The Young Folks.

A UNFORTUNATE DAYS.

Like many who question God's ways,
We sometimes complain, looking back,
Along life's unchangeable track,
Of sad and unfortunate days.

Dark days, when the sun was obscured,
And not a thing, seeming went right,
Or gave us a throb of delight;
With pleasure and comfort assured.

Bare days, when the branches were stripped,
And not a green leaf waved the sun—
When those we fell dead, one by one,
By cold, cruel frost early nipped.

Lone days, when our friends seemed but few,
And neighbors were harsh or unkind;
When hearts proved as false as the wind—
The hearts we had reckoned as true.

And these, as we talk of our ways,
The pain, and the joy, and the strife
We have known in the course of a life,
We call ever unfortunate days.

And yet, if we only could know,
Our blessings that come in disguise,
Oftimes have been rooted 'neath skies
Whose sunshine we railed here below,

And the minutes and hours, when we gaze
With sorrow on trial and loss,
And fear, as we think, some great cross,
May prove our most fortunate days.

—*Mrs. M. A. Kidder.*

Health in Herbs.

Health-giving herbs, barks, roots and berries are carefully combined in Burdock Blood Bitters, which regulate the secretions purify the blood and renovate and strengthen the entire system. Price $1 a bottle, six for $5. Less than 1 cent a dose.

The man who owns no land is one of those spoken of as the unterrafied.

Winter Sports.

The gay winter season exposes many to attacks of colds, coughs, hoarseness, tightness of the chest, asthma, bronchitis, etc., which require a reliable remedy like Hagyard's Pectoral Balsam for their relief and cure. Known as reliable for over thirty years. The best cough cure.

Catarrh
Is the head
Is a constitutional
Disease, and requires
A constitutional remedy
Like Hood's Sarsaparilla,
Which purifies the blood,
Makes the weak strong.
Restores health.
Try it now.

Mr. Thos. Bell, of Messrs. Scott, Bell & Co., proprietors of the Wingham Furniture Factory, writes: "For over one year I was not free one day from headache. I tried every medicine I thought would give relief but did not derive any benefit. I then procured a bottle of Northrop & Lyman's Vegetable Discovery, and began taking it according to directions, when I soon found the headache leaving me, and I am now completely cured.

When a young lady went to look at a parasol the other day, the clerk said: "Will you please give the shade you want?" I expect the parasol to give the shade I want," said the young lady.

That Little Tickling

In your throat, which makes you cough once in a while and keeps you constantly clearing your throat, arises from catarrh, and as catarrh is a constitutional disease the ordinary cough medicines all fail to hit the spot. What you need is a constitutional remedy like Hood's Sarsaparilla. Many people who have taken this medicine for scrofula, dyspepsia, loss of appetite, and and other troubles, have been surprised that it should cure this troublesome cough. But to know the actual cause of the cough is to solve the mystery. Many cases of consumption can be controlled in its early stages, and the effect of Hood's Sarsaparilla in purifying the blood, building up the general health, and expelling the scrofulous taint which is the cause of catarrh and and consumption, has restored to perfect health many persons on whom threatened disease to seemed to have a firm hold.

NOTES HERE AND THERE.

Items of General Interest to Free Press Readers.

The horseman is generally proud of his race.

It is safe to use Freeman's Worm Powders, as they act only on the worms and do not injure the child.

A good many of the professional sparrers (sparrows) are all birds.

Painful Burns, bruises, scalds and cuts are quickly soothed and healed by Victoria Carbolic Salve.

Strange that we can put no confidence at all in a professional confidence man.

Holloway's Corn Cure is the medicine to remove all kinds of corns and warts, and only costs the small sum of twenty five cents.

When, from any cause, the digestive and secretory organs become disordered, they may be stimulated to healthy action by the use of Ayer's Cathartic Pills. These Pills are prescribed by the best physicians, and are for sale at all the drug stores.

Perhaps you heard about the boy who complained of the stone as an impediment in his peach.

Come one, and all,
Both great and small
Try Hagyard's Yellow Oil,
It stops the pains
Of wounds or sprains,
That rest and comfort spoil.

The Baltimore Post Office.

I don't care who is appointed to the Baltimore post office, said General Johnson to the President, but I do insist that my cook use Imperial Cream Tartar Baking Powder I am done with powder containing alum and ammonia.

"I aim to tell the truth!" exclaimed a political orator. "Yes," cried his rival, "and you're the worst shot in America."

High Time.

When weakness, loss of appetite, lack of energy and other symptoms of dyspepsia appear, it is high time Burdock Blood Bitters was made use of. There is nothing else "just as good." It is B.B.B. that cures dyspepsia, so be sure you get it.

The beneficial results of our school system are shown by the fact that most of our college professors come from the lore classes.

The use of Ayer's Sarsaparilla purifies the blood, stimulates the secretions, and imparts new life and vigor to every function of the body. For nearly half a century, it remained unrivaled as the best blood medicine ever discovered. Be convinced by a trial.

It is all well enough for young men to "see something of the world," but they shouldn't imagine that it is necessary for them to stay out nights to do it.

First and foremost among external curatives of pain is Dr. Thomas' Eclectric Oil. Nor is it less esteemed as a remedy for coughs, pains, swellings, corns, bunions, etc. It is an economic as well as inexpensive article, since the results produced by it necessitate the use only of a small quantity.

Many of our colleges are boasting of their increased number of students, when there isn't one of them that has anything but a class of '94 at the most.

Mr. W. Thayer, Wright, P.Q., had dyspepsia for 20 years. Tried many remedies and doctors, but got no relief. His appetite was very poor, had a distressing pain in his side and stomach, and gradual wasting away of flesh, when he heard of, and immediately commenced taking Northrop & Lyman's Vegetable Discovery. The pains have left and he rejoices in the enjoyment of excellent health, in fact he is quite a new man.

A Scotchman who had put up at an inn, was asked in the morning how he had slept. "Ah, mount," replied Donald, "nae very well, either; but I was muckle better off than the flays, for d'il a one o' them closed an e'e the hale nicht."

The Third page of the Toronto *Daily Mail* is noted for "Want" advertisements If you want to buy or sell anything. A facetious English judge said to a dangerous highwayman whom he had just sentenced to transportation for life: "You are being transported for life, the community is transported for joy."

W. W. McLellan, Lyn, P. O., writes:—"I was afflicted with rheumatism, and had given up hopes of a cure. By chance I saw saw Dr. Thomas' Eclectric Oil recommended. I immediately sent (fifty miles) and purchased four bottles, and with only two applications I was able to get around, and although I have not used one bottle, I am nearly well. The other three bottles I gave around to my neighbors, and I have had so many calls for more, that I feel bound to relieve the afflicted by writing to you for a supply."

Consumption Cured.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma and all throat and lung affections, also a positive and radical cure after having tested its wonderful curative powers in thousand of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp naming this paper. W. A. Noyes, 820 Powers' Block, Rochester, N. Y.

Prompt, potent and permanent results always come from the use of Milburn's Aromatic Quinine Wine.

People Wonder

WHEN they find how rapidly health is restored by taking Ayer's Sarsaparilla. The reason is that this preparation contains only the purest and most powerful alteratives and tonics. To thousands yearly it proves a veritable elixir of life.

Mrs. Jos. Lake, Brockway Centre, Mich., writes: "Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony. I was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I began the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an

Improvement

in my condition, my appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life, and I cannot thank you too much."

"We, the undersigned, citizens of Brockway Centre, Mich., hereby certify that the above statement, made by Mrs. Lake, is true in every particular and entitled to full credence."—O. P. Chamberlain, G. W. Waring, C. A. Wells, Druggist.

"My brother in England, was, for a long time, unable to attend to his occupation, by reason of sores on his foot. I sent him Ayer's Almanac and the testimonials it contained induced him to try Ayer's Sarsaparilla. After using it a little while, he was cured, and is now a well man, working in a sugar mill at Brisbane, Queensland, Australia."—A. Attewell, Skarlot Lake, Ontario.

Ayer's Sarsaparilla,

PREPARED BY

Dr. J. C. Ayer & Co., Lowell, Mass.

Price $1; six bottles, $5. Worth $5 a bottle.

Sick headache caused by excess of bile or a disordered stomach is promptly relieved by using National Pills.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain both internal and external. It cures pain in the side, back, or bowels, sore throat, rheumatism, toothache, lumbago and any kind of pain or ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for cramps in the stomach, and pains and aches of all kinds and is for sale by all druggists at 25 cents a bottle.

Advice to Mothers.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with the pain of Cutting Teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and bowels, cures Wind Colic, softens the Gums, reduces Inflammation and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Bickle's Anti-Consumptive Syrup is a combination of several medicinal herbs which exert a most wonderful influence in curing pulmonary consumption and all other diseases of the lungs, chest and throat. It promotes a free and easy expectoration, and gives ease even to the greatest sufferer. Coughs, colds, shortness of breath, and affections of the chest, attended with weakness of the digestive organs, or with general debility, seem to vanish under its use. No other remedy acts so readily in allaying inflammation or breaking up a cold even a severe cough is overcome by its penetrating and healing properties. When children are affected with colds, coughs, inflammation of the lungs, croup, quinsey and sore throat, this Syrup is of vast importance. The number of deaths among children from these diseases is truly alarming. It is so palatable that a child will not refuse it, and is put at such a price that will not exclude the poor from its benefits.

A Source of Joy.

Dear Sirs.—My young sisters were attacked by croup so badly that we almost despaired and had little hope of curing them. At last we applied Hagyard's Yellow Oil and to our great joy it cured them perfectly, and they now enjoy the blessing of perfect health.

Annie Johnston,
Dalhousie, N. B.

It is well to be posted in the practical details of one's business, the more especially so when the business is exceptionally intricate. $10,000 was recently saved by the McCaulands, of Toronto, when an American specialist in the Stained Glass business found to his chagrin that this firm had been working for years the very item that he wished to dispose of, and which was supposed by him to be of recent discovery.

Big Interest.

The biggest interest on any investment is that obtained by buying a bottle of B. B. B. The dividends of strength, health and vigor are always realized, and there are no assessments. Burdock Blood Bitters the great blood purifier, costs one dollar a bottle—about one cent a dose.

The Model Husband.

Is the one who sometimes thinks of his wife's pleasure and comfort as well as his own. The average husband is not very much at home, and what of comfort, elegance, refinement and enjoyment he receives there he owes to his wife, who spends her time at home—her kingdom. When a wife asks her husband for new furniture, greatly needed, be too often replies:—"Oh its good enough for me. I guess I can stand it." Go to, thou selfish wretch. Have you no thought beyond yourself? Just think that your faithful wife spends her whole time amongst ricketty furniture. Think how she brushes it up, rearranges it and makes every shift to give it a respectable look. Think how she blushes through and through as she sees her callers tilt their noses in contempt at the antiquated shabbiness you think good enough for you. Shame on you! Make amends. Get your faithful, hard-working, patient wife the set of furniture she wants, and go to Speight & Son's Furniture Warerooms, Acton, for it. Here you will find a good assortment of furniture of every description and style, and all of excellent quality. All made from thoroughly seasoned wood and finished in the best style. Now ye careless husbands, make your wife happy, make your home bright and cheerful. Remember that Speight & Son's is the best place, and the only place, where you can get anything you want in the line of furniture and at reasonable prices. Act at once.
