Our Carpel Stock for the Spring of 1861 is now complete. Our buyer bore this Department specially in mind last winter, with the result that nearly every grade and variety of Carpet now produced in Europe or America is ably represented in our Carpot Show Room. (The largest in Guelph.)

Great delicacy of coloring and pattern characterizes the new designs in Brussels and Tapestry; while the New Ingrains are particularly rich and handsome in figuring and Shides. We are also showing some very handsome Wilton Carpets as well as Smyrt and Velvet Rugs, Art Squares, Hemp and Stair Carpets, China Matting, Oil

It is our intention to make our transactions in Carpets this Spring a pleasant memory to Carpet Buyers, and we have marked these Goods at prices that will ensure this. When to the largest stock in the city we add the additional attraction of specially flow prices, we feel that the success with which the Carpet trade has already opened with us, will be sustained throughout the season.
