Long-Standing

Blood Diseases are cured by the purifying use of Ayer's Sarsaparilla. This medicine is an Alterative, and causes a radical change in the system.

For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla.

Another marked effect of the use of this medicine was the strengthening of my sight. "Mrs. Carrie Adams, Holly Springs, N. C."

I had a dry scaly humor for years, and suffered terribly, and as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, I was in New York, N. Y., and a friend recommended me to take Ayer's Sarsaparilla, and continue it for a year.

Sunshine & Rain. Parasols and Ladies' Waterproofs.

As long as the sun shines and the rain falls, Parasols and Ladies' Waterproofs will be in demand and every lady will probably require one.

1st—It is a large stock. It would not do if it were otherwise considering the large number of customers we have to supply and the large range in quality and prices which is required to suit the taste and pockets of all.

2nd—We claim that there is no House in Canada that can give you better value in Parasols than we can, and not a store in Guelph as good value; and the reasons are as follows—When Mr. Ryan was in England, he went direct to the manufacturers of Parasols and Umbrellas, selecting first the stocks and frames, then the various materials they were to be made from giving the exact size in which each line was to be made, after which the Parasols were made up.

Now do you know of any possibly way that good could be bought cheaper? If we bought these goods as other merchants in Guelph do, that is from the wholesale houses in Canada, would we have not to charge you just the wholesale man's profit over above what we require to do when we go direct to where the wholesale men themselves go.

The same applies to our Ladies' Waterproofs. Our Mr. Ryan went to one of the largest makers in London and selected the various Waterproof Cloths, then the shape he wished them made in; and in this way not only do we get the very best value to be had, but goods fresh from the hands of the makers.

See our Ladies' Waterproofs, at from \$1.00 up to Fine Silk Goods at \$14.00 also some very handsome styles for children. Remember the place G. B. Ryan & Co., Guelph. The Leading Dry Goods House. 93 Upper Wyndham St. Successors to Jno. Hogg & Son.
