Which are Mostly of a Local Character and All-Interesting.  
The Week of Prayer.  
The topics suggested for the week of prayer which begins on Sunday, Jan. 24, are as follows: Sunday, 24th, sermon: Eph. 1: 1-12; Monday, 25th, Confession and Supplication; Tuesday, 26th, Thanksgiving; Wednesday, 27th, Families and the Young; Thursday, 28th, Missions; Friday, 29th, Nations and their Future; Sunday, 31st, Sermon on the Mount: 5: 1-10.  
Kind Words have Influence.  
Our friends can assist us greatly in extending the circulation of the Free Press by showing it to their friends and neighbors who are not subscribers, and asking them to subscribe. If you have a relative or friend in Montreal, the Northwest or the U.S., you cannot send them a more welcome visitor than the Free Press. It will save you from writing letters; keep your friends informed about what is going on at the old home, and remind them of your thoughtful kindness every week, and all it costs is a dollar bill.  
An Alarming Downpour.  
After the almost constant rain of a week previous the very heavy downpour of rain on Christmas eve caused considerable anxiety among the owners of the dams here and those whose property is located alongside the stream. Councillor Harvey's pond, which covers an area of nearly ninety acres, rose with alarming rapidity. Although both the dams and waste water were wide open the water raised half an inch while Mr. Harvey was at supper. But the strongly built dam resisted the flood and by morning all danger was averted. For years the water has not been as high at New Year's as at present.  
The Christmas Entertainment.  
The Christmas entertainment of the Disciples Sunday School last Friday evening was a great success, the church being crowded. The program was an unusually full one. The school children gave a number of excellent recitations and songs and Everett's splendid choir furnished a number of choice selections. Rev. Brunsmann, of Everton, formerly of Johnstown, Pa., and Maun, of Linn, were present and the churches of the town were represented on the platform by Rev. J. W. Rice, Dr. Gifford, G. B. Cooke, G. H. Brock and H. B. Cook, and Messrs. D. Henderson and H. P. Moore. Mr. Hesch, of Kramora, made an admirable chairman. The Christmas Arch looked very pretty and here presents for all the children.  
Merry Christmas Day.  
Christmas day passed off very quietly, receiving general recognition in the churches and at festive gatherings at the family more like the early part of October than the latter part of December, being sunny, balmy and very pleasant overhead, although somewhat misty underneath. The lack of sleighing and skating made it duller for pleasure seekers than it might otherwise have been. The day before was one of the most and most enjoyable of the season, and there was little sign in town in comparison with what there would have been had the roads been good and the weather favorable. Notwithstanding these very unfavorable circumstances, however, our merchants say that they have done a very satisfactory holiday trade, but it is light in comparison to what it would have been under more favorable circumstances.  
A Representative Party.  
Rev. W. E. Gifford, B.A., D.D., of Chicago spent a week with his brother, Rev. Dr. Gifford, and during the visit entertained a good sized audience on Saturday evening with an interesting programme of readings and recitations, and preached in the Methodist church on Sunday morning and evening. His readings were rendered in a masterly manner and the entertainment was enjoyed, but it is as a preacher that Mr. Gifford excels. The sermons on Sunday were excellent in every respect. The matter was carefully prepared and evidenced an unusual breadth of thought, steady and research. His oratory was simple, but his various powers being characterized by bursts of eloquence which attracted the attention of his hearers. Mr. Gifford has a superior delivery and his graceful and spirited gestures cannot be admired. His texts were Matt. 23: 23-24 and all year brethren and 2 John: 1: 2-7. Christ lifted up.  
Merry Christmas Day.  
On Monday the 24th of December the event of Christmas day in Acton was the annual tea and entertainment in connection with the Methodist Sabbath School in the evening. The weather was particularly fine and the attendance consequently very large. The lengthy programme before was carried out with great credit to the children and the teachers. The visit of Rev. W. E. Gifford, of Chicago, and T. A. Moore, Hamilton, added interest to the occasion. The many friends of Mr. Moore were glad to welcome him back to his old home and have him spend Christmas with them again after an absence on this festive occasion of ten years. His address was interesting and was generally appreciated. The programme was as follows:  
1. Opening Prayer—Happy Greeting.  
2. Chairman's Address—Rev. Dr. Gifford.  
3. Christmas Wishes—Worshipful Aid Lord.

Cathedral District—Hay Fever & new Home Treatment.  
Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane and esthetician tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been formulated, whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient, once in two weeks. N.B.—This treatment is a cure of an ailment; but has been discarded by reputable physicians as injurious. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H.
