### The Young Folks.

THE HAVING "COMPANY."  
The letter read "My dearest Sam, Next Thursday I will spend with you. I won't enjoy my visit, though. If any trouble I bestow."  
"Oh! I'm so glad—cried Mrs. White. For company as such delight. But looking round her as a glance. I must get ready right away."  
Armed with a dust-pan and a broom she went to work in every room. She scolded and polished, cleaned and rubbed. And scolded, scoured, washed and scrubbed. Then in the kitchen she began. While preparation down her ran. At the table she sat with bread. If any may be so kind to be.  
She baked and frosted, cooked and baked. She brewed, covered, steamed and baked. When Thursday came, she, so ready dead. She managed to crawl out of bed.  
And Mrs. Company came too. They kissed and hugged like women do. And then began Mrs. White's  
To make excuses, every right.  
"O, dear! my home (she waxes dead) 'Is most too dirty to be seen— So shut your eyes—you're looking stout— Take off your things—I'm just worn out."  
You must excuse my cooking, too. It isn't fit to offer you.  
("Was fit for blimps")—Two bad you come just when I'm up and down at home."  
And thus she welcomed her distressed and spoiled the visit of her guest.  
"Why! what she hadn't come to be a third woman's company."  
—Selected.

### THE RETORT CUTTING.

Seated in a street car near two sweet young things, who were full of the beautiful impudence of girlhood, the following points of their conversation reached me, says a writer in the Boston Herald:  
"Oh, Amy, I have a frightful rip in my riding habit and forgot to have it mended. Lend me yours to-morrow, will you?"  
"Yes, indeed, dear," (with emphasis and the sweetest emphasis). "But I'm awfully afraid you'll find it too tight. I wear a twenty-one corset, you know."  
"Yes," (a slight but very impressive pause). "I think, perhaps, I can get it to last; though, I wear a nineteen."  
"It was close-cut in the stroke of a razor; beautifully given and beautifully taken. Both persons preserved their calm and placid expression, a new topic of conversation was started instantly and I leaned back in my comraded and marveled at my own sex."  
—Harper's Young People.

### PIC-NICS.

Almost any boy or girl can tell you what a picnic is like but I wonder how many know why it is so called, or that the custom is said to date only from 1892, not a hundred years ago.  
The word, now, when such an entertainment was being arranged for, it was customary for those who intended to be present should supply the tables and drinkables. Originally the plan was to draw up a list of what was necessary, which was an excellent one to follow, for often, when there has been no previous arrangement, it is discovered when they get that there is too much of one kind of food and not enough of another.  
The list was passed round, and each person picked out the article of food or drink or he was willing to furnish, and the name of the article was then ticked off the list. So it was from these two words ticked and nicked, that this form of out-of-door entertainment first became known as a "pick and nick." It has since a picnic, the old-fashioned term for the basket parties of today.—Harper's Young People.

A little girl was getting a needle in her mouth when her aunt said: "Don't do that, you might hurt yourself, and besides, it will make the needle all rusty and then I can't use your little apron."  
"Why?" replied the little dame, "I had my needle just rust in it!"  
Teacher—Which State has two capitals? Boy—New Hampshire. (Giggles) Name them. Capital N and capital H.

For the thorough and speedy cure of all blood diseases and eruptions of the skin, the Northrop & Lyman's Vegetable Discovery. Mrs. B. F. French, Detroit, had a running sore on her leg for a long time; commenced using Northrop & Lyman's Vegetable Discovery, and the sore was completely cured. Her husband thinks there is nothing equal to it for Aches or any low fever.  
A little boy who was carrying some eggs home from the store, dropped them. "Did you break any?" asked his mother.  
"No," said he, "but the shells came off some of them."

## A Fact

WORTH knowing is that blood diseases, which all other remedies fail to cure, yield to Ayer's Sarsaparilla. From a condition of this state, the patient comes to be healthy. Every such deep-seated and stubborn complaint as Rheumatism, Gout, and the like, are thoroughly eradicated. It is a powerful purifier, and the most wonderful alterative.  
Mrs. R. Irving Dodge, 110 West 125th Street, New York, certifies:  
"About two years ago, after suffering for nearly two years from rheumatism, being able to walk only with great difficulty, and having tried the various remedies, including mineral waters, without relief, I saw by an advertisement in a friendly paper that a man had been relieved of this distressing complaint, after long suffering, by taking Ayer's Sarsaparilla. I then decided to make a trial of this medicine, and took it regularly for eight months. I am pleased to say that it effected a complete cure, and that I have since had no return of the disease."  
Mrs. L. A. Stark, Nashua, N. H., writes: "One year ago I was taken ill with Rheumatism, being confined to my house six months. I came out of the sickness very much debilitated, with the appetite and my system deranged in every way. I commenced to use Ayer's Sarsaparilla and began to improve at once, gaining strength and soon recovering my usual health. I cannot say too much in praise of this wonderful medicine."

### NOTES HERE AND THERE.

**A certain amount of opposition is a great help to a man.** Either rise against and not with the wind. Even a head wind is better than none. No man ever worked his passage anywhere in a dead calm.  
Only a Sinner.  
"My sister and I each tried a Burdock Blood Bitters with great success for bilious headache. We recommend it to all as a specific for headache."  
Miss Clara Schermer, Baden, Ont.  
We think it high time that people came to their senses and stopped using the cheap, trashy, injurious, health destroying Baking Powders. Imperial Cream Tartar Baking Powder is pure, reliable and the best article.  
It can do no harm to try Freeman's Worm Powders if your child is ailing, febrile or fretful.  
All ages and conditions of people may use National Pills without injury and with great benefit.  
"Why, Pat, for heaven's sake, what is the matter?"  
"Oh! I'm all right, but I feel a terrible pain in my chest. I don't know what it is, but I feel it worse and worse every minute. I feel as if I was choking. I feel as if I was choking. I feel as if I was choking."  
History of 15 Years.  
For fifteen years we have used Dr. Fowler's Extract of Wild Strawberry as a family medicine for summer complaints and diarrhoea, and we never had anything to equal it. We highly recommend it.

A single scratch may cause a festering sore. Victoria Carbolic Salve rapidly heals cuts, wounds, bruises, burns and all sores.  
Party Politics.  
When party politics run high bad feeling and bad blood are often caused, but all parties agree that when bad blood arises from ordinary causes the only satisfactory cure is Burdock Blood Bitters, nature's blood purifier. Recommended by the medical profession.  
Parity of Ingredients and Accuracy of Compendium, make Milburn's Aromatic Quinine Wine the criterion of excellence.  
"A five minutes woman can clean up a man's room in such a way that it will take him five weeks to find out where she puts things."  
Trouble at Melita.  
Mrs. W. H. Brown, of Melita, Man., states that two of her children and two others belonging to a neighbor, were cured of the worst form of summer complaint by one bottle of Dr. Fowler's Extract of Wild Strawberry, nature's specific for all summer complaints.  
Much distress and sickness in children is caused by worms. Mother Graes' Worm Exterminator gives relief by removing the cause. Give it a trial and be convinced.

W. H. Gabel, Berlin, Ont., says: "I feel it my duty to write you and report the result of my using Neal Balm. I have a severe sufferer from that loathsome disease, catarrh, and tried several remedies, but got no relief till I purchased a bottle of Neal Balm. I used it according to directions and he is completely cured. I take great pleasure in recommending it to all suffering from catarrh, who come into my shop."

### A PRISONER SECURED THE MOTION.

I heard a pretty good story about a certain ignorant Justice who does business up in Fulton County. This Justice was elected over an able, but very unpopular lawyer, and his first case was that of a prisoner charged with violating the salary law. The complaint and warrant were defective, and this the defendant's attorney took exception to in a masterly argument, winding up by moving the prisoner's discharge. "Is the motion seconded?" asked the Justice. "It is," replied the prisoner. "Gentlemen," continued the Judge, "It is regularly moved and seconded that the prisoner be discharged. All those in favor of the motion say 'aye.' "Aye," came from the prisoner and his counsel. "Opposed, no," Silence followed, and after a short pause the Justice said: "The motion is carried and the prisoner is discharged," whereupon, to the surprise and amazement of all, court was declared adjourned.

**A Child Saved.**  
My little boy was taken very bad with diarrhoea, he was very delicate and got so low we had no hope of his life, but a lady friend recommended Dr. Fowler's Extract of Wild Strawberry, and although he could only bear a few drops at a time he got well. It saved my child. Mrs. W. Stewart, Campbellville, Ont.  
G. A. Dixon, Franklinville, Ont., says:—"He was cured of Chronic Bronchitis that troubled him for seventeen years by the use of Dr. Thomas' Electric Oil."  
Consensus Carol.  
An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma and all throat and lung affections, also a positive and radical cure after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-creatures. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp naming this paper, W. A. NORRIS, 250 Powers' Block, Rochester, N. Y.

**The Root of Evil.**  
Dyspepsia and consumption are the sources of various diseases, and root and branch may be removed by using Burdock Blood Bitters according to directions. It is endorsed by the press, the public and the profession, and cannot be excelled for the cure of constipation, dyspepsia and all diseases arising therefrom.

"Hallo! Hardup, what's the matter? You look glum."  
"I've reason to; I was obliged to make an assignment to-day."  
"Well, I don't see why you need to be gloomy about that. If some other fellow had failed and you were one of the creditors, wouldn't you have reason for despondency? I'll save my sympathy for the man you owe money to."  
"I guess you're right. I didn't think of that."  
No medicine in the world is in better repute or more widely known than Ayer's Sarsaparilla. As a safe and certain remedy for all manner of blood disorders, leading physicians and druggists everywhere recommend it in preference to any other.
