NOTES AND COMMENTS:

Following in the wake of the greatest railway on the continent -the Canadian Pacific - the Union Pacific has put colonists sleepers on its line. Uncle Sam may learn lots of things from Canada.

The writ for the election in West Lambion to fill the vacancy in the Ontario Legislature caused by the death of the late Hou. Timothy Blair Pardee has been issued The nomination takes place on the 11th November, and the election on the 18th, wook later.

the year 1883 show that the total value of to \$6,523,137. There was a substantial increase in the trade of the island during the year. The exports consisted almost exclosively of fish, fish oils, copper ore and seal skins.

A Montreal despatch cays :- The frequent accidents that occur to people win presist in walking on railway tracks. likely to bear fruit. The Grand Trunk sathorities are determined to arrest all persons found trespessing in the manner stated, not only to citizens, but all along the line, and the provisions of the Railway Act will be strictly enforced.

Sir Charles Tupper has gone to Spain t re-open negotiations for a commercial treaty with Great Britain on behalf of Canada: We wonder if the done can answer that celebrated conundrum. "What is the difference between an unrestricted offer of reciprocity and an offer of unrestricted reciprocity " and which form will the High Commissioner's proposals take?

A movement is on floot in Toronto to licensce newsboys and prohibit girls from selling papers on the streets. Two years ago an act was passed by the Outario legislature empowering the police board the city to deal with the subject. The Humane society have drawn up a by law which prohibits any child under eight years of age selling papers on the streets, and requires that each boy must have his name registered at the police office and receive a badge, to be worn in a conspicuous place.

According to the annual report of the geological survey, the mineral production of Canada last year was \$16,500,000. The following were the items of produce of \$500,

COO and over:	
Coel	\$150 KB
Iron	1,591,931
Gold	1,094,510
	1,000,765
Petroleum	155,571
Copper	657,413
Building Stone	611,712
The total shows a decided inco	

the previous year. The exports during the year were \$4,738,810. The imports minerals and mineral productions during the same year were \$28,230,788, of which \$11,000,000 were of iron and steel, and mearly \$9,000,000 of coal.

Provincial Board of Health and the Undertakers Association at the pext session of the Ontario Legislature to make this ex-'amination compulsory'.

ALARMING CONDITION OF THE PRINCE OF WALES.

The Physicians in Attendance Pronounce His Malady to be Bright's Disease-And sar be will not live Another Year.

The Times' London correspondent cables that the doctors who have been in attendance upon the Prince of Wales, have, after exteful examination, come to the conclusion that he is saffering from Bright's disease. The Queen became very melancholy more especially as it is said there is no hope | Hay old of his recovery, and that he cannot live Straw through next year. This announcement has created great consternation throughout

The Prince's physicane have recommend ed an Egyptism trip as the means of keeping up his spirits. The Prince will be accompanied by his physican and every possible means that will aid in prolonging his life will be carefully attended to.

Union Between the Disciples and the Baptiste, Loxuon, Oct. 21 .- At the annual meeting of the Disciples' Church, held at Lobo fast week, Rev. Mr. Gaff. of Toronto, moved a resolution looking toward the union of the log. Disciples with the Baptist body. The resolution was carried unanimously. Rev. James Lediard was appointed to bring the Hicks possoning case, and Mrs. White and 'matter before the Disciples' Annual Con- her nephew were at once discharged. ter was requested to lay the matter before the Baptist Convention, to be held

The last meeting of the Young People's Association was more than usually inter- Gorden, and it is very generally hoped that esting; made so by a Bible reading given' by the President on the subject of " Gossip." the faces of so many young ladies, for we all know that it is only the fair ser who engage in such a trifling matter as gossip.

The men seek for a much deeper subject. Mr. W. C. Allison. However, trifling matters are not to be despised. A mosquito can drive an elephant absolutely mad, so a woman with her tongue can drive a man to distraction. The repainting of the brick stores occu-

pied by Mr. Barelay, merchant, and Mesers. Forster & Bradwin, proprietors of the Star, adds greatly to the looks of the town. We hope a few more proprietors of buildings on the main street will do likewise, for there is nothing that helps a man's business so much as keeping up to

the times.

Two very thrilling and soul-stirring sermons were preached by Rev. Mr. Kettlewell last Sauday. He evidently sees that if some of the members of the church .do not get aroused and let their lights shine before men, that all hope of them ever, gaining "life eternal" will be lost, For my part, I really believe that some men expect to get into Heaven hanging on to the skirts of the women. But woe be unto their expectations in that day, when the Lord shall gather in none but those who have fought their own battles and sought

their own way to the keavenly fold. Last Friday evening the annual meeting of the W. C. T. U. was held and the following officers appointed :- President Mrs-Wm. McCraney; 1st Vice-Pres., Mrs. D. McCraney; and Vice-Pres., Mrs J. Warcap; 3rd Vice-Pres., Mrs. R. K Chisholm; Rec-Sec., Mrs. L. M. Wright-Orr; Cor-Sec., Mrs. Watson; Treas., Miss Lucy

HAMILTON.

A few words for boys from an old Acton

school boy. Many years ago I was a

school boy. I remember how often a group of us would discuss our ambitions and aims. Some of us wanted money. Thinking if we had money first all the other good things would follow. Some again said politics brought honor and money, others prierred law medicine and so on. In following the to. shode and has remained ever since. His lives of these old school-mates how differlife was a most remarkable one in a bust . | ent in nearly every case has their station vess sense. Senator Turner has displayed in life been from their youthful ideas of it. industry, commercial insight, and judge- One boy is now a blacksmith who wanted ment far above the common order : and in | to be a lawyer. Another is a minister who his place in the Senate his counsel and then had thought almost averse to that decision were always held in the highest profession. Another a book-keeper whose fore, planting the Society's feet on the possible regard. MERCHANTS DAY. A Proposition of the Mail" Finding General

For some weeks, the Mail has been adocating the idea of a Merchants' Day" in very week to allow retail merchants to visit Toronto to purchase stock, at a reduced railway fare. Letters from merchants in all sections expressing their opinion of the scheme, have been published and the following appeared among those of vesterday morning's issue :-

Sin .- Your suggestion of a Merchants' day is a good one. Many country merchants would no doubt visit Toronto much more frequently if fered some elight inducement by the raftway inpanies. We are convinced such an arrangeent would result in great benefit to the merchants, as they would buy oftener and just what they required.

Yours, etc., HENDERSON, MCBAE & CO.

Actor, Oct. 21. Toronto Board of Trade has been request d to take action in the matter and use their influence to secure the desired reduc tion in railway rates on the different lines. One writer makes three very tenable points. First, he says, "Merchanta' Day ". would bring wholesaler and customer together tobenefit of both ; second, it would give the retailer the opportunity of making frequent selections from the wholesale stock, whereby he would be able to carry a relatively light stock, and always something new; third, buyer would be more independent than he
