THE NEWS AT HOME.

Mostly of a Local Character, and Every Item Interesting.

Balton Teachers' Association.

The regular half yearly meeting of the association will be held at the Model School Milton on Thursday and Friday, 7th aud 8th May next. There-will be interesting addresses, essays and discussions and the offices :meeting will be well worth stending. A special attraction will be the lecture at the town half on the evening of the first day of the meeting by Mr. J. A. McLellan, M.A. L.L.D., Director of Teachers' Institutes; subject, "English Literature and Its Value

in Education." Signs of Spring. There's a kind of curious, lazy, lullin feelin' in the breeze, an' the early buds are bendin' neath the weight of honey bees, the downy doves are matlu' in the woodland, where the stream is a mirror where the subsams love to dream. You can see

the buds a swellin' on the tiranches once so bare, an' the cattle-they are grazin' where the tender blades appear; You can bear the birds a chirpin' in their pests or ou the wing, tat-"Inclosed please find a poem" is the surest sign o' spring!

A number of enthusiastic lacrosse men and others assembled in the town ball last Thursday evening for the purpose of organizing a club. Reeve Lowry was chosen chairman and Mr. John Lawson V.S. acted as socretary. After a few preliminary remarks by the chairman at to the object of the meeting the following officers were elected :- Honorary President, D. Henderson, M.P.; President, Dr. Lowry; 1st Vice Pres., J. B. Pearson; '2nd Vice Pres. W. Williams; Sec.-Treas., Jno. Lawson ; Captain, R. Anderson ; Executive Committee C. Williams, M. E. McCann, T. McPhail, R. Anderson and Jao. Lawson. The club will be called the Young Spring Rollers complete. Green Window Canadians and a membership fee of 50c. Paper, Sc. per rd. Call in and see our large for seniors and 25c. for juniors was decided

on. The meeting was adjourned to meet in the town hall this evening to arrange further business in connection with the club. As there are a number of good playere in town an effort will probably be made to have Acton represented in the Central District of the Lacrosse Association the

The Wonderland of America. The great Yellowstone National Park, of Vashington, U.S., is one of the most extraordinary points in the world for natural wonders. They are of a diversified and interesting character, and the nexbest experience to seeing these wenders personally is to hear of them from one who s well qualified to rehearse and explain their grandeur and peculiarities. Nowhere else are the silent mountains of fire and frost so manifest, so awful, so sublime 2,000 eimmering poole, 5,500 boiling springs, -A large flock of ducks was on the fond | 84 geysors and canyoner1,500 feet deep, with gorgeously colored walls -a place of wonder terror and delight; marvelous, awful and sublime. Prof. Panton, of the Ontario Agri year among the boiling springs, gaysers, can Aid of Knoz Church have secured his ser

cultural College. Guelish, spent ten days last yous, etc., of this great park and the Ladies vioce for next Wednesday evening, 22nd April. Respecting Prof. Panton's entertainment the Guelph Mercury says ;- He threw himself into his subject with his. whole heart, and his pictures of geysers, boiling springs, 'canyons, and waterfalls were sketched in clear, eaguest and graphic words so as to give his hourers inspiration instruction and delight. The lecture was one of his best efforts and was generously applauded throughout." Mr. D. W. Camp

bell will be present with his scioption anexhibit over sixty views of the points to be described by Prof. Panton. The Chinese Missionery's Visit." Interest is invariably felt in the visit of one who has been laboring on a foreign missionary field and this was abundantly manifest on Sunday and Monday when Miss Crosthwaite appeared in the Methodist church. Miss Crosthwaite returned from China a few months ago in order to

restore her bealth and has lately been en gaged in lecturing on China, its people their customs and the great scope for missionary work in that vast country with its enormous population. Her visit was much enjoyed and tended to stir up considerable missionary enthusiasm. Large -If you want first-class Guelph sash audiences went to hear her and on Sunday and doors at Guelph prices, T. Enauge evening the congregation numbered fully six hundred. Her addresses on Sunday referred particularly to the various systems Invitations are farnished by the Ferr of idolatry and superstition, the heathen Perse. Samples sent to any post office for practices of the Chinese and the great need for missionary effort for the spread of the

gospel. On Sunday evening she happeared in the quaint summer of time natives and the following evening in the winter costume. The missionaries invariably adopt the Chinese dress when they arrive in that country. In connection with her lecture on Monday evening Miss Crosthwaite related her experience getting acquainted with the country and its people, dwelt upon the matter of acquircommence the erection of a fine brick ing the language, the work of the missionaries in leading the people to accept the

true God, and give impressive, delineations of Chinese life. She exhibited a large collection of curiosities, including Chinese During her addresses she sang several hymns in the language of the country. A the close of the proceedings on Monday evening a hearty vote of thanks was tendered the lecturer by Rev. Thos. Gee, Georgetown, and seconded by Rev. J. W. Rae. Miss Crosthwaite is a devoted the home of his father. Mr. H. FAVORED SURELY

ARE WE.

Tuesday, Wednesday and Thursday of last week were the Special Opening Days in our Millinery show rooms-Wasn't the weather beautiful? Grand Weather for a grand occasion ! Specially fitted!

Did you ever see Show Rooms thronged with visitors as ours were day after day From every sorrounding town and village visitors came in by train. All who could, came, and all who came were delighted with the incomparable display that awaited them. Kind words! Appreciative remarks! Orders placed! They were literally showered upon us. We scoepted all with becoming modesty. In all candor, we deserved them. Nor were we in the least jealous to hear kindly remarks, more orless appreciative of the display of some of our neighbors. It isn't a matter of "sour grapes" with us. We like to hear our neighbors well spoken of. It is, however, no small satisfaction where other excellent Rev. Messrs. Strachan, of Rockwood, and displays come into competition to know Argo, of Norval, will exchange pulpits next | that the concensus of opinion is that our offering is away and beyond anything in the Spring farm operations are getting pretty | city in the same line. Our show rooms are the largest and most elegant. Our stock in this neighborhood was Mr. John Barns the largest and most varied, and our styles the most novel, beautiful and useful. Well, you only have the index of what you may expect all during the season. We say the index, for you haven't seen our Spring and Summer Millinery by any means. putting in his spring plowing with such a There wou't be a day but what we'll show you something new. That's our policy. We don't buy our Millinery like we do our Grey Cottons. The season's supply in one purchase. Some people claim to do that. We don't. We are always buying, always producing, and no matter how often you may come in we'll have fresh Novelties to surprise you. Enough about Millinery. work at his saw mill last week.
