The Young Folks.

ONE YEAR OLD.

Gaily singing the cheery song:
In the sun,
In the shade of trees,
With a joyful heart,
He is gay all day.
He is one.

Busy thoughts now teach him
How they run
To the place that followed pain,
When began his infinite reign.
Who is he? An old or young—
Who is he?

In his glee, but gay,
In his glee,
But the seriousness of blue
Seems to pass an epoch now;
He is one year old to-day—
Who is he?

In all cases, where a mild but effective

aperient is needed, Ayer's Pills are the best.

They improve the appetite, restore healthy

action, promote digestion, and regulate

every function. No pills in greater

degree, or more highly recommended by

the profession.

Why should people never be frightened

at the appearance of a ghost? Because

it is a ghost, its appearance must, in the

nature of things, be immaterial.

No Wonder.

Why should it be so often repeated that

it is the easiest, promptest, best remedy,

when doctors are consulted at its effects?

Lawson, Keweenaw U. S. A., "George Pat-

ter fell from a snow storm window

striking a fence. I found him lying St.

Jacobs Oil. He used it freely all over his

body, and I saw him next morning at work.

All the blue spots finally disappeared, leav-

PROGRESS.

It is very important in this age of vast

material progress that a remedy be pleasing

to the taste, and to the eye, easily taken,

acceptable to the stomach and healthy in

its nature and effects. Possessing these

qualities; Syrup of Figs is the one perfect

and most gentle diuretic known.

are quickly soothed and healed by Victor

A lady in Spruce writes: "For about

seven years before taking Nothrop &

Lymans Vegetable Discovery and Dypre-

tic Care, I suffered from a complaint very prevalent with our sex. I was unable to

walk any distance, or stand on my feet for

more than a few minutes at a time, with-

out feeling exhausted; but now, I am

thankful to say, I can walk two miles with-

out feeling the least inconvenience. For

female complaints it has no equal."

People who have to live alone never find

out who they are.

Officinal Sore Cured.

Dear Sirs.—I take pleasure in testifying

to the great healing qualities of your

medicines. I had the misfortune to injure

my leg, and through cold and neglect it

broke out in a running sore, my leg became

infected and very painful, and the dis-

charge was very offensive; various reme-

dies failed to help me when I had the good

fortune to try you. B. B. and Burdock

Healing Ointment. Before I had finished

the second bottle the discharge had stopped

and in two weeks more my leg was as well

as ever. I feel justified in recommending

it to the public as a cure if only given

fair trial.

Mr. Henry Graham, Wingham, writes:

"I was in North Dakota last May, and I

took a bottle of Nottrop & Lyman's Vege-

table Discovery with me. I did not feel

safe without it. While there a lady friend

was suffering with Indigestion, Biliousness

and Headache. I recommended the Vege-

table Discovery to her and the trial it,

and the result was that it did so much good

that I had to leave the balance of the bottle

with her."

"By the obedience of one shall many be

made righteous."

It is safe to use Freeman's Worm Pow-

der, as they act only on the worms and do

not injure the child.

Worth \$10 a bottle.

Dear Sirs.—I have used Burdock Blood

Bitter for dyspepsia, and have found it to

be the best medicine I ever used. I could

not eat without suffering from a terrible

burning pain in the pit of my stomach.

I used six bottles of B. B. and am glad I

did so or I should have been in my grave

to day, it completely cured me. I take a

bottle every spring and would not be with-

out it if cost \$10 a bottle.
