PUBLIC READING ROOM.

The new Council has numerous new schemes already afloat. Some commend themselves to the public; with respect to others there is a difference of opinion, but upon the question of a public reading room, it is agreed daily to the public the whole community is united in declaring the project a worthy and commendable one.

NOTES AND COMMENTS.

The various churches are meeting with great interest in the circulation of prohibition petitions. To make these petitions influential they must have a vast array of signatures, and these will not come spontaneously, but must be sought for. It would be better not to petition at all, rather than send in a limited number of names, representing only a fraction of the prohibition sentiment of the Dominion.

THE BOARD OF EDUCATION.

The one man question in municipal politics has reached forth its arms and encircled the Public School Board. A special meeting of the Board was called for on Tuesday to give assent to the matter.

TALK OF THE DAY.

Mrs. John Thompson, granddaughter of the poet Burns, has just died in Glasgow. At Nashville, Tenn., during a snowstorm on Saturday, countless numbers of small fish fell. They resembled carp.

ONE MAN FOR ALL WORK.

The New Council Determined to put their Schemes into Practice.

THE AUDITOR'S REPORT.

The Municipal Council got down to active business on Monday evening. The meeting was presided over by the Mayor, and was attended by a large number of spectators assembled.
