Mrs F. Williams, 445 Bloor Street, Toronto writes: "I have used your Burdock Blood Bitters for constipation and pain in the head with great success. I improved from the second dose."

Keep of the Chaps.

Wet winter weather causes chapped hands, sore throat, crop, colds, pain in the chest, swelling, etc., for which a certain cure exists in Haygard's Yellow Oil. The best pain expeller for internal or external use. Put it on hand in case of emergencies. Every bottle is a little giant in corrective power.

Weak eyes and inflamed lids indicate an impure condition of the blood. The best remedy is Ayer's Sarsaparilla. It vitalizes the blood, regulates the secretion, and expels all scrofulous humors from the system. Try it. Price \$1. Worth \$5 a bottle.

A Cash Prize.

The proprietors of Burdock Blood Bitters will give a prize of Five Dollars for the cleverest and best essay, (not to exceed 100 words), upon the merits of B.B.B. as a cure for disease. The competition will close Jan. 1891, after which the successful essay will be published, (with the author's name if desired). They will also pay \$1 each for any of the essays they may select and publish. No restrictions. Try your skill, and address: T. MIZRAK & CO., Toronto, Ont.

Is there anything more annoying than having your corn stepped upon? Is there anything more delightful than getting rid of it? Holloway's Corn Cure will do it. Try it and be convinced.

Medical Hints.

The quickest, surest and best remedy for rheumatism, neuralgia, lumbago, sore throat, sciatica, and lameness, is Haygard's Yellow Oil. It quickly cures pains, bruises, burns, frictions, chilblains, etc. For crop, colds, quinsy, etc. take 10 to 30 drops on sugar, and apply the oil externally "as when immediate relief will result."

S. Chadwick, of Arcadia, Wayne Co., writes: "I have had severe attacks of asthma for several years. I commenced taking Dr. Thomas' Electric Oil. The first dose relieved me in one hour. I continued taking it in teaspoonful doses for a few days, and have not had an attack of it since, now nearly one year."

Read These Lines.

1 to 2 bottles of B. B. B. will cure headache.

1 to 2 bottles of B. B. B. will cure biliousness.

Even the most skeptical and unscientific complainants as Rheumatism, Rheumatic Gout, and the like, are thoroughly satisfied by the use of this wonderful alternative.

Does Experience Count?

It does, in every line of business, and especially in compounding and preparing medicines. This is illustrated in the great superiority of Hood's Sarsaparilla over other preparations, as shown by the remarkable cure it has accomplished.

The head of the firm of C. I. Hood & Co. is a thoroughly competent and experienced pharmacist, having devoted the whole of his life to the study and actual preparation of medicines. He is also a member of the Massachusetts and American Pharmaceutical Association, and continually actively devoted to supervising the preparation and managing the business connected with Hood's Sarsaparilla.

Hence the superiority and peculiar merit of Hood's Sarsaparilla is built upon the most substantial foundation. In its preparation there is represented all the knowledge which modern research in medical science has developed, combined with long experience, botany, and experiment. It is only
