I passed one day a very lovely little cottage home. The windows were bright, the white walls were draped in blooming vines. Flower beds bordered the walks. There were bee hives in a corner of the regetable garden. A grape arbor, a row of current bushes, and cherry and apple trees gave promise of fruit. The little children played in the arbor. The elder boy was setting off to school. In the clean kitchen the mother made bread for her household. "This house must cost a good rent to

you," we said. "We own it," said the mother.

"We got it for ten dollars," she replied.

" Pray bow was that ?" ten dollars each week we added-now a send us some ?" dollar, now five, now a quarter of a dollar, again only a dime, once or twice (during bare quarter of an acre. We still worked on the rule of addition-every day, every week, in the work of money, we add, add, add. It is strange how large a sum of money one gets when you add together many littles. We could sell this house to-day for twelve hundred dollars. But we shall not seil. Each day we shall go on, and add, add, add to the worth of our home.

Tell us that Rheumstism is a blood Jisease that it can be cured only by a remedy which works through the blood. And yet, if you have the darting pains of Rheumatism in muscles or joints, try a little of Clark's Lighning Liniment. It will go direct to the seat of pain and relieve it once. There is no waiting weeks and months until the disease can be attacked through the blood. This seems to be contrary to scientific claims, but it is true that Clark's Lightning Liniment will cure Rheumatism. Sold by all druggists; price fifty cents. Clark Chemical Co. Toronto, New York.
