The Young Folks.

BRING ON THE BOYS. (No you tell us where they have gone to school...)

UNCLE SKINFIT'S WEDDING PRESENT.

My niece Eleanor's wedding is very nice, and every bride expects presents, of course. I can see her looking at me from the corner of her eye, saying to herself: "I wonder what Uncle Skinfit is going to give me?"

And you, now I think of it, what a pretty watch that would be! A nice blue, or dark red marble. No—that wouldn't be wise. Second thoughts are the best. Here it is!

Now, a good marriage dress—what a comfort that would be! A nice blue, or dark red marble. No—that wouldn't be wise. Second thoughts are the best. Here it is!

LETTERS.

Dear Sir—My wife and I are very much interested in your paper. We have been reading it for some time and find it very interesting and useful.

JINGLES AND JOKELETS.

Half an hour with the Wise Men, the Wits and the Jokesters of the Day.

Imperial Cream Tartar Baking Powder is endorsed by all our leading Chemists and Physicians as the purest and best. Use no other. Sold by all grocers.

Doan's Backache and Headache. Doan's Backache and Headache is a cure for all cases of backache and headache.

Do not delay in getting relief for the little folks. Mother Graves' Worm Expeller is a pleasant and a sure cure.

Some symptoms of worms are: fever, colic, variable appetite, restlessness, weakness and convulsions. The infallible remedy is Dr. Low's Worm Syrup.

A fine colt belonging to Mr. Peter Lindsay, of St. John, Ont., was badly hooked by a cow. Two bottles of Hayard's Yellow Oil cured it.

It is worse than madness to neglect a cough or a cold which it easily subdued if taken in time.

It is better to be in England, where for a long time, unable to attend to his occupation, by reason of a sore on his foot.

Small talking parrots are the favorite pet birds of young ladies in this season.

At night, when by custom you change your date, you find you have traveled fifteen degrees, then your "day" has continued twenty-four hours instead of twenty-four.

At night, when by custom you change your date, you find you have traveled fifteen degrees, then your "day" has continued twenty-four hours instead of twenty-four.

At night, when by custom you change your date, you find you have traveled fifteen degrees, then your "day" has continued twenty-four hours instead of twenty-four.

At night, when by custom you change your date, you find you have traveled fifteen degrees, then your "day" has continued twenty-four hours instead of twenty-four.

GOING ROUND THE WORLD.

A lady writing to the New York Times expresses the perplexity of many of her contemporaries when she asks: "Can't you explain about gaining and losing a day when you go round the world?"

The Tribune confidently replies: "Certainly you can, but you must fix your mind on one thing at a time, and not let it go wandering like the little pig that wouldn't stand still long enough to be counted."

At noon, when by custom you change your date, you find you have traveled fifteen degrees, then your "day" has continued twenty-four hours instead of twenty-four.

At night, when by custom you change your date, you find you have traveled fifteen degrees, then your "day" has continued twenty-four hours instead of twenty-four.

At night, when by custom you change your date, you find you have traveled fifteen degrees, then your "day" has continued twenty-four hours instead of twenty-four.
