THE MASTER AND THE BARN.

THE MASTER AND THE BARN. Take the barn to the water. Take the water to the barn. The barn is the water's home. The water is the barn's home.

Round Pegs in Square Holes.

A great deal of misdirected effort in this blundering world is due to the fact that people are compelled to engage in work which they dislike, when just around the corner, is a job which they might love.

One Girl's Work. A few years ago a little girl applied to a pastor in order to get large cities for admission into his Sunday school.

An Entertaining Hotel Man. It is stated that a hotel man in Toronto has posted a notice stating that all diners at his place who use Borden's Blood Bitters to top up their appetites and strength, will be charged 20 per cent extra.

John Moore, of Madoc, shot at Charles Lamora in a quarrel, and is now a fugitive.

Feabeh Snow, Guinnig Cove, N. S. writes: "I was completely prostrated with the asthma, but hearing of Dr. Thomas' Eucalyptic Oil, I procured a bottle, and it did me so much good that I got another, and before it was used, I was well."

There are many people who pride themselves on what they call their consistency. They claim that, as they are now, they were in the beginning, and ever shall be.

When a man says, "Sir, I think now just as I did twenty years ago; I never change my opinions, sir" you may safely write that man down as an ass who is laboring under the hallucination that he is an oracle of wisdom.

Although a sensible man is not given to fashions, he is ever growing in knowledge, and constantly modifying his opinions, as a mighty river flows with its channel and thereby maintains a vigorous and healthful current; but your "unchanging" man, whose composition of conceit and ignorance is stereotyped, is no better than a shallow pool festering in the sun and feeding upon its own stagnation.

The SURPRISE. YOU want your Cottons, Limes, Flannels always sweet, clean, snowy white? YOU want "the wash" done in the easiest, cheapest way? SURPRISE Soap "The Surprising" without boiling or scalding, gives these results.
