The Young Folks.

THE OPENING YEAR.

The Old Year, with its record,
Is gone for ever more;
The New Year, full of promise,
Stands waiting at the door.

Ah! could we live it over!
So right we'd live it out;
Live we the new, as wish we now
That we had lived the last.

That past, its lessons teaching,
With guiding lights should shine,
To warn from self-dependence,
And lead to grace divine.

With high resolve and holy,
With purpose firm and true,
Let us go forth with meekness,
God's will and work to do.

Then golden moments wasted,
And days all dark with sin,
Shall not so sadly color
The year we now begin.

TEMPERANCE ITEMS.

It is said that thirty thousand people go to bed drunk in Glasgow every Saturday night.

John Bright's first public speaking was for the cause of temperance. John B. Gough had no warmer friend in England than Mr. Bright.

The reason that some men can't make both ends meet is because they are too busily engaged in making one end drink.

There is not a brewery nor a distillery nor a barrel of bonded liquor in the State of Kansas. There is but one pauper to every 1,358 of the population, and many of the city and county jails are empty. Yet some intelligent and respectable persons will persist in saying that prohibition in Kansas is a failure.

"What ails papa's mouf?" said a sweet little girl.
Her bright laugh revealing her teeth white as pearl.
"I love him, and kiss him, and sit on his knee,
But the kisses don't smell good when he kisses me!"

Here is a pod with good sound p's in it: Prohibition prevents poverty, protects property, promotes peace, produces plenty, provides pleasure, procures progress, perpetuates prosperity, prophesies paradise.

If the money expended on whiskey and war-ships by this country was put into missions, Christianity would conquer the world in a decade.

MISSIONARY.

A lady said to her little daughters who each month earned the money which they have for their own "Children, I think you gave away too much last year: if you give one tenth of your money this year it will be enough" one of the children replied "O mamma, we owe one-tenth, and we want to give something.

Send a little silver piece for the Juvenille Collector.

Give the children something for the missions. And teach them the blessedness of the thing.

Now is the nick of time. One man now is worth a hundred fifty years hence. One dollar now is worth a thousand then.

The natives of India call the intoxicating liquor made and sold by the government license, "government shame water."

The first missionary arrived in Coret in 1884; the first convert was baptized in 1886. Now there are more than 100 Christians in the country.

A gentleman of New England has given $100,000 to the college of the American board at Kyoto, Japan, and $70,000 has been raised in Japan.

A London paper remarks that criticism seems to be a discipline which suits the missionary societies very well. "They thrive on disparagement."

CHILDREN'S CORNER.

Little Philip came running into the house when it was snowing and the sun was shining, saying: "O mamma, we are going to have a snow-bow!"

A teacher asked a class to write an essay on "The Result of Laziness," and one of the bright but lazy boys in the class handed in as his composition a blank sheet of paper.

"We are all worms!" exclaimed the preacher in his sermon. And little Bobby, who was following the discourse attentively, whispered to his mother: "Then that's the reason why the big fish swallowed Jonah, isn't it, mamma?"

As little Laura was about to start for Sunday-school, mamma said: "Don't you want to tell mamma your text again before you go?" For a moment Laura hesitated, as if she had forgotten; then her face brightened, and she answered promptly: "Am I my brother's *house-keeper*?"

A full-bearded grandfather recently had his beard shaved off, showing a clean face for the first time for a number of years. At the dinner-table his three-year-old granddaughter noticed it, gazed long, with wondering eyes, and finally ejaculated: "Bampa, whose head you dot on?"

"Clean hands in matters of money among the young certainly ought to be the indispensable condition of gentlemanliness. No man who borrows and does not pay, and does not care whether he pays or not, is a gentleman; no matter how witty or gay or fine he may be. To speak in good plain English, the man who dresses himself at another's expense, not knowing how to pay, not caring whether he pays, is a contemptible scoundrel."

—Christmas and its happy holidays are at hand. No Christmas gift is more appreciated than the splendid photos executed by Ramshaw, the artist. What is nicer than a well taken family group, and the country side knows he is superior in this line. Sittings may be had at any time whether the weather be fair or cloudy. Wishing you the compliments of the season, etc.—H. Ramshaw.

JINGLES AND JOKELETS

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

Thos. Sabin, of Eglington, says: "I have removed ten corns from my feet with Holloway's Corn Cure." Reader, go thou and do likewise.

Prevailing Sickness.

The most prevalent complaints at this season are rheumatism, neuralgia, sore throat, inflammations and congestions. For all these and other painful troubles Hagyard's Yellow Oil is the best internal and external remedy.

The best anodyne and expectorant for the cure of colds and coughs and all throat, lungs, and all bronchial troubles, is, undoubtedly, Ayer's Cherry Pectoral. Ask your druggist for it, and, at the same time, for Ayer's Almanac, which is free to all.

An Old Man's Advice.

Mr. Alex. Moore, Mechanics Settlement, New Brunswick says:—I am going on 75 years of age and had very little hopes of getting anything to relieve my catarrh. Seeing Nasal Balm advertised, I sent to you for a package. It has done me a great deal of good. I enclose you $2 for a further supply, part of which I intend giving to an afflicted friend. I advise all sufferers from catarrh to use Nasal Balm.

Public Speakers, Actors and Vocalists find, and state that Dr. Thomas' Eclectric Oil relives hoarseness and irritation in the throat better than remedies specially advertised to relieve that difficulty. This Oil has a wide scope, since it cures external hurts, corns, sores, frost-bites, piles, and a variety of other unhealthy conditions.

The Lanes and streets

of a city are like the veins and arteries of the body; if foul or impure, disease results. Cleanse the blood from the foul humors by using Burdock Blood Bitters, the best blood medicine ever devised to cure all blood disorders from a common pimple to the worst scrofulous sore.

John Hays, Credit P. O., says:—"His shoulder was so lame for nine months that he could not raise his hand to his head, but by the use of Dr. Thomas' Eclectric Oil the pain and lameness disappeared, and although three months has elapsed, he has not had an attack of it since."

Worn out and run Down.

By disease and debility the human system becomes worn out and run down before its time. Keep the head clear, the bowels regular, the blood pure, the kidneys and liver active by the use of Burdock Blood Bitters, nature's great tonic and regulator, and disease cannot exist.

If you want to buy or sell a Farm, advertise in the Toronto *Weekly Mail*. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase. Advertisements of this class are inserted in the Toronto *Weekly Mail* for Five Cents a word each insertion, or Twenty Cents a word for five insertions. Address The Mail, Toronto, Canada.

Sudden Change.

Mrs. George Flewellinz, St. John, N. B., writes:—"I have suffered from weakness and costiveness, so I bought a bottle of Burdock Blood Bitters, and before I finished it, I noticed a change. After using three bottles I am now entirely cured, and recommend B. B. B. as a positive cure for costiveness."

If you have a Cough,

do not neglect it. It should be loosened as soon as possible, and to do this nothing equals Hagyard's Pectoral Balsam. Obstinate coughs yield at once to its expectorant, soothing and healing properties, while colds, hoarseness, whooping cough, asthma, etc., are promptly relieved by its perfect action on the throat and bronchial tubes.

C. C. Richards & Co.

Gents.—I certify that Minard's Liniment cured my daughter of a severe and what appeared to be a fatal attack of diphtheria after all other remedies had failed, and recommend it to all who may be afflicted with that terrible disease.

John D. Bouthillie.

French Village, Jany., 1883.

The next Total Eclipse of the sun

Visible in Canada will occur Oct. 1st, 1890. Put this in your scrap book. Imperial Cream Tartar Baking Powder eclipses all others made. Absolutely Pure.

That "Tocsin of the soul, the dinner bell," as Bryon calls it, suggests no pleasing reflections to the dyspeptic, bilious sufferer. He partakes, of course, but the subsequent torment is egregiously out of proportion to the quantity of food he eats, which lies undigested, a weight like lead in his unhappy stomach. There is a remedy however, and its name is Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. No case is entirely helpless.

Rest and Comfort to the suffering.

"Brown's Household Panacea" has no equal for relieving pain both internal and external. It cures pain in the side, back, or bowels, sore throat, rheumatism, toothache, lumbago and any kind of pain or ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for cramps in the stomach, and pains and aches of all kinds and is for sale by all druggists at 25 cents a bottle.

TO OUR SUBSCRIBERS.

The special announcement which appeared in our columns some time since, announcing a special arrangement with Dr. B. J. Kendall Co., of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of that valuable work free by sending their address to B. J. Kendall Co., (and enclosing a two-cent stamp for mailing the same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenominal sale throughout the United States and Canada, make it standard authority. Mention this paper when sending for "Treatise."

If you could suppress the exorbitant love of pleasure and money, idle curosity, injuitous pursuits, and wanton mirth, what stillness would there be in the great cities! The necessaries of life do not occasion at most a third part of the hurry.

ADVICE TO MOTHERS.—

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentry and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Consumption Surely Cured.

To the Editor:—

Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address.

Respectfully, Dr. T. A. Slocum,
164 West Adelaide st., Toronto, Ont.

The Third page of the Toronto *Daily Mail* is noted for "Want" advertisements. If you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto *Daily Mail* and read the advertisements on the Third page of that paper. The charge is Two Cents a word each insertion. Address *The Mail*, Toronto, Canada.

Well Pleased.

Dear Sirs,—I can recommend Hagyard's Yellow Oil as a sure cure for rheumatism. I had it for some time and was cured by two bottles, and I must say that it is the best thing I can get for general use as a pain reliever.

J. Mustard,
Strathaven, Ont.

Mr. T. C. Berchard, public school teacher, Norland, writes:—"During the fall of 1881 I was much troubled with Biliousness and Dyspepsia, and for part of the time was unable to attend to the duties of my profession. Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure was recommended to me, and I have much pleasure in stating that I was entirely cured by using one bottle. I have not had an attack of my old complaint since, and have gained fifteen pounds in weight."

It is worse than madness to neglect a cough or a cold which is easily subdued if taken in time becomes, when left to itself, the fore-runner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; therefore lose no delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold has a cough or hoarseness, give the Syrup according to directions.

CATARRH.

Catarrhal Deafness—Hay Fever a new Home Treatment.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrance and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been formulated, whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks. N B.—This treatment is not a snuff or an ointment; both have been discarded by reputable physicians as injurious. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. Dixon & Son, 303 West King Street Toronto, Canada.—Toronto *Globe*.

Sufferers from Catarrh troubles should carefully read the above.

People Wonder

WHEN they find how rapidly health is restored by taking Ayer's Sarsaparilla. The reason is that this preparation contains only the purest and most powerful alteratives and tonics. To thousands yearly it proves a veritable elixir of life.

Mrs. Jos. Lake, Brockway Centre, Mich., writes: "Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony. I was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I began the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an

Improvement

in my condition, my appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life, and I cannot thank you too much."

"We, the undersigned, citizens of Brockway Centre, Mich., hereby certify that the above statement, made by Mrs. Lake, is true in every particular and entitled to full credence."—O. P. Chamberlain, G. W. Waring, C. A. Wells, Druggist.

"My brother, in England, was, for a long time, unable to attend to his occupation, by reason of sores on his foot. I sent him Ayer's Almanac and the testimonials it contained induced him to try A. r's Sarsaparilla. After using it a little while, he was cured, and is now a well man, working in a sugar mill at Bundaberg, Queensland, Australia."—A. Attewell, Sharlot Lake, Ontario.

HOSPITAL REMEDIES,
Because
400,000 PEOPLE IN CANADA
AND UNITED STATES VOUCH THAT IF YOU ARE SICK
THEY ARE THE ONLY REMEDIES IN THE WORLD THAT
WILL GIVE YOU HEALTH.

Read this extract from the scientific papers of Great Britain and Europe:

A NEW DEPARTURE IN MEDICINE.

The four great test medical centres of the world are London, Paris, Berlin and Vienna. These cities have immense hospitals teeming with suffering humanity. Crowds of students throng the wards studying under the Professors in charge the most renowned physicians of the world teach and practice here, and the institutions are storehouses of medical knowledge and experience. With a view of making this experience available to the public the Hospital Remedy Co at great expense secured the prescriptions of these hospitals, prepared the specifics, and although it would cost from $25 to $100 to secure the attention of their distinguished originators, yet in this way their prepared specifics are offered at the price of the quack patent medicines that flood the market and a heavily claim to cure every ill from a single bottle. The want always felt for a reliable class of domestic remedies is now filled with perfect satisfaction. The Hospital Remedies make no unreasonable claims. The specific for Catarrh cures that and nothing else; so with the specific for Bronchitis, Consumption and Lung Troubles: Rheumatism is cured by No 3, while troubles of Digestion, Stomach, Liver and Kidneys have their own cure. To these is added a specific for Fever and Ague, one for female weakness—a general tonic and blood-maker that makes blood and gives form and fullness—and an incomparable remedy for Nervous Debility.

No. 1—CURES CATARRH, HAY FEVER, POOR CO.D, CATARRHAL DEAFNESS—The only authentic cure emanating from scientific sources now before the public. This is not a salve or ointment—both are discovered as fallacies. $1.00.

No. 2—COUGHS, COLDS, BRONCHITIS, ASTHMA, CONSUMPTION—An incomparable remedy; does not constipate as do other but eradicates the disease and strengthens the lungs and restores and debilitated, giving a new lease of life. $1.00.

No. 3—RHEUMATISM—A distinguished and well-known specialist in this disease in Paris, who treats nothing else, built his reputation on this remedy. $1.

No. 4—LIVER AND KIDNEYS, DYSPEPSIA AND INDIGESTION, CONSTIPATION, BRIGHT'S DISEASE—A favorite slaughter-field for the quack who has ruined more stomachs than alcohol. Use a remedy constructed in high places. $1.00.

No. 5—FEVER AND AGUE, DUMB AGUE, MALARIA, NEURALGIA—For know what grand damage this does the eye em; it is treated to break it for a time. Use a remedy that eradicates it. $1.00.

No. 6—FEMALE WEAKNESS, IRREGULARITIES, WHITES—Many women are broken down because they neglect these diseases until chronic and incurable. Use No. 6 and regain health and strength. $1.00.

No. 7—HEALTH, FORM AND FULLNESS depend on good blood and lots of it. If weak, if blood is poor, if scrawny, use this perfect tonic. $1.00.

No. 8—NERVOUS DEBILITY, LOSS OF POWER—A quack cure-ridden public will hail a genuine remedy for an unfortunate condition. No. 8 is that remedy and one trial will prove. Beware of imitations. Quacks who charge high prices for electric appliances and drugs and pills, the properties of which they are utterly ignorant, and who expose you by taking your cash for trial letters to others in the same unfortunate condition. Use No. 8 and be cured. $1.00.
