with a steadfast will
Tew kin reckon on reachin' ele Misery-ville.

WHICH WAS IT?

Miss Blank is a teacher in the Girls' Latin School. In teaching anatomy she uses the articulated skeleton of a girl, and beginners in the study of anatomy in Miss Blank's class are usually very much impressed by her familiarity with the facts in a wesome object. Not long ago a new girl in the class sat through the lesson in a sort of stupefied silence, gazing fearfully at the grinning skeleton and amazedly at the teacher who handled it with serene composure. When the lesson was over, the new girl, making a frightened detour around the skeleton, approached Miss Blank, and in a horrified, thrilling whisper inquired: "Is that the skeleton of a Latin school girl or a high school girl?" Miss Blank was compelled to confess ignorance on that vital point.—*Boston Commonwealth.*

A MIRACLE.

The Rev. Mr. Kellogg, a clergyman, who spent some time in Turkey, says that he recently brought over here a converted Armenian. The convert was so anxious to begin the work of converting others as converts usually are and started in on the east side to tell the gospel story to the people about him. He had mastered the English language sufficiently so that his zeal made up for the lack of a proper word here and there. Among his hearers was a street boy, to whom the Armenian attempted to relate as an example of Christ's wonderful power the tale of the miracle of the loaves and fishes. He got his words twisted in the relation so that he made it appear that 5,000 loaves and 2,000 fishes had been fed to the twelve apostles. The street boy opened his mouth in mute wonder and said never a word in reply. 'Now wasn't that a miracle?' asked the Armenian. 'Yes,' was the practical lad's reply. 'It's a miracle that they didn't bust.'

In Brief And to the Point.

Dyspepsia is dreadful. Disordered liver misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of be most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a notion of dyspepsia.

But Green's August Flower has done a wonderful work in reforming this evil business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, Severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 60,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quiet on the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Ache of all kinds, and is for sale by all Druggists at 25 cents a bottle.

Dangerous Counterfeits.

Counterfeits are always dangerous, more so that they always closely imitate the original in appearance and name. The remarkable success achieved by Nasal Balm as a positive cure for Catarrh and Cold in the Head has induced unprincipled parties to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, bearing such names as Nasal Cream, Nasal Balsam, etc. Ask for Nasal Balm and do not take imitations dealers may urge upon you. For sale by all druggists or sent post-paid on receipt of price (50c and $1) by addressing Fulford & Co., Brockville, Ont.

Cause and Effect.

Many persons wonder at the tired, worn and weary feeling that oppresses them without any apparent cause. It may be poverty of the blood or a disordered stomach; in either case the stomach, blood and liver are not performing their regular functions, and, with many persons, they will follow a dull, heavy headache, nausea and many other symptoms that precede a well developed case of Dyspepsia. Purify the blood, cleanse the system of the clogged secretions by using Mcclean's Mandrake Mixture, prepared by J. B. Mcclean, 123 Yonge street, a chemist of nineteen years experience.

Among the pains and aches with marvelous rapidity by Dr. Thomas' Eclectric Oil, is ear-ache. The young are especially subject to it, and the desirability of this Oil as a family remedy is enhanced by the fact that it is admirably adapted not only to the above ailment, but also to the hurts, disorders of the bowels, and affections of the throat, to which the young are especially subject.

ONTARIO TO THE FRONT.

A Matter of Vital Importance.

The following unsolicited opinions from your friends and neighbors, men and women, whom you know and respect, ought to carry conviction to any doubting mind. These words of gratitude are from those who have been afflicted but are now well, and the persons giving them are naturally solicitous that others, troubled as were they, may know the means of cure. There is no reason why you should be longer ill from kidney, liver or stomach troubles. You can be cured as well as others. Do not longer delay treatment, but to-day obtain that which will restore you to permanent health and strength:

296 McNab St. North, Hamilton, Can., Nov. 2, 1886.—I had been suffering for over twenty years from a pain in the back and one side of the head, and indigestion. I could eat scarcely anything, and everything I ate disagreed with me. I was attended by physicians who examined me and stated that I had enlargement of the liver, and that it was impossible to cure me.

They also stated that I was suffering from heart disease, inflammation of the bladder kidney disease, bronchitis and catarrh, and that it was impossible for me to live. They attended me for three weeks without making any improvement in my condition. I commenced taking "Warner's Safe Cure," and "Warner's Safe Pills," acting strictly up to directions as to diet, and took thirty-six bottles, and have had the best of health ever since. My regular weight used to be 150 lbs. When I commenced "Warner's Safe Cure," I only weighed 140 lbs. I now weigh 210 lbs.

Mrs. Hutchings

St. Catharines, Ont., Jan. 24th, 1887.—About six years ago I was a great sufferer from kidney disease, and was in misery all the while. I hardly had strength enough to walk straight and was ashamed to go on the street. The pains across my back were almost unbearable, and I was unable to find relief, even temporarily. I began the use of "Warner's Safe Cure," and in spite of my work I found relief, and after taking eight bottles, I was completely cured.

Wm. Dalzwagg

Manager for American Express Co.

Toronto, (18 Division Street,) Sept. 17, 1887.—Three years ago last August my daughter was taken ill with Bright's disease of the kidneys. The best medical skill in the city was tacked to the utmost, but to no purpose. She was racked with convulsions for forty-eight hours. Our doctor did his best, and went away saying the case was hopeless. After she came out of the convulsions, she was very weak and all her hair fell out. The doctor had left us about a month when I concluded to try Warner's Safe Cure," and after having taken six bottles, along with several bottles of "Warner's Safe Pills," I saw a decided change for the better in her condition. After taking twenty five bottles there was a complete cure. My daughter has now a splendid head of hair and weighs more than she ever did before.

Wm. Jas Barnes

Chatham, Ont., March 6, 1888.—In 1884 I was completely run down. I suffered most severe pains in my back and kidneys, so severe that at times I would almost be prostrated. A feel of ambition, a great desire to urinate, without the ability of so doing, coming from me as it were in drops. The urine was of a peculiar color and contained considerable foreign matter. I became satisfied that my kidneys were in a congested state and that I was running down rapidly. Finally I concluded to try "Warner's Safe Cure," and in forty-eight hours after I had taken the remedy I voided a urine that was as black as ink, containing quantities of mucus, pus and gravel. I continued, and it was not many hours before my urine was of a natural straw color, although it contained considerable sediment. The pains in my kidneys subsided as I continued the use of the remedy, and it was but a short time before I was completely relieved. My urine was normal and I can truthfully say that I was cured.

J. Woods

Galt, Ont., Jan. 27, 1887.—For about five years previous to two years ago last October, I was troubled with kidney and liver trouble, and finally I was confined to my bed and suffered the most excruciating pain, and for two weeks' time I did not know whether I was dead or alive. My physicians said I had enlargement of the liver, though they gave me only temporary relief. Hearing of the wonderful cures of "Warner's Safe cure," I began its use, and after I had taken two bottles I noticed a change for the better. The pains disappeared, and my whole system seemed to feel the benefit of the remedy. I have continued taking "Warner's Safe Cure" and no other medicine since. I consider the remedy a great boon, and if I ever feel out of sorts "Warner's Safe Cure" fixes me all right. I weigh twenty pounds heavier now than ever before.

Inventor of the Maple Leaf Lance-tooth Cross cut saw.

Attention to Mothers.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic soften the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Four Years of Suffering.

Mrs. Torrance McNish, of Smith's Falls, Ont., after four years' intence suffering with Scrofula, from which her head became bald, was cured by Burdock Blood Bitters, after the best medical aid had failed.

James H. Gilmour, of T. Gilmour & Co., Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

Use Prof. Low's Sulphur Soap for Prickly Heat, Nettle Rash, Scaley Eruption, Itch, and all diseased conditions of the skin.

Holloway's Corn Cure is the medicine to remove all kinds of corns and warts, and only costs the small sum of twenty five cents.

Wheezing, gasping sufferers from Asthma receive quick and permanent relief by using Southern Asthma Cure. Sold by all druggists or by mail on receipt of price.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years. It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

The Hectic Flush, pale hollow cheeks and precarious appetite, indicate worms. Freeman's Worm Powders will quickly and effectually remove them.

The Cold Dip.

During the recent cold weather here I had three fingers frozen. We had some Hagyard's Yellow Oil in the house and I tried it with good results. Wm. Maclaus, Montreal, P. Q.

The entering wedge of a complaint that may prove fatal is often a slight cold, which a dose or two of Ayer's Cherry Pectoral might have cured at the commencement. It would be well, therefore, to keep the remedy within reach at all times.

You Are Safe

in buying Imperial Cream Tartar Baking Powder. It is the purest made. All grocers sell it.

She Speaks From Experience.

Miss Edith Fox, of Amherstburg, Ont., had a severe case of Quinsy. She writes: "I tried the doctor's medicine, but got no relief. I was told to try Hagyard's Pectoral Balsam. After taking two doses I got relief, and when I had taken three parts of the bottle, I was completely cured."

A Cure For Deafness.

There have been many remarkable cures of deafness made by the use of Hagyard's Yellow Oil, the great household remedy for all Pain, Inflamation and Soreness. Yellow Oil cures Rheumatism, Sore Throat and Croup, and it is useful internally and externally for all pains and injuries.

The prevalence of scrofulous taint in the blood is much more universal than many are aware. Indeed, but few persons are free from it. Fortunately, however, we have in Ayer's Sarsaparilla, the most potent remedy ever discovered for this terrible affliction.

A Lucky Escape.

Mrs. Cyrus Kilborne, of Beamsville, Ont., had what was thought to be a cancer on her nose, and was about to submit to a cancer doctor's operation she tried Burdock Blood Bitters, which effected a radical cure. This medicine cures all blood diseases.

The Revolt which is caused in a dyspeptic stomach by a meal digestible by one which it in average health, can be permanently subdued and the tone of the organ restored by the systematic and persistent use of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which imparts tone to the digestive viscera, and removes all impurities from the blood.

Heed Your Guard.

Don't allow a cold in the head to slowly and surely run into catarrh, when you can be cured for 25c. by using Dr. Chase's Catarrh Cure. A few applications cure fulsipient catarrh; 1 to 2 bottles cures ordinary catarrh; 2 to 5 bottles is guaranteed to cure chronic catarrh. Try it. Only 25c. and cure cure.

Mr. T. J. Hunter, Columbus, Ohio, writes: "I have been afflicted for some time with Kidney and Liver Complaint, and find Parmelee's Pills the best medicine for these diseases. These Pills do not cause pain or griping, and should be used when a cathartic is required. They are Gelatine Coated, and rolled in the Flour of Licorice to preserve their purity, and give them a pleasant, agreeable taste.

A Good Countenance.

Boils, Pimples, Blotches and Skin Humors disfigure the countenance. Purify the Blood by using Burdock Blood Bitters to remove the impure matter which feeds it, and the result will be a clear skin, good complexion and perfect health.

Hexham's Beef, Iron and Wine.

If you are languid and weak, and your appetite poor, try Beef, Iron and Wine in the tonic, be sure.

As an invigorating tonic it is recognized by the Medical Profession as the best strengthening medicine thus far produced. It is invaluable as a blood-and-muscle maker, especially in those cases where weakness is the result of imperfect or infood, of wasting fevers or excess of any sort. It contains the nutriment of Beef, the stimulant properties of Wine and the tonic powers of Iron, and is admirably calculated to build up the emaciated system.

It is worse than madness to neglect a cough or cold which is easily subdued if taken in time becomes, when left to itself, the fore-runner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, had a cough or hoarseness, give the Syrup according to directions.

WARNER'S "SAFE" CURE

Mark it well!

In the past decade H. H. Warner, who was restored to health from an "incurable Kidney disease" by what is now known as Warner's Safe Cure, and made a vow that he would spread its merits before the entire world of sufferers—has seen the most *signal proofs of the world's need* of a Scientific Kidney Specific. All nations recognize and welcome Warner's Medicines as standards of the highest excellence because their curative effects are *PERMANENT*—a wide proof of power and merit. Read a few of their voluntary testimonials. They speak a varied language, but tell a common story:

FRANK STUART, of Fort Pelly, Assa., *CALCUTTA, INDIA*, "is happy to report that with a single attack of liver trouble, I took 75 to 'et I had twenty of the most terrible attacks. On the way to Japan, Capt. Connor of the "Central Maru" recommended me to use Warner's Safe Cure. After using 11 bottles, *I had a sound, hearty appetite, thorough enjoyment of life*, things to which I had been a stranger for six long years."

GEORGE BICKNELL, Editor Daily Telegraph, *MELBOURNE, AUS.*, the great Australian Daily, March 31, 1886, wrote: "Work of a sedentary character for 25 years developed very unpleasant symptoms of illness, of the Liver and Kidneys. I tried Warner's Safe Cure, which *speedily relieved me* of the unpleasant symptoms, reanalled by Doctors, and been able to resume the arduous duties of my editorial work. It is a great satisfaction to me to add my testimonial to the many in favor of Warner's Safe Cure."

DR. GUSTAV WEBER, of Perfect Health, of Berlin, *GERMANY*, March 31, 1886, writes: "For a number of years I have suffered with a severe form of kidney disease. Innumerable Doctors and remedies failed to relieve me, and I was finally induced to try Warner's Safe Cure. To the surprise of myself and friends, I found relief within a few days after I had taken the remedy. After using the contents of the first bottle of Warner's Safe Cure, I felt *completely my own*, for a short time previously I was a mere wreck of my former self, apparently beyond recovery. I hope all will find my statement beneficial."

REV. HENRY PLUIE, M. A., of Brisbane, *NORTH QUEENSLAND*, Oct. 15, 1887, writes: "Pleased to add my testimonial to the many others I have seen of the cures effected by Warner's Safe Cure. I have myself derived great benefit from its use, and find it to be the best remedy for the prevention of fever that I have ever come across. I feel that I have even saved my life, for I could not get on any other with certainty. I look forward to its use as a luxury with certainty I look forward to it with a relish."

GEO. THORNE, Parliament, *QUEENSLAND*, at Brisbane, Sept. 16, 1887, writes: "I have recommended Warner's Safe Cure to many people who have suffered from different forms of kidney disease, and have known it to effect a cure in every case. Personally I have used the medicine and derived the greatest benefit from it."

CAPT. CONNOR, of the Steamer "Central Maru," *JAPAN*, "suffered from congestion of the kidneys and liver, losing four stone in weight, determined to give up his seamanship, almost *contemplated suicide*. One day an American passenger recommended him to use Warner's Safe Cure. In *two months he recovered his lost strength*, and was *the personification of health and strength*. "God bless the day I took Warner's Safe Cure," he says.

GEN. W. F. NUTHALL, of the Edith Terrace, Hampton, S. W., *LONDON, ENG.*, who contracted Kidney and Liver disease in India, March 10th, 1887, wrote that he "was at times prostrate with the most agonizing attacks from the effects of Gravel. I was firmly of the opinion that I should *never recover my health*, as the doctors in India had caused so much injury to my Liver and Kidneys that I was beyond permanent help. In this despondency condition I began Warner's Safe Cure, and in eight months I *fully recovered my health*, and to-day am in its full and perfect enjoyment, *never having a particle of trouble* since my remarkable recovery. As this was five years ago, I can safely say that the wonderful cure was permanent and I am to be attributed to Warner's Safe Cure."—[Author of "Safe Cure" inside.]

DR. WM. EDWARD ROBSON, Late Royal Navy, *ENGLAND*, writes August 1st, 1887, from New Haven, Sussex, Eng.: "My attention was forcibly drawn to Warner's Safe Cure about a year ago, when a patient of mine suffering from Bright's Disease was *cured by its use*. Since that time I have prescribed it in hundreds of cases, with the most gratifying results, and I am fully convinced that it is the best and most reliable remedy for all forms of kidney disease that I have ever used."

WILLIAM SEDE DALLEY, C. C., Private Secretary to the Queen, Sydney, *NEW SOUTH WALES*, writes February 21, 1887: "I can bear testimony to the very great improvement in my health consequent on the persistent use of Warner's Safe Cure."

The Hon. W. B. Dalley is the most celebrated lawyer in the Colony and the most brilliant criminal advocate in Australia. He was Premier of the Colony of New South Wales.

☞ H. H. Warner & Co. point with pride to the World-'Round Fame of Warner's Safe Cure. They offer the above as genuine in all respects and true, so far as they know with $5,000 for proof to the contrary. Ask your friends and neighbors about

MANHOOD

How Lost. How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical Cure (without medicine) of Spermatorrhœa or Seminal Weakness, Impotency, Nervousness, Lassitude, Indigestion, Impediments to Marriage, Consumption, Epilepsy and Fits, Mental and Physical Incapacity, resulting from excesses or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be avoided, pointing out a mode of cure at once certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

☞ This lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address on receipt of four cents, or two postage stamps. Address
