

HOUSE OF COMMONS. The Session Lengthening Out—The McGreevey Scandal—Numerous Other Matters of Interest.

OTTAWA, July 15.—The past week at Ottawa has been a period of great excitement in the ranks of both political parties and of late work for all our statesmen.

A wholesale dealer in apples from Liverpool is doing in Maine drive over the country roads and getting in some bush berries, while the fruit is still on the trees.

The final treaty of the European Convention League will be signed at Bern, Switzerland, July 26th.

The total revenues of the United States for the fiscal year ended were \$2,011,000,000, or about \$1,000,000 less than for the previous year.

Medical journals and physicians throughout the world are interested in the progress of the symptoms are plentifully diverse and complex.

Germany is getting tired of her possession in New Guinea. She has been appropriated a long coast line.

Germany is getting tired of her possession in New Guinea. She has been appropriated a long coast line.
