NOTES AND COMMENTS. Most of the Ministers at Ottawa are home for the holidays, and very little Government business will be done till after the New Year.

The Toronto census just completed shows that city to have a population of 166,000 exclusive of Parkdale. This is a gain of over 30,000 in a year.

The New York Herald of Friday printed a sensational story about a plot to assassinate President-elect Harrison. The universal belief is that there is no foundation for it.

There will shortly be Dominion by-elections in four Provinces—Provencher, in Manitoba; Haldimand, Ontario; Joliette, in Quebec, and Cumberland, in Nova Scotia.

The licensed hotelkeepers of Ottawa have decided to notify all brewers to cease selling to unlicensed proprietors, and anyone that is found doing so after such notification will not be patronized by any licensed house.

Respecting the Halton Dominion Election Polling one step has been taken. Mr. McMillan, for the petitioner, moved at Osgoode Hall, a week ago, before Judge ...

The claims of the Central Bank Liquidators were finally disposed of by the Master in Ordinary on Tuesday. He declined to re-open the case as requested by Mr. Kerr, and said that his decision, rendered a week ago, would stand as his judgment. As we stated last week the decision cuts down the claims of the liquidators to between one third and one half of the \$36,000 asked.

The Forest ex-hotel keepers engaged every available room in that town the other day in order to prevent P. M. Campbell from trying Scott Act cases against them. Mr. Campbell grasped the situation and adjourned the cases for a week, when the defendants and witnesses will be required to appear at Wainford, at ten miles away. The Foresters are now inquiring where the laugh comes in.

The St. Mary's Argus wants to know why should the Election Act be amended so as to give the vote to the candidate with the next highest number of votes when a member has been nominated and thus put a stop to the chances of having a much more numerous election in constituencies that cannot keep dishonest scalawags and "five-dollar" men out of their midst. A good deal could be said in favor of this proposal.

The statement of the finances of the municipality, published last week by the Council, must be in every respect satisfactory to the ratepayers. By this statement the assets which are shown to reach \$10,500, do not include the public school buildings at \$1,500 and the public school buildings at \$5,500; the total assets of the municipality amounting to \$15,500. On the other hand the total liabilities of the town, including both town hall and cemetery debentures, only amount to \$5,500; so that Acton has \$10,000 above liabilities, a very creditable showing for a small municipality.

The Statutes of Ontario have established certain qualifications for members of municipal councils. The persons disqualified from being members of councils are judges, keepers of houses of correction, sheriffs, deputy sheriffs, sheriff's bailiffs, high bailiffs, chief constables, assessors, collectors, treasurers and clerks of municipalities, county town attorneys, deputy clerks of the crown, clerks of county courts, clerks of the peace, inn keepers, saloon keepers, shop keepers licensed to sell liquor by retail, license commissioners, inspectors of licenses, police magistrates, persons having by themselves or their partners any interest in any contract with the corporation, and those who are prosecuting any claim against the corporation.

GOOD READING

At this time of the year when everyone is endeavoring to provide amusing and instructive reading for the friends, Toronto Saturday Night should be remembered as one of the best written, cleanest and most elaborately illustrated papers published in the Dominion. It contains twelve pages of reading matter and pictures, many of which are reproductions of the finest works of art in Europe, while its pages of humorous selections are direct reproductions of the choicest pictures and paragraphs of the English and American comic papers. The publishers challenge the world for an equally attractive illustrated free-centime paper. It contains the Family Herald stories which appear simultaneously with their original publication in England, and throughout it is a paper for which every father of the family should subscribe. By special arrangements with the publishers we are enabled to offer Toronto Saturday Night and the Free Press at \$2.25 per annum. It is certainly an opportunity of which all should take immediate advantage, for we are really giving our paper and the Saturday Night for less than the price of the latter.

Belly Injured in a Railway. GRENZ, Dec. 22.—The horses of Wm. Elgie, one of the oldest farmers in Nichol township, took fright at the Grand Trunk station on the arrival of the afternoon express from Toronto to-day and ran away. Mr. and Mrs. Elgie were in the demoralized and turning a street corner both were violently thrown out on the hard road. They were at once taken to the General Hospital. Both were unconscious for several hours, but at latest reports had regained consciousness and it is now thought they may recover.

A HAPPY NEW YEAR

Before we again address our readers, old Father Time will have ushered in the New Year and all our young men will form good resolutions and people generally will determine to live more economically and to lead a better life during the coming twelve months. The passing away of another landmark in the journey of life, is so eminently calculated to stir the most stagnant and to cease the uplifted cup-tremble in the reveler's hand.

In looking back a year there is much reason for congratulation. Canada has been spared many of those evils which have cursed the people in other countries. In many, fevers, pestilence, earthquakes and internal national troubles have caused wide-spread distress. Death has been busy at his grim work, and many a vacant chair will greet the memories in thousands of families in other parts of the world. In our own country, we are glad to say, it has been very different, although there are many whose voices are now silent that twelve months ago wished the greetings of the season. Yet Canada has enjoyed a healthy, peaceful and fairly prosperous year for which her people are grateful.

With the hope that the coming year will prove still more prosperous to our country, we sincerely wish our readers and friends a Happy and Prosperous New Year.

MANITOBA WINS THE CASE

A Triumph for the Province in the Railway Crossing Case. The Hon. Mr. Justice G. B. S. R.

Ottawa, Dec. 22.—In the Supreme Court to-day, the Judges unanimously decided in favor of Manitoba in the Red River Valley Crossing Case. The following opinion of the court in regard to the Manitoba railway crossing case was read by Chief Justice Ritchie:

"This court having heard the counsel from the Province of Manitoba, also of the Canadian Pacific railway, is unanimously of opinion that said statute of Manitoba is valid and effectual so as to confer authority on the Railway Commissioner, in the said statute of Manitoba mentioned, to construct such a railway as the Portage extension of the Red River Valley Railway, crossing the Canadian Pacific Railway, the railway Committee first approving of the mode and place of crossing and first giving their direction to the matters mentioned in sections 174, 175 and 176 of the said Railway Act."

The Chief Justice added that this decision would be put on the records of the court and a copy forwarded to the railway committee of the Privy Council.

The decision of the court was a pleasant surprise, as the general opinion was that the Canadian Pacific railway would come out ahead, owing to the wording of sections 306 and 307 of the Railway Act.

Yesterday, Dec. 21.—There is general rejoicing on the streets of the city over the decision of the Supreme Court on Saturday in the Manitoba railway crossing case. Attorney-General Martin is congratulated on all hands. Mr. Martin in an interview said:—We are going right on with operations. We intend to reach the Portage at the earliest possible moment. A few days' delay will be all that is efficient to get started. After that time the work will go on with all haste. Mr. Martin does not anticipate any further difficulties. He thinks the verdict will be of great benefit to the Province.

AFTER MANY YEARS

An Actor Debut Pays a Debt Nearly Half a Century Old.

The Dundas Standard gives currency to the following story:—Six years and years ago, away back in the 40's Mr. Nash, who was the pioneer in the fur business in the old Gore district, sold a man some goods in the usual way of trade. Then, as now, there was a larger credit than cash business done, and the transaction was stated. Mr. Nash died 42 years ago, and his partner in life followed him in 1871. The estate was wound up, but of course many outstanding accounts were never collected. Among these was one owing by a party now living in the village of Acton, who shall be nameless. The strange part of the story is now to be told. On the 7th inst. Mrs. W. H. Gray, of this town, received a letter addressed to her mother, the late Mrs. Nash. It stated the facts regarding the debt above stated, and on the 10th the money in liquidation of the debt was received. What a memory that man must have had! 42 years carrying around the intention to pay, but never able! Or was it a case of re-awakened conscience? We incline to the former belief, and regard the man as a hero who of his own free will, after a lapse of forty-two years, and when all knowledge of it has gone from all but himself, paid his debt. It would be interesting reading to know the struggles through which he has passed before being able to do the thing his heart dictated; but that we suppose is without the probabilities. We don't our hat to the Acton debtor who has thus paid a debt of 42 years standing. Our readers will now ask, Who is the man?

ROCKWOOD NEWS

Mr. Dan Strachan is home from Queen's College, Kingston, for Xmas holidays. The reading of Mr. John Sinclair and Miss Black, two ex-teachers of the Rockwood school is announced for to-morrow.

A large number of the Rockwood young people enjoyed an evening's sport in the Acton skating rink last night.

The Salvation Army serenaded a number of the villagers late last night or early this morning. The entertainment might have been better appreciated had the hour chosen been a little more seasonable.

1888 has been tolerably fruitful, some weddings are past; two in this neighborhood are being celebrated to-day, and yet it is said the procession has scarcely begun to move. It is a long time girls will not get married.

Cotlin Patton a youth who works for Mr. McWilliams, Exeter, while performing on a pole in the barn on Saturday fell and struck his head on the frozen ground, with such force as to render him unconscious for some hours. It was thought that although his injuries are very serious that he will ultimately recover.

X. Y. Z. Rockwood, Dec. 24th, 1888.

Owen Sound and the Polson Works. Owen Sound, Dec. 21.—The voting to-day on the by-law granting \$15,000 to the Polson Iron Works Company, to relieve the town from the dredging contract and to purchase and enlarge the dry-dock, resulted in its being carried by a large majority. The vote stood 488 for and 10 against.

The Saloons on Sunday. New York, Dec. 21.—The Ecclesie Revision Commission decided to-day that all saloons be kept closed on Sunday and that the sale of intoxicating liquor shall not be permitted on that day.

METHODIST S. S. ANNIVERSARY

The Christmas Entertainment and Trees in Every Respect Successful.

The annual entertainment and Christmas trees in connection with the Methodist Sabbath School on Christmas evening was a decided success. The attendance was large and all present seemed to enjoy themselves abundantly. The proceedings commenced with the tea for the children at six o'clock. After the little folk had been well filled with Christmas good things, the adults sat down to tea. Shortly before eight o'clock, the large audience having assembled in the auditorium of the church, and the Sabbath School children seated their positions on the pyramidal seats back of the Christmas trees, the excellent programme was opened with the opening chorus by the school followed with prayer by Rev.
