JINGLES AND JOKELETS

Half an hour with the Wise Men, the Will and the Paraphrase of the Day.

Victoria Carbolic Salve

is a wonderful healing compound for cuts, wounds, sprains, burns, scalds, boils, piles, pimples, etc.

A Pleasant Discovery.

I suffered with neuralgia and obstinate toothache until advised to try Hays' Yellow Oil. Since then I have found it to be an admirable remedy also for burns, sore throat and rheumatism.

Life Was A Burden.

Until lately I suffered from headache, always preceded by constipation, making my life a burden. A friend advised Burdock Blood Bitters. I took three bottles, and now I feel myself a new man, and my headachings are a thing of the past.

The Alert Watchman.

Warns us of approaching danger, a backing cough, wheezing, rattling chest, take time by the forelock and use Hays' Rectoral Balsam, the safest, most and best cure for coughs, colds, asthmas, hoarseness, bronchitis and all throat and lung troubles.

Differences of Opinion Regarding the Popular Internal and External Remedy.

Dr. Thomas' Electroic Oil do not, so far as known, exist. The testimony is positive and concurrent that the article relieves physical pain, cures lameness, checks a cough, is an excellent remedy for neuralgia, rheumatic complaints, and it has the advantage of being pleasant to use when taken internally.

Restricted Prescriptions.

may be of medicinal advantage in Canada or it may be a mere "fad" as its opponents call it, but no one can deny that Naud Balm, has done more for sufferers from catarrh than any other remedy known.

Methodical.

A Methodist Bishop, in a letter to his daughter Claude, gave the following wholesome counsel: "I wish, my daughter, that you would devote yourself to serious reading. It is necessary, not only to develop your mind and make your knowledge respectable in society, but it is a high moral duty. If it is a grave question whether you should read anything that does not increase knowledge and prepare for life. The very most that can be allowed on the other side is a little reading for recreation. You fear, are waiting time with magazines and takes an empty story in general. This is a great evil, in fact, a sin. Quiet reading, biography, poetry, the English classic, study the Bible in its doctrines, principles and history. You will thus improve your mind, heart, character. I want you to be wise, good, happy. The time has come for you to prepare earnestly for life and its responsibilities. A word to the wise is sufficient."

C. G. BURNETT & Co.

I took a severe cold, which settled in my throat and lungs and caused me to entirely lose my voice. For six weeks I suffered great pain. My wife advised me to try Naud's Liniment and the effect was magical. After only three doses and an outward application, my voice returned and I was able to speak in the Army that night, a privilege I had been unable to enjoy for six weeks.

There is a wide difference between medicines which affect merely the symptoms of disease and those which affect its cause.

The first are useful palliatives, the second, if of genuine efficacy, produce a radical cure. To the latter class belong Nortrop & Lyman's Vegetable Discovery and Dyspeptic Cure. Thoroughness of operation is the special attribute in all cases of Biliousness, Constipation, Indigestion, Kidney Complaints, and Female Weakness.

Diamond Dyes

Disagreeable to the sufferer, yet it takes no form which runs two to four bottles of Burdock Blood Bitters will not cure. B.B. is the opposite and remedies the entire system.

Take No Chances.

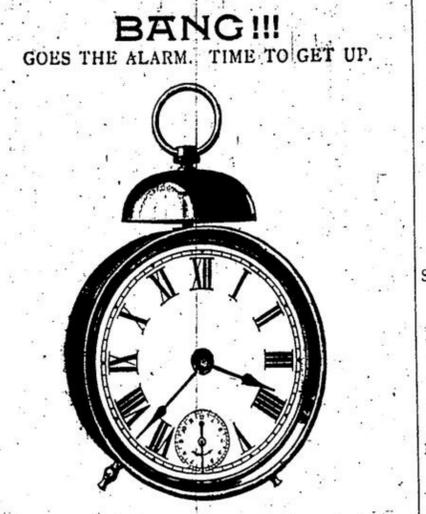

Depend on solid facts. Nothing equals Hays' Yellow Oil for burns, scalds, frost bites, chilblains, neuralgia, crop, sore throat and sores and pain of every description. No matter where the pain or soreness is, or from what it arises, Hays' Yellow Oil will give quick relief.

Never allow the towels to remain constricted.
