At a meeting of the Hallowed Reform Executive Committee held Wednesday afternoon it was resolved to hold a convention in the Town Hall, at Milton on Saturday, 21st, at 2 p. m. ...

The Canadian Pacific Colonization Corporation to found the town of Queenston, in the North-west, has been formed with a capital of \$200,000 in £10 shares. At present half of this will be credited to a bond of \$100,000 being entered as a bond of fully paid shares for every four shares allotted.

The London Standard has an editorial most complimentary to Canada. Speaking of a recent banquet, it says, "All Englishmen will echo the London Standard's congratulations to Canada. ..."

The Prohibition party in the United States is by no means disposed to take a back seat. It is ambitious, and it aims high. It has no intention to play second fiddle to either of the great parties. ...

WHAT THE DEAD KAISER WISHED.
New York, July 16.—A Berlin despatch to the Herald says: "A private letter of the dead Kaiser, which had just come to light, reveals that he had two objects in view in his heart. First was the settlement of the Alsace-Lorraine question, and second the marriage of his daughter Victoria. ..."
