The Young Folks.

A SHORT SERMON.

Children who read my story. This is the story to say: Each day and every day. Do what is right. Right things in great and small. Then, though the sky should fall, Sun, moon and stars and all. You shall have light. The fourth word I say: If you remember as you may. Each day and every day. Speak what is true. True things in great and small. Then, though the sky should fall, Sun, moon and stars and all. Heaven would show through. For, as you love and know. Do not out of children's glee. And though the clouds be sweet: White as the snow. Grapes never, never were On the limb of the vine were So, if you would, you'd get Good you must be. Life's journey, through and through. Speaking what is just and true. Doing what is right to do. Utter and all. When you work, and when you play. Each day and every day. These peace shall go your way. Though the sky should fall.

HOW GEORGE RAN AWAY.

The story that Alice was reading was "Whittington and his Cat." George thought it rather hard when his mamma asked him to get it by him to do something for her. "I am afraid he was naughty; for all the time he kept thinking how nice it would be to do just as he pleased. After a while he said: "Mamma, I think I'll run away." "I do not understand you, dear," she answered. "Well, I don't like to be bothered," he said. "and I would like to be like Whittington." "Very well, you may go if you are not happy in your home," replied the mother. "I will help you to get ready. You need not run away. Then she tied some of his clothes in a large handkerchief, and put the bundle on a stick over his shoulder, like the picture of Whittington. She kissed him good-by when she opened the street door for him. George looked pretty solemn as he went down the steps. He didn't like to go, but he ran to get his bundle. He ran to the back of the porch and hid. "May I sleep on the back of the porch tonight?" he asked. His little trembled a little. "No, dear, your papa doesn't like to have traps on the back porch," she replied. "The cat may in the stable with John." "Oh, no! You had better run away at once, a long way off, where you can do as you please." "Poor George was in tears now. "O mamma, mamma!" throwing himself in her arms. "Do love you so, and don't want to run away. I have to do as I please. May I come home again to live?" "Dear little boy! Mamma is glad you have learned your lesson with so little heartache," answered the mother, as she took her sobbing boy in her arms. George never wanted to run away again. "Nursery.

Dangers of Delay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how specially we would seek a cure, but with many it is only when the monster disease has fastened its fangs upon our throats that we awaken to our folly. What follows a neglected cold? It is not diseases of the throat and lungs, bronchitis, asthma, consumption and many diseases of like nature. It is a disease manifest to nearly every one and is easily not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs, is Bickel's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It procures a free and easy expectoration, soothes irritation and drives the disease from the system.

Improvement.

In my condition, my appetite began to return and with it came the ability to digest all the food taken; my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life, and cannot thank you too much. "We, the undersigned, citizens of Brockway Centre, Mich., hereby certify that the above statement, made by Mrs. J. M. Lake, is true and correct, and entitled to full credit. Witness our hands and seals, this 1st day of June, 1900. A. H. Linton, J. M. Lake, and J. W. Waring, C. A. Wells, Druggists.

FITS, EPILEPSY OR FALLING SICKNESS.

ALL long study, I WISH to say in regard to CURING FITS, EPILEPSY, OR FALLING SICKNESS, that I have made the discovery that a simple remedy has been discovered, whereby catarrh, external deafness and deafness are permanently cured in from one to three simple applications made at home by the patient once in two weeks. N. E.—This treatment is not a quack or a delusion; both have been discovered by reliable physicians and are treated in a pamphlet explaining the new method. It is sent on receipt of ten cents by A. H. Linton & Son, 303 West King Street, Toronto, Canada.—Toronto Globe. Sufferers from Catarrh troubles should carefully read the above.

Ayer's Sarsaparilla.

Sufferers from Catarrh troubles should carefully read the above. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Price 25c; six bottles, \$1.50. Sold everywhere.

JINGLES AND JOKELETS.

Italian Honor With the Wise Men, the Wit and the Paragons of the Day. Low's Sulphur Soap is an elegant toilet article, and cleanses and purifies the skin most effectually.

Biliousness and Acid Stomach. Having used your Burdock Blood Bitters successfully for some time past for my complaint, biliousness and acid stomach, I have never found its equal.

Those Who Suffer. St. Thomas, Ont.

Yellow Oil has done good work for 30 years in curing muscular rheumatism, lameness, sprains, colds, sprains, burns, bruises and all pains and aches. It is equally good for man or beast.

A Priceless Treasure. After ineffectually trying many of the so-called remedies for catarrh, I made a trial of Nasal Balm which gave me instant relief.

It changes the unpleasant odor of the virus in the throat and the poisonous secretions over which every breath must pass. To any thus troubled it is a priceless medicine.

Mother Graves' Worm Exterminator has no equal for destroying worms in children and adults. See that you get the genuine when purchasing.

It is easy to find out from anyone who has used it, the virtues of Hayward's Yellow Oil for all painful and inflammatory troubles, rheumatism, neuralgia, lumbago, front, back, burn, sprains, sprains, contracted cords, stiff joints, aches, pains and soreness of any kind, it has no superior.

Practical Pointers. As a simple, natural laxative, stomachic, blood, brain and nerve tonic, when taken as directed, the value of Burdock Blood Bitters cannot be overestimated, while as a cure for constipation, indigestion, liver disease, impure blood, indigestion, nervous and sick headache, it is the best that money can buy.

"For a long time I had no appetite, was restless at night, and very much debilitated. After taking two bottles of Ayer's Sarsaparilla, my stomach and appetite returned, and my health was completely restored."—D. M. Fisher, Oswego, N. Y.

Why suffer from disorders caused by impure blood, when thousands are being cured by using Northrop & Lyman's Vegetable Discovery? It removes pimples and all eruptions of the skin. Mr. John C. Fox, Ontario, writes: "Northrop & Lyman's Vegetable Discovery is giving good satisfaction. Those who have used it say it has done them more good than anything they have ever taken."

For Colds or Pain. Yellow Oil is the best remedy I ever used. I had a bad cold 15 months ago, which was sore. I got no relief until I tried Hayward's Yellow Oil, which gave instant relief.

Enrich the blood by the use of Mother's Beef, Iron and Wine, which supplies the necessary blood building material.

Those of the gentle sex who have experienced the pain and annoyance caused by constipated bowels, and indigestion, should use a remedy which removes the trouble. This is precisely what Dr. Thomas' Electric Oil does, besides curing, when used internally, asthma, cramp and other maladies.

Evils in the journey of life are like the hills which alarm travellers upon the road; they appear great at a distance, but when we approach them we find that they are far less formidable than we had imagined.

There are many indications of worms, but Dr. Low's Worm Syrup meets them in every case successfully.

Minard's Liniment for sale Everywhere.

MOSES HAD ASTHMA.

My husband had asthma for eight years with severe coughs and his lungs also were affected. He could neither rest, work, nor get any sleep from any medicine he tried. Some time ago we got Hayward's Peppermint Balm, and after taking it for eight bottles his cough is entirely cured, the asthma greatly relieved, and his lungs greatly benefited.

Mrs. Moxa Corcoran, Aspley, Ont.

Mr. Mr. Stephens, of Albany, N. Y., writes us as follows as follows:—My stomach was so weak that I could not eat anything sour or very sweet, even fruit at tea-time would cause heartburn, fulness or oppression of the chest, short breath, restlessness during sleep, and frightful dreams or disagreeable night, so that I could not sleep. With the use of Northrop & Lyman's Vegetable Discovery this unpleasantness has all been removed, and I now can eat what I wish to eat or fancy."

ADVICE TO MOTHERS.—Are you disturbed at night and broken your rest by a sick child suffering and crying with the pain of Cutting Teeth?
