The Young Folks.

THE SELF-TAUGHT BOY.

I've learned today two things quite new...

This is the first—pocket knife that opens and shuts...

The second is that the hot That is the furnace burns...

To keep his fingers from the grate...

These things from wisdom's shelf...

I've learned all this to state...

HOT WATER CURES.

There are but few cases of illness...

Pieces of cotton batting dipped in hot water...

Does Experience Count?

It does, in every line of business...

The head of the firm of C. I. Hood & Co.

These were roasting chestnuts in the fire...

They were roasting chestnuts in the fire...

Because it seems to be cracked and won't pop...

But he did.

They were roasting chestnuts in the fire...

Because it seems to be cracked and won't pop...

But he did.

They were roasting chestnuts in the fire...

Because it seems to be cracked and won't pop...

But he did.

They were roasting chestnuts in the fire...

Because it seems to be cracked and won't pop...

But he did.

They were roasting chestnuts in the fire...

Because it seems to be cracked and won't pop...

But he did.

They were roasting chestnuts in the fire...

Because it seems to be cracked and won't pop...

But he did.

They were roasting chestnuts in the fire...

Because it seems to be cracked and won't pop...

But he did.

They were roasting chestnuts in the fire...

Because it seems to be cracked and won't pop...

But he did.

MONEY

TRULY CALLED THE GREATEST MEDICINE IN THE WORLD.

Nothing so suddenly obstructs the preparation as sudden transitions from heat to cold.

Mr. Jacob Miller, Newbury, writes: "I was troubled with inflammation of the eyes, so that during nearly the whole of the summer of 1917 I could not work."

Mr. H. E. McKinnon, painter, Mount Albert says: "Last summer my system got impregnated with the lead and turpentine used in painting; my body was covered with a scabrous spots as large as a 50 cent piece."
