

The Young Folks.

A SHORT SERMON. "Hello, Jack!" was the hearty shout...

Never lean with the back upon anything that is cold. Never begin a journey until the breakfast has been eaten.

Keep the back, especially between the shoulder blades, well covered with a blanket well protected.

Work every hour, paid or unpaid; see only that you work, and you cannot escape your reward.

Mr. Alex. Robinson, of Exeter, in writing about one of the most popular articles, and one that has done more good to the afflicted than any other medicine has during the short time it has been in existence.

C. C. Richardson & Co. Sir:—I was formerly a resident of Port La Tour, and have always used Minner's Lintiment in my household.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth?

Enrich the blood by the use of Milburn's Beef, Iron and Wine, which supplies the necessary blood building material.

If it were that madmen to neglect a cough or a cold which is easily subdued if taken in time becomes, when left to itself, the forerunner of consumption and premature death.

Best and Cheapest to the Suffering. Brown's Household Panacea has no equal for relieving pain both internal and external.

Consumption Cured. An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple and reliable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections.

JINGLES AND JOKELETS.

Use the safe, pleasant, and efficient worm killer, Mother Graves' Worm Expeller; nothing equal to it. Procure a bottle and take it quick.

Mr. Hazen F. Murray, of Victoria, N. S. writes: "I was affected with dyspepsia and nervous debility, and tried many remedies without avail, but one bottle of Burdock Blood Bitters much improved me and two more made me a well man."
