FRESH AIR.
Do you wish to be healthy?
Then keep the house sweet:
As fresh as you can get,
Shake each blanket and sheet.

Leave the beds to get fresh
On the floors crowded floor:
Let the wind sweep right through—
Open windows and doors.
The bad air will run out
As the good air comes in:
Just as good as a stranger
And better than sin.

Do this, it's soon done.
In the morning air:
I'll lighten your labor
And lessen your care.
You are weary—no wonder,
There's weight and their gloom
Hang heavy round
In each overfull room.
To cure all the trouble
Is fresh and clean:
For there's headache and heartache,
Add fever and pain.

Heaving road, settling down,
In the close and hot heat:
Let the wind sweep right through
Till the air's fresh and sweet:
And more cheerful you'll feel
Than the toll of the day:
More refresh'd you'll awake
When the night comes on.

GOOD OLD STEVE.
Good old Steve is a big gray horse.
One day he was feeding by the roadside, near a
little brown house. Baby Nonsie lived in
that house, and baby's mamma was very
busy that morning baking.
Baby had on her blue cambric frock.
She crept out into the yard. Mamma did not
miss her at first. But by-and-by she
heard her cry. She ran to the door
and saw Steve nibbling under the big maple
tree. He was holding baby up by her
dress with his great strong teeth.
Mamma was frightened. She cried out,
"Oh, my baby, my little Nonsie!" Steve
heard her cry. He turned quickly, trotted
up to her, and dropped the baby carefully
into her arms.

Baby was very glad to be dropped into
mamma's arms. She covered and clapped
her hands and patted mamma's face.
Mamma gave Steve a cookie and an apple.
Then he whined "good-bye" and trotted
off. You see, he knew that such a wee
baby as Nonsie out not to be left walking
alone. So he had picked her up to take
her home.

CAME TO HIS SENSES.
"Wife—I wish that man would go home,
if he has got one to go to."
Landlord—"Hush, hush! he'll call for a
drink directly."
"Wife—I wish he would make haste
about it then, for it is time every honest
man was in bed."
Landlord—"He is taking the shingles off
his house and putting them on ours."
At this time James came to his right
senses and commenced rubbing his eyes,
and stretching himself as if he had just
awoke, said, "I believe I'll go."
"Don't be in a hurry, James," said the
landlord.

"Oh, yes, I must go," said James, and
he started.
After an absence of some weeks, the land-
lord met him, and accosted him with:
"Hello, Jim! Why ain't you been down to
see us?"
"Why, I had taken so many shingles off
my house it began to leak, and I have
been mending it," said James.
The tavern-keeper and his wife were
astonished. James is now a happy man,
and his wife and children are happy too.
Young man, whose house are you shing-
ling?"

The Worry of it.
The worry and sickness of a stubborn
headache are easily cured by the use of St.
Jacob's Oil. It is the best.

A TEMPERANCE LECTURE.
There is a very beautiful moral in the
following tale, and a good temperance
lecture thrown into the bargain. A resi-
dent of Beaufort was a few days ago
called by telegram to St. Jerome, where a
near relative was said to be dangerously ill.
He got as far as Montreal, but on coming
out of the Bonaventure depot he met a com-
pact, stout man, who said to him:
"Linger up at a saloon hard by. They
continued at it until it was too late for the
man from Beaufort to catch the 5
o'clock train from the Dalhousie square
station, and they decided to "make a night
of it." In the morning the man from
Beaufort received another telegram
stating that his relative had just dis-
tinguished, leaving about \$12,000 to be divid-
ed among about fifty collateral rela-
tives. The Beaufort man taking his
share among the rest, but that had been
left the bulk of the property. To say
that the Beaufort man is mad but
feebly describes the situation.

A Sure Remedy for Neuralgia.
Neuralgia is one of the most common
and distressing complaints to which the
climate. It is not confined to any particu-
lar season, for whilst most general in the
winter season, yet many suffer its ex-
aggerating agency in the heat of summer.
In late years this form of disease became
better known, and consequently the means
of relief have become greatly increased in
numbers, as well as efficacy. Among the
most powerful and penetrating combination
placed within the reach of the public for
the relief of neuralgia, we can mention
Poison's Nervine. Its power over pain is
something wonderful, and we advise a
trial for neuralgia, or any other painful
complaints.

A Minute a Day.
A minute a day devoted to taking a dose
of Burdock Blood Bitters will cure any
case of constipation, dyspepsia, biliousness
or bad blood, and may save weeks of sick-
ness and dollars of loss. There is nothing
better than B.B.B.

Five Hundred Dollars.
Will be given for a case of Catarrh which
cannot be cured permanently by Clark's
Catarrh Cure. Step right up to the office
and get the reward! Thousands have tried
this remedy, but no one has claimed the
reward because it cures in every case. If
you have a cold or are troubled with
catarrh ask your druggist for Clark's
Catarrh Cure, price 50 cents, and see what
a pleasant relief it will be instantly. If
you are asked to take something else, send
no direct and we will send you a bottle,
by mail on receipt of price. Clark Chemi-
cal Co., Toronto, New York.

NOTES HERE AND THERE.
Items of General Interest to Free

Worthy of Consideration.
Those who have used it praise it! Mr.
George Ward writes from Josephine, Ont.,
concerning Hagar's Yellow Oil: "As a
sure cure for chapped hands, swellings,
sore throat, etc., I recommend Hagar's
Yellow Oil to all."

Teacher (to the class in chemistry)—
"What does sea water contain besides the
sodium chloride that we have mentioned?"
Head Boy—"Fish."

Henry Clemente, Almonte, writes:—
"For a long time I was troubled with
Chronic Rheumatism, at times wholly dis-
abled; I tried anything and everything
recommended, but failed to get any relief
until a gentleman who was cured of Rheu-
matism by Dr. Thomas' Electric Oil told
me about it. I began using it both inter-
nally and externally, and before two
bottles were used I was radically cured.
We find it a household medicine, and for
croup, burns, cuts and bruises, it has no
equal."

"My aim is always to tell the truth."
"Yes," interrupted an acquaintance, "and
you are probably the worst shot in the
United States."

Mr. John Anderson, Grassmere, Ont.,
writes: "The Vegetable Discovery you sent
me is all gone, and I am glad to say that it
has greatly benefited those who have used
it. One man in particular says it has
made him a new man, and he cannot say
too much for its cleansing and curative
qualities."

"Alas!" sighed Jenkins—"alas!" to
think that I, who am such a lover of
nature, should discover after my marriage
that I am indissolubly wedded to art!"

Owing to the unprecedented demand for
plate glass it has advanced considerably in
price. Messrs. McCauland & Son, Tor-
onto, fortunately made a contract
before the advance for a very considerable
quantity, and are thus enabled to offer
their plates at this season a very decided
advantage in price, the quality being su-
perior to any ever previously imported.

Almost Like Magic.
In the effect of Clark's Lightning Liniment
when applied to a burn. It stops the pain
instantly, and even in the worst cases the
cure is rapid and thorough. There is no other
preparation equal to it, and in the States
its use has become general in the hospitals.
Clark's Lightning Liniment stands alone
as a Pain All-Reliever. Sold by all first-class
drug stores at fifty cents. Clark Chemi-
cal Co., Toronto, New York.

serted gratis? Go into Lombard's garden where

Our Annual Picnic.
will occur in June this year. In preparing
your lunch we suggest you use Imperial
Cream Tartar Baking Powder (Sold by all

"What's the best size for a lazy man?"
asked a doctor of his physician. "Exercise,"
said the doctor.

A Common Opinion.
All skin diseases of whatsoever name or
nature are caused by impure blood. Bur-
dock Blood Bitters is a natural for im-
pure blood, removing all foul humors from
a common pimple to the worst scrofulous
sores.

"Papa, have guns got legs?" "No."
"How do they kick, then?" "With their
breaches, my son."

The greater part of political capital, it
made up of private interest.
Bickie's Anti-Consumptive Syrup is a
combination of several medicinal herbs
which exert a most wonderful influence in
curing pulmonary consumption, and all
other diseases of the chest, throat and
lungs. It promotes a free and easy expecto-
ration, and gives ease even to the greatest
coughs, colds, shortness of breath and
affections of the chest, attended with
weakness of the digestive organs, or with
general debility, seem to vanish under its use.
No other remedy acts so readily in allaying
inflammation or breaking up a severe cold,
even the most obstinate cough, it overcomes
the penetrating and healing properties.
When children are affected with coughs,
colds, inflammation of the lungs, croup,
quinsy, and sore throat this Syrup is of vast
importance. The number of deaths among
children from these diseases is truly alarm-
ing. It is so palatable that a child will not
refuse it, and it is got at such a price that
it will exclude the poor from its benefits.

From the Pacific Coast.
We quote from a letter recently received
from Mrs. Eleanor Pope, Port Huron, B.C.,
"For sore throat, croup, croup, tracheitis,
etc., Hagar's Yellow Oil is the best
thing I ever used."

Milton was asked by a friend whether he
would instruct his daughters in the differ-
ent languages. His reply was: "No, if
one tongue is enough for a woman."

"What influence has the moon on the
tide?" the teacher asked John Henry.
"The moon," said John Henry, "it depended
on what was tied; if it is a dog, it makes him
howl."

P. M. Markhill, West Jeddore, N.S.,
writes: "I wish to inform you of the won-
derful qualities of Dr. Thomas' Electric Oil.
I had a horse so lame that he could scarcely
walk; the trouble was in the knee, and two
or three applications completely cured him."
Directly and Indirectly.

Kidney complaint, dropsy and similar
troubles depend directly on wrong action
of the kidneys and indirectly on bad blood.
Burdock Blood Bitters regulates the action
of the kidneys and cleanses the blood from
all impurities. In this way curing Kidney
complaint, dropsy, etc.

For a thorough and speedy cure of all
Blood Diseases and Eruptions of the skin,
take Northrop & Lyman's Vegetable Dis-
covery. Mrs. B. Forbes, Detroit, had a
running sore on her leg for a long time;
commonly using Northrop & Lyman's
Vegetable Discovery, and she is now com-
pletely cured. Her husband thinks there is
nothing equal to it for Agas or any other
sore.

A TREE SONG.
The birds upon the branches high,
Will sweetly, daily sing:
We plant them a home this day,
To rest their weary wing.

CHORUS.
The lovely trees the lovely trees,
The lovely sheltering trees,
We'll plant them here, year after year,
The useful shade trees.
The sun will smile upon the leaves,
When morning light appears,
The winds will whisper soft and low,
Through quany a cooling year.

The traveler here may stop and rest,
At seaside's sultry hour,
And feel his weary soul refreshed,
Beneath this leafy cover.

What It Costs.
Must be carefully considered by the great
majority of people, in buying even neces-
saries of life. Hood's Sarsaparilla commends
itself with specific force to the great middle
classes, because it combines positive econ-
omy with great medicinal power. It is
the only medicine of which can truly be
said "100 doses one dollar" and a bottle
taken according to directions will average
to last a month.

cogler he was, he wanted to know how much
drink he would have to go without in order
to freeze.

Severe Cold Cured.
Dear Sir—My mother was attacked
with a very severe cold and cough. She
responded to my Hagar's Pediclar Balsam
and, on so doing, found it did her more
good than any other medicine she ever
tried.

A Handsome Gift.
It is a thing of beauty and a joy for ever,
but where the charms of youthful health,
the rosy lips, and peary teeth, are accom-
panied by the breath of catarrh! Why it
is time that the maiden brought Clark's
Catarrh Cure price 50 cents. This would
cure the catarrh at once, and save her
chances if not her life. No other remedy
so easy and pleasant to take, and nothing
so sure. There is no excuse for an
offensive breath when it can be avoided
and prevented so easily and pleasantly.
