GRAND CONCERT
Concert tickets going at the rate of 20
per day at The Lion of Guelph.

The only reason they don't go faster is that we are
selling our goods so cheap and you can buy so much for \$15.00
that very few require to spend so much at once but to every
one who buys less than \$15.00 worth of goods we give a
small ticket for every dollar spent and these tickets will be
afterwards exchanged for a concert ticket when 15 have been
accumulated.

We expect very shortly now to announce the talent and
all may rest assured that their brightest expectations will be
realized when we do so.

New goods arriving daily. Old goods must be cleared
out to make room. Read our hand bill for prices.
