Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla. This medicine is an Alternative and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but with perseverance, the result is certain. Read these testimonials:—"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence St., Lowell, Mass.

East May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to take Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight. I had been suffering from eye trouble for several months. My eyes were inflamed and I was unable to read. After using Ayer's Sarsaparilla for a few weeks, my eyes were completely healed. I was able to read and do my usual work. I am now perfectly well and my eyes are as good as new. I am truly grateful for the cure. My name is John W. Benson, 70 Lawrence St., Lowell, Mass.
