### MILL'S TERROR AND MY BASS

Bill was short and dapper, while I was thin and tall.

I had forty whiskers, but Bill had none at all.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as I did.

Bill would never seem to set so much on me as
