Another *Nassauwaya Pioneer* gone.

On the 6th inst., Mr. Alex. McLaren, of
Nassauwaya, quietly passed over to the
great majority. Mr. McLaren came to
Nassauwaya from Bradwellton, Scotland,
sixty years ago and has ever since resided
on the farm where he settled. He was one
of the honest, persevering farmers of the
township, a member of the Presbyterian
church and respected generally. He had
a family of three sons and two daughters.
Two of the sons are successful physicians.
The old gentleman was 83 years of age
when he died.

Causes of Rust in Wheat.

As to the cause of rust in wheat and
other grain, the Ontario Agricultural Col-
lege, Guelph, has arrived at the following
conclusions: 1. Seasons are the chief cause
of rust; sudden changes of tempera-
ture and rain, accompanied by cold, still weather,
are favorable to its increase. 2. Low-
ing, rich soils are most subject to attack.
3. An excessive use of manure both in
nitrogen encourages the disease. 4. Late
winter grain is most subject to attacks. 5.
Thinly sown crops seem more liable to
injury. 6. Red wheats are less affected
than white varieties. 7. Rust is more common
in the vicinity of barley bodes than it is at a great distance.

Marriage of former Acton Boy.

The following from the Detroit Free
Press of the 6th inst. will be of interest to
the many friends of Rev. J. E. Farmer
among our readers:—"A brilliant society
event occurred this evening in the marriage
of Miss Elizabeth Van Slyck, of this city,
and Rev. J. Edwin Farmer, D. B., of Mil-
waukee. The ceremony was performed at
the Congregational Church, the Rev.
Robert Martin, officiating, assisted by Rev.
W. F. Bangs, after which Mr. and Mrs. M.
L. Clark tendered them an elegant recep-
tion. Guests were present from New York,
New Jersey, Milwaukee, Coldwater, Alma
and Chippewa." Rev. Mr. Farmer and
his bride spent several days this week with
friends in Acton and returned on Tuesday
morning to perform the marriage ceremony
of another member of his father's family
at Florence. Mr. Farmer has had a most
successful ministry during his pastorate in
Chicago and Milwaukee.

Acton Concert Band.

The band boys were greeted with a full
house at their concert last Wednesday evening.

—The tax collector is on duty and the
taxes are being paid in pretty freely.

—The people who regard their health for
autumn clothing spend their wealth.

—In autumn the fat man laughs aloud
with glee, no more like melted lard is he.

—The first column of the list of prizes of
Acton Union exhibition will be found on
the first page.

—Mr. James Hamilton, of Toronto, will
preach in the Baptist Church next Sunday
morning and evening.

—It is reported that a resident of Guelph
has fallen heir to an estate yielding an
income of \$10,000 a year.

—Mr. Thomas Galloway, lecturer, of
Uxbridge, will occupy the pulpit of Knox
church next Sunday morning.

—Rev. J. W. It is has taken up his resi-
dence in No. 3 Association Terrace, until
completion of the new Manse.

—From summer's dear delights regrett-
fully we turn as to spend our days and
nights in wrestling with the furnace.

—The turkey now foretells their glee
and breathes a long drawn sigh, they scan
the calendar and see thanksgiving drawing
nigh.

—The Judge's Court for the revision of
the Municipal Voter's list will be held on
Monday 26th inst., in the town hall, at one
o'clock.

—The Canadian Manufacturer in its last
issue gives a full column descriptive of the
exhibit of Messrs. W. H. Storey & Son at
the Toronto Industrial Exhibition.

—Now every merchant who is wise, doth
hush himself and advertises. The columns
of the Free Press demonstrate that most
of the merchants hereabouts are doing so.

—The officers and directors of Acton
Union exhibition will meet at the town
hall Saturday at 2 p.m., to settle up
matters in connection with the exhibition.

—The Hamilton Spectator has surely
fallen from grace." It copied the follow-
ing a country paper:—"Like many a
young man, nature begins her fall by paint-
ings things red."

—Dr. Haile, formerly of the vicinity of
Mount Forest, has taken up his resi-
dence in Acton and will run a drug store in
connection with his practice in the shop
next to William's shoe store."

—Rev. J. W. Rae will deliver an address
at the Provincial Sabbath School Conven-
tion at Toronto next Wednesday forenoon
on the subject, "Sabbath School Statistics."

—A patient medicine fairer who was ad-
dressing a crowd of 600 men in Buffalo the
other evening offered \$30 to the person who
would give the last verse in the Bible. Not
one of the crowd could tell what the last
verse was.

—A meeting of the Executive Committee
of Halton Sabbath School Association will
be held in Knox church to-morrow at 10:30
a.m., to arrange for programme, etc., for
the annual convention to be held in Acton
early in the New Year.

—The following is the rate of taxation
in some of the towns and villages in the
Western Peninsula: Winter, pay 25
cents on the dollar; Kincardine 2½ mills;
Port Elgin, 2½ mills; Wingham, 19 cents;
Thorburn, 15 mills and London 20
mills.

—Prof. Charles Eliot Norton, of Harvard
University, will continue his series of
"Cathedral Articles" in "Harper's Magazine"
for November by telling the story of "The
Building of the Cathedral at Chartres," a
significant chapter in the history of reli-
gious enthusiasm.

—It was noticed last Sunday that a
number of boys were engaged in playing on
the flat gravel roofs of the new tannery,
throwing the grave off and otherwise
damaging the roofs. A repetition of this
may give the boys a night in the stocks for
property cannot be destroyed with im-
punity.

—A beautifully executed lithograph en-
titled "The First Step" has been received
at this office from the Dominion Organ and
Piano Co., of Bowmansville. The primary
object of the picture is intended to illustrate
the merits of the Dominion Organ and
Pianos in the house, but in this the beauty
of the scene itself remains unmarred.

—Public weddings are to be no longer
celebrated in Grace Church, Brampton, so
the Trustees Board has decided. In future
advertisements to weddings in that church will
be by cards of invitation. This determina-
tion has resulted from the fact that an un-
ruly crowd took possession of the building
on a recent occasion, destroying the far-
nings of the church.

Which are Mostly of a Local Character and All Interesting.

A Successful Church Orga-

nization.

One of the most prosperous religious

Journals of this continent is the *Christian*

Guardian. It ably represents the Meth-
odist church and is always abreast of the

tides in the matter of typographical

appearance. A few weeks ago the *Guardian*

moved into its magnificently new office on

Ridgeway street, Toronto, and last week

had its first service in its new dress of type.

Dr. Dewar, the able and energetic or-

ganizer, the enterprising and practical

book steward, is largely due to the

Guardian's continued success. Every

Methodist family should read the *Guardian*.

Nassauwaya Pioneer gone.

The annual exhibition of the Agricultural

Society of Nassauwaya township was held

on Monday and Tuesday and was one of

the most successful ever held in the town-
ship. Both inside and out was the show a
success, and the attendance was larger than
ever before. A couple of our citizens were

considerably surprised when they

were themselves barred from exhibiting

because they reside in incorporated villages.

A further report will be given next week.
