The Young Folks.

SONG OF LABOR.

Ho! this is a song for labor,
For the ring of the hammer's steel,
For the axe that is clearing the forest,
For the craft that can lay a keel.
There are songs to the heroes of romance,
And lays to fair maiden's lips—
I sing to the scythe of the reaper,
To the hands that steer the ships.

I sing to ye, all who labor—
That man with the carpenter's rule,
That man with the stick of the printer,
And you, who are teaching a school;
I greet ye, black-grimed from the coal mine,
I greet ye, white-grimed from the mill;
I sing to the plumb of the mason,
And the fires that burn in the kiln.

A toast to the brave city firemen,
To the hand that's tending a loom,
To the transit of the surveyor,
In the depths of the forest's gloom:
I sing to the fierce locomotive,
To the warning light-house gleam,
To the art that can fashion a plowshare,
To the bridge that spans the stream.

From the snow-peaks of New Hampshire
To the wilds of Oregon,
From the sandy shores of Erie
To the wharves of Galveston;
From the white falls of the Hudson
To New Mexico's drifting sand,
From the wheat-fields of Dakota
To the vines of Maryland—

Arise in your might, brave toilers,
To answer the great world's need;
Your humblest becomes a monarch
In following Labor's creed.
So, hail to ye Monarchs of Labor,
The thews of the nation's weal!
The results of your high endeavor
Are sealed with Humanity's seal.

Communion Wine.

At a recent Gospel temperance meeting at Castletown, a Manx fisherman, known to be a sincere child of God, said:—"In early life I was a slave to strong drink; but through the instrumentality of the temperance movement I was led to give it up. I subsequently became converted to God, and, longing to obey his almost last command, 'Do this in remembrance of Me,' I went to the Communion. The instant I tasted the wine, so highly was it charged with alcohol, the old longing came back, and from that moment, nine years ago, I have never been once to the Lord's Table. I dare not lead myself into temptation."

How a Lady Was Taken In.

A begging impostor, ticketed "deaf and dumb," recently took his stand in front of one of the fashionable hotels at Saratoga. Presently a lady came past, who, with equal humanity and simplicity, asked him how long he had been deaf and dumb. Completely thrown off his guard, the rogue immediately answered: "From birth, madam." "Poor fellow!" said the lady, and gave him a fifty-cent piece.

A DOCTOR'S CONFESSION.

He Doesn't Take Much Medicine and Advises the Reporter not to.

"Humbug? Of course it is. The so-called science of medicine is a humbug and has been from the time of Hippocrates to the present. Why the biggest crank in the Indian tribes is a medicine man."

Very frank was the admission, especially so when it came from one of the biggest young physicians in the city, one whose practice is among the thousands, though he has been graduated but a few years," says the Buffalo *Courier*. "Very cosy was his office too, with its cheerful grate fire, its Queen Anne furniture, and its many lounges and easy chairs. He stirred the fire lazily, lighted a fresh cigar, and went on.".

"Take the prescriptions laid down in the books and what do you find? Poisons mainly, and nauseating stuffs that would make a healthy man an invalid. Why in the world science should go to poisons for its remedies I cannot tell, nor can I find any one who can."

"How does a doctor know the effect of his medicine?" he asked. "He calls, prescribes, and goes away. The only way to judge would be to stand over the bed and watch the patient. This cannot be done. So really, I don't know how he is to tell what good or hurt he does. Some time ago, you remember, the Boston *Globe* sent out a reporter with a stated set of symptoms. He went to eleven prominent physicians and brought back eleven different prescriptions. This just shows how much science there is in medicine.

"There are local diseases of various characters for which nature provides positive remedies. They may not be included in a regular physician's list, perhaps, because of their simplicity, but the evidence of their curative power is beyond dispute. Kidney disease is cured by Warner's Safe Cure, a strictly herbal remedy. Thousands of persons every year write as does H. J. Gardiner, of Pontiac, R. I., August 7, 1890.

"A few years ago I suffered more than probably ever will be known outside of myself with kidney and liver complaint. It is the old story—I visited doctor after doctor, but to no avail. I was at Newport and Dr. Blackman recommended Warner's Safe Cure. I commenced the use of it, and found relief immediately. Altogether I took three bottles, and I truthfully state that it cured me."

Like Lightning.

The rapid action of the "great pain cure" Polson's Nerviline, in relieving the most intense pain, is a matter of wonder to all who have used it. There is nothing surprising in its results, for it is made of the strongest, purest and most efficient remedies known to medicine. Nerviline cures toothache instantly; rheumatism is at once relieved by its use; and the same may be said of all kinds of pain. Sample bottles, costing only 10 cents, at any drug store. The large bottles only 25 cents. Polson's Nerviline sold by druggists and country dealers.

NOTES HERE AND THERE.

Items of General Interest to Free Press Readers.

It is better to fight for the good, than to rail at the ill.

It is safe to use Freeman's Worm Powders, as they act only on the worms and do not injure the child.

Be master of thyself, if thou will be the servant of virtue.

Use the safe, pleasant, and effectual worm killer, Mother Graves' Worm Exterminator; nothing equals it. Procure a bottle and take it home.

He who follows his recreation instead of his business, will, in a little time, have no business to follow.

Sick headache caused by excess of bile or a disordered stomach is promptly relieved by using National Pills.

Happiness is a perfume which one cannot shed over another without a few drops falling on one's self.

Painful Burns, bruises, scalds and cuts are quickly soothed and healed by Victoria Carbolic Salve.

Prompt, potent and permanent results always come from the use of Milburn's Aromatic Quinine Wine.

A good word is an easy obligation; but not to speak ill requires only our silence, which costs us nothing.

Everywhere one enquires in Toronto as to who is in reality the producer of the best Art Stained glass in that city. The reply is unanimously in favor of Jos. McCausland & Son. All of the finest residences in Toronto, have delightful examples in some form or other from this firm.

The trouble we suspect scarcely ever comes. How much pain the evils cost us that have never happened.

Mining News.

Mining experts note that cholera never attacks the bowels of the earth, but humanity in general find it necessary to use Dr. Fowler's Extract of Wild Strawberry for bowel complaints, dysentery, diarrhœa, etc. It is a sure cure.

How often do we find that apparent adversity has worked far greater happiness than the greatest prosperity.

Mind Your Own Business.

Those men always succeed best who mind their own business. The reason is probably because they meet with such little competition. Imperial Cream Tartar Baking Powder is the most successful baking powder in the market because it attends to its own business. It sells on its own merit, not by abusing other similar preparations.

The earth is our workshop. We may not curse it, we are bound to sanctify it. We must strive to make humanity one single family.

Mr. W. Thayer, Wright, P.Q., had dyspepsia for 20 years. Tried many remedies and doctors, but got no relief. His appetite was very poor, had a distressing pain in his side and stomach, and gradual wasting away of flesh, when he heard of, and immediately commenced taking Northrop & Lyman's Vegetable Discovery. The pains have left and he rejoices in the enjoyment of excellent health, in fact he is quite a new man.

Whatever kind of persons you seem to cherish and support, these you will be thought to resemble.

If Your House is on Fire.

You put water on the burning timbers, not on the smoke. And if you have catarrh you should attack the disease in the blood, not in your nose. Remove the impure cause, and the local effect subsides. To do this, take Hood's Sarsaparilla, the great blood purifier, which radically and permanently cures catarrh. It also strengthens the nerves. Be sure to get only Hood's Sarsaparilla.

If a man does not make new friendships as he advances through life, he will soon find himself left alone. A man should keep his friendships in constant repair.

W. W. McLellan, Lyn, P. O., writes:—"I was afflicted with rheumatism, and had given up hopes of a cure. By chance I saw saw Dr. Thomas' Eclectric Oil recommended. I immediately sent (fifty miles) and purchased four bottles, and with only two applications I was able to get around, and although I have not used one bottle, I am nearly well. The other three bottles I gave around to my neighbors, and I have had so many calls for more, that I feel bound to relieve the afflicted by writing to you for a supply."

Consumption Cured.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma and all throat and lung affections, also a positive and radical cure after having tested its wonderful curative powers in thousand of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp naming this paper. W. A. Noyes, 820 Powers' Block, Rochester, N. Y.

"All Work and no Play."

We should like to know the name of the kindly soul who originated the saying, "All work and no play makes Jack a dull boy." Alas! his name has perished! But his good adage lives after him, and is to day giving many a Jack the recreation he needs. How often do good-natured fathers and employers, just as they are about to say *No* to some boyish request for a holiday, think of the genial old proverb, and send the youngsters away happy, saying, "Go, my lad; I was once young myself."

What is a Day's Labor?

One day's work for a healthy liver is to secrete three and a half pounds of bile. If the bile secretion be deficient, constipation, ensues; if profuse, biliousness and jaundice arise, Burdock Blood Bitters is the most perfect liver regulator known in medicine for preventing and curing all liver troubles.

Sympathy overcomes evil and strengthens good. It disarms resistance, melts the hardest heart, and draws out the better part of human nature.

Gents,—My horse was so afflicted with distemper that he could not drink for four days, and refused all food. Simply applying MINARD'S LINIMENT outwardly cured him.

Gents,—I have used your MINARD'S LINIMENT for bronchitis and asthma, and it has cured me. I believe it the best.

Bad company is the most dangerous of all temptations. For one man that is led astray by love of vice, thousands are ruined by the seductions of others.

The Safest

And most powerful alterative is Ayer's Sarsaparilla. Young and old are alike benefited by its use. For the eruptive diseases peculiar to children nothing else is so effective as this medicine, while its agreeable flavor makes it easy to administer.

"My little boy had large scrofulous ulcers on his neck and throat from which he suffered terribly. Two physicians attended him, but he grew continually worse under their care, and everybody expected he would die. I had heard of the remarkable cures effected by Ayer's Sarsaparilla, and decided to have my boy try it. Shortly after he began to take this medicine, the ulcers commenced healing, and, after using several bottles, he was entirely cured. He is now as healthy and strong as any boy of his age."—William F. Dougherty, Hampton, Va.

"In May last, my youngest child, fourteen months old, began to have sores gather on its head and body. We applied various simple remedies without avail. The sores increased in number and discharged copiously. A physician was called, but the sores continued to multiply, until in a few months they nearly covered the child's head and body. At last we began the use of Ayer's Sarsaparilla. In a few days a marked change for the better was manifest. The sores assumed a more healthy condition, the discharges were gradually diminished, and finally ceased altogether. The child is livelier, its skin is fresher, and its appetite better than we have observed for months."—Frank M. Griffin, Long Point, Texas.

"The formula of Ayer's Sarsaparilla presents, for chronic diseases of almost every kind, the best remedy known to the medical world."—D. M. Wilson, M. D., Viggs, Arkansas.

Ayer's Sarsaparilla,

PREPARED BY

Dr. J. C. Ayer & Co., Lowell, Mass.

Price $1; six bottles, $5. Worth $5 a bottle.

Timely Wisdom.

Great and timely wisdom is shown by keeping Dr. Fowler's Extract of Wild Strawberry on hand. It has no equal for cholera, cholera morbus, diarrhœa, dysentery, colic, cramps, and all summer complaints or looseness of bowels.

If you want to buy or sell a Farm, advertise in the Toronto *Weekly Mail*. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase. Advertisements of this class are inserted in the Toronto *Weekly Mail* for Five Cents a word each insertion, or Twenty Cents a word for five insertions. Address The Mail, Toronto, Canada.

Imperial Confederation.

Will present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhœa, dysentery, and all summer complaints, to every part of the Empire. Wild Strawberry never fails.

Boils, carbuncles, and other skin eruptions indicate that the system is endeavoring to reject poisonous acids, and that Ayer's Sarsaparilla is imperatively needed. It is the most reliable of all blood medicines Ask your druggist for it and take no other.

The People's Mistake.

People make a sad mistake often with serious results when they neglect a constipated condition of the bowels. Knowing that Burdock Blood Bitters is an effectual cure at any stage of constipation, does not warrant us in neglecting to use it at the right time. Use it now.

The lady Godiva must have had exceptionally long hair since it completely concealed her lovely person. Since Ayer's Hair Vigor came into use such examples are not so rare as formerly. It not only promotes the growth of hair, but gives it a rich, silken texture.

Equal Rights.

All have equal rights in life and liberty and the pursuit of happiness, but many are handicapped in the race by dyspepsia, biliousness, lack of energy, nervous debility weakness, constipation, etc, by completely removing these complaints Burdock Blood Bitters confers untold benefits on all sufferers.

A lifetime of torture is often endured by the rheumatic. Their pangs may, however, be promptly relieved and the disease eradicated with Dr. Thomas' Eclectric Oil, which is, moreover, a swift and thorough remedy for neuralgia, lame back, sores, bruises, frost bites, corns, excoriated nipples, inflamed breasts, liver complaint, and all affections of the breathing organs.

When you notice unpleasant sensation after eating, at once commence the use of Northrop & Lyman's Vegetable Discovery, and your Dyspepsia will disappear. Mr. James Stanley, Merchant, at Constance, writes: "My wife has taken two bottles of Northrop & Lyman's Vegetable Discovery for Dyspepsia, and it has done her more good than anything she has ever used."

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain both internal and external. It cures pain in the side, back, or bowels, sore throat, rheumatism, toothache, lumbago and any kind of pain or ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for cramps in the stomach, and pains and aches of all kinds and is for sale by all druggists at 25 cents a bottle.

Bickle's Anti-Consumptive Syrup is a combination of several medicinal herbs which exert a most wonderful influence in curing pulmonary consumption and all other diseases of the lungs, chest and throat. It promotes a free and easy expectoration, and gives ease even to the greatest sufferer. Coughs, colds, shortness of breath, and affections of the chest, attended with weakness of the digestive organs, or with general debility, seem to vanish under its use. No other remedy acts so readily in allaying inflammation or breaking up a cold, even a severe cough is overcome by its penetrating and healing properties. When children are affected with colds, coughs, inflammation of the lungs, croup, quinsey and sore throat, this Syrup is of vast importance. The number of deaths among children from these diseases is truly alarming. It is so palatable that a child will not refuse it, and is put at such a price that will not exclude the poor from its benefits.
