THE BELLS ACROSS THE SNOW.

CHRISTMAS STORY.

Christmas morning dawned bright and beautiful. The sun shone with radiant rays, and the snow-covered streets and roofs were glistening with frost. The bells across the snow were ringing and pealing, and the air was full of joy and hope. The children were playing in the snow, and the birds were singing in the trees. It was a beautiful day, and it was a day to be remembered.

KEEPING CHRISTMAS WISELY.

Thoughtful people have discovered that they are in danger of losing their Christmas by doing it too wisely. They are so busy with their plans and their preparations that they forget to enjoy the day. They are so busy with their shopping and their gift-giving that they forget to give and receive love. They are so busy with their festivities that they forget to be simple and to be kind. They are so busy with their plans that they forget to be spontaneous and to be true. They are so busy with their preparations that they forget to be present and to be real. They are so busy with their plans that they forget to be simple and to be kind. They are so busy with their preparations that they forget to be present and to be real.

IF HE COULD ONLY FILL IT.

Mary is a good little girl, and she is very kind. She has a lot of friends, and she is very popular. She is going to school, and she is learning a lot. She is a good girl, and she is very smart. She is a good daughter, and she is very obedient. She is a good sister, and she is very helpful.

NO CHRISTMAS FOR THEM.

Mrs. Winklow's Soothing Syrup is a very good medicine. It is a story of a young girl who had a very bad cough, and who was very sick. She was in bed for a long time, and she was very weak. She had a lot of friends, and they were all worried about her. They were all trying to help her, but they were all failing. She was very sad, and she was very lonely. She was very alone, and she was very sad. She was very lonely, and she was very sad. She was very alone, and she was very sad. She was very lonely, and she was very sad. She was very alone, and she was very sad. She was very lonely, and she was very sad. She was very alone, and she was very sad.

CHRISTMAS WREATHS IN WINDOWS.

Christmas wreaths in windows are a very good thing. They are a story of a young girl who had a very bad cough, and who was very sick. She was in bed for a long time, and she was very weak.
