How a Woman Fixes a Date.

"Did you ever notice the curious difference in the sexes when it is shown in the way a man or woman fixes a date?"

Noble Spelling.

Many a man has been sorry that he ever put himself into the power of patent medicine. A recent example is furnished by a member of the British nobility.

Little Gladys and the Angels.

It was at the time when archery was fashionable, and a large company was invited to a trial of skill.

The Meanest Yet.

As mean a thing as we've noticed lately is the following from the Olean Herald: "It is said that a certain Bradford lady whose husband got into the habit of coming home tipsy at night resolved to try aught on him for a cure."

The Wings of Love.

Arris street lady—"What the matter, Bridget? Why are you going to town?" Bridget—"Sure, m'am, our policeman has been appointed to another district."

Epellent reasons why Dr. Thomas' Eucalypti Oil should be used by persons troubled with affections of the throat or lungs, or upon the skin, rheumatic pain, corns, bunions, or external injuries.

The reasons are, that it is speedy, pure and unobjectionable, whether taken internally or applied outwardly.

Perhaps, but if just as good as Putnam's, is that not a very high recommendation for the original and best corn cure? Putnam's Painless Corn Extractor.

A St. Louis Wagoning Machine is Inscrutable.

"Pat applied for." This rather indicates that Bridges is unable to run it alone. It is worth those machines to neglect, though or cold which it easily subjected if taken into time, when left to itself the fore-runner of consumption and premature death.

Highest Award.

At the Universal Cookery and Food Exhibition held in London and opened by the Lord Mayor, May 28, 1892. Messrs. W. G. Dunn & Co., of Croydon, London, and Hamilton, Canada, obtained the highest award for Baking Powder.

Pure Cod Liver Oil combined with Wild Cherry and Hypophosphites renders Milburn's Emulsion the best on the market.

Relys on This.

GENTLEMEN.—We have six children, and have relied on Dr. Fowler's Extract of Wild Strawberry for the past twelve years in all cases of diarrhea and summer complaints, and it never fails to cure.

Canada is being congratulated everywhere on the excellence of her manufactures.

Art Stained Glass is prominently in the front rank of her improvements. Thanks to McCausland & Son, of Toronto, who for 40 years have labored, not only to accumulate money, but to make Stained and Ornamental Glass of all kinds a credit to the Dominion.

Mamma (dinning out): "It isn't polite, Bobby, to smack your lips when eating. You never do that at home." Bobby: "What are we here to have anything worth smacking our lips over?"

ALL MIRACLES DO NOT OCCUR AT HAMILTON.

The whole town of Glenside, Ont., knows of a cure, by the application of MINARD'S LINIMENT, to a partially paralyzed arm, that equals anything that has transpired at Hamilton.

Mr. John Anderson, Grassmere, Ont., writes: "The Vegetable Discovery you sent me is all gone, and I am glad to say that it has greatly benefited those who have used it. One man in particular says it has made him a new man, and he cannot say too much for its cleansing and curative qualities."

It may be the cold weather, or it may be because of the Nihilists that the Clear spends so little time at the seaside now.

Days. Whatever may be the cause, he is catching into the sea as much as he was.

There's Magic in It.

What must be the satisfaction and gratification, at so small a cost, of one who writes like this? Mr. W. Masco, editor of the Detroit and Grand Rapids Free Press, writes: "I had suffered from a sprained knee for twelve months, without being able to obtain relief from the pain, when I rubbed the knee thoroughly for twenty minutes with St. Jacobs Oil. That night I travelled 200 miles by railway, the next day I walked 25 miles, and the pain had entirely disappeared. I have never had the slightest return of it since."

Think for Yourself.

Don't you think a medicine, which cures other will cure you? Don't you think you need Burdock Blood Purifier to help you to health and happiness? We know B.B.B. cures dyspepsia, biliousness, constipation, headache and bad blood. Don't you think it is time you tried it?

"Papa," said a little girl, "what is a millionaire?" The old man was just then examining his wife's millinery bill, and he growled, in response to his little daughter's question: "What is a millionaire? Humph! Millionaire, my dear, is a corruption of milliner!"

Minard's Liniment is the Best.

For Invalids and weak delicate women use Milburn's Beef, Iron and Wine; no other, it is the best.

How To Cure Headache.

Dear Sirs.—I have used your Burdock Blood Purifier for biliousness and headache and never neglect to praise it. It brings the flush of health to one's cheeks, and I recommend it highly.

To relieve the morning with a bad taste in the mouth and no appetite indicate that the stomach needs strengthening. For this purpose, there is nothing better than an occasional dose of Ayer's Pills taken at bed time.

Fragrant Crying Children should be given Dr. Low's Worm Syrup. It regulates the system and removes worms.

Children's Relief.

The pleasant flavor, gentle action and soothing effects of Syrup of Fig, when in need of a laxative and if the father or mother be constive or bilious, the most gratifying results follow its use, so that it is the best family remedy known and every family should have a bottle.

A Point For You.

In view of what Hood's Sarsaparilla has done for others, is it not reasonable to suppose that it will be of benefit to you? For Scald Head, Itch, and other diseases of the blood, for Dyspepsia, Indigestion, Sick Headache, Loss of Appetite, That Tired Feeling, Catarrh, Malaria, Rheumatism, Hood's Sarsaparilla is an unequalled remedy.

Hood's Pills cure sick headache.

Sallow and leaden-hued complexions soon give place to the rosiest pink-and-white, when the use of Ayer's Sarsaparilla is persisted in, and sometimes entirely abandoned. Nothing can counteract the rosy glow of perfect health, which blesses those who use this medicine.

"I don't put much faith in proverbs," said Brown to Jones. "For instance, look at the old-squaw one. 'A friend in need is a friend indeed.' Now, none of my experiences for all summer complain. A few doses always give relief and it never fails to cure. We think it is a very valuable medicine; as precious as gold." Mrs. F. O. Winona, Fort Hill, Ont.

Local Opinion.

This term should be applied to the choice every intelligent person has between Burdock Blood Purifier, the natural and certain remedy for dyspepsia, biliousness, constipation, headache, and bad blood, and the various imitations offered by unscrupulous parties as being "just as good." There is nothing else as good as B. B. B. It is an honest medicine and has made remarkable cures right in our town.

Give Holloway's Corn Cure a trial. It moved ten corns from one pair of feet without any pain. What it has done once it will do again.

CONSUMPTION CURED.

An old physician, retired from practice having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Asthma, and all throat and Lung affections, and a positive and radical cure for Nervous Debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to all his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this receipt in German, French or English with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NORRIS 820 Powers' Block, Rochester, N. Y.

"Charley is dead, and I guess he died happy. At all events, he ought to have died happy. It was only a week ago that he got his life insured for \$10,000." "So? Well, that's the first piece of luck Charley ever had in his life. What a pity he couldn't have lived to enjoy it!"

A Consideration.

GENTLEMEN.—My brother suffered from summer complaint and was extremely weak. We tried many remedies but without effect. At last my son advised me to try Dr. Fowler's Extract of Wild Strawberry, and before he had taken one bottle he was cured. We consider it saved his life. Mrs. ANNE M. CARTER, Oshawa, Ont.

A father was telling his little son about the wonders of modern science, and said: "Look at astronomy now! Man has learned the distance of the stars, and, with their spectroscopes, what they are made of."

Our Public Schools.

Are the main-stay of our republic. In them are being cultivated the minds which are to be our future law-makers and leaders in every walk of life. How essential it is that these minds should be trained to strong, healthy bodies. So our children suffer from impurities and poisons in the blood that it is a wonder that they ever grow up to be men and women. Many parents cannot find words strong enough to express their gratitude to Hood's Sarsaparilla for the good effect upon their children. Scalds, salt rheum and other diseases of the blood are effectually and permanently cured by this excellent medicine.

My experience and close relations with manufacturers entitles me to present a line of

Old not to Precious.

State.—For several seasons we have relied on Fowler's Extract of Wild Strawberry for all summer complaints. A few doses always give relief and it never fails to cure. We think it is a very valuable medicine; as precious as gold. Mrs. F. O. Winona, Fort Hill, Ont.

"I want my second husband," said a charming widow, "to be like a mountain. A mountain, you know, may have its summit covered with snow, while it is as warm as summer at its foot. That's my idea, now of a husband—a man with cool head and warm feet."

Kind Text for "Sparks"—The following poem was proposed at a farmers' dinner, and was received with great applause: "The ladies—their eyes kindle the only flame against which there is no insurance."
